

An expressive floral painting in a warm, earthy palette. The background is a mix of soft pinks, peaches, and muted oranges. In the foreground, there are several large, stylized flowers. One flower on the left is a pale pink with long, flowing petals. Another flower in the center is a vibrant pink with more defined petals. A third flower on the right is a darker pink with a more complex, layered petal structure. The brushstrokes are visible and expressive, giving the painting a textured, painterly feel.
