A War Like No Other Victor Davis Hanson, 2011-11-30 One of our most provocative military historians Victor Davis Hanson has given us painstakingly researched and pathbreaking accounts of wars ranging from classical antiquity to the twenty first century Now he juxtaposes an ancient conflict with our most urgent modern concerns to create his most engrossing work to date A War Like No Other Over the course of a generation the Hellenic city states of Athens and Sparta fought a bloody conflict that resulted in the collapse of Athens and the end of its golden age Thucydides wrote the standard history of the Peloponnesian War which has given readers throughout the ages a vivid and authoritative narrative But Hanson offers readers something new a complete chronological account that reflects the political background of the time the strategic thinking of the combatants the misery of battle in multifaceted theaters and important insight into how these events echo in the present Hanson compellingly portrays the ways Athens and Sparta fought on land and sea in city and countryside and details their employment of the full scope of conventional and nonconventional tactics from sieges to targeted assassinations torture and terrorism He also assesses the crucial roles played by warriors such as Pericles and Lysander artists among them Aristophanes and thinkers including Sophocles and Plato Hanson's perceptive analysis of events and personalities raises many thought provoking questions Were Athens and Sparta like America and Russia two superpowers battling to the death Is the Peloponnesian War echoed in the endless frustrating conflicts of Vietnam Northern

Ireland and the current Middle East Or was it more like America's own Civil War a brutal rift that rent the fabric of a glorious society or even this century's red state blue state schism between liberals and conservatives a cultural war that manifestly controls military policies Hanson daringly brings the facts to life and unearths the often surprising ways in which the past informs the present Brilliantly researched dynamically written **A War Like No Other** is like no other history of this important war

When a hurricane strikes the Northeast, the pair becomes stranded in an elevator together where fate leaves them no choice but to make an otherwise risky connection. Though their relation is strictly forbidden, Devorah and Jax arrange secret meetings and risk everything to be together. But how far can they go? Just how much are they willing to give up? **My Hood King Gave Me A Love Like No Other** Miss Jenesequa, 2018-10-09. They've secretly been in love with each other from their very first encounter but convinced themselves that they mean nothing to one another. Until one unexpected night, four days before her wedding to another man, changes everything. Indira Porter has always been a survivor. After a tragic event sets her whole life in a completely new direction, the only person she knows she can trust is herself and Javon, her boyfriend. The pair are in love or so it seems. In her mind, their love is real and secure enough to withstand the hardships of life. With their wedding just days away, Indira convinces herself that marrying Javon is the best thing to do despite his imperfections. However, the big lesson Indira is about to learn is the difference between a boy who exploits her and a man who truly cherishes her. Bakari Marshall, a man that many love and many love to hate. His attractive looks, irresistible smile, and intelligence doesn't take away from the ruthless dominant individual he is. Being the only son of his parents meant that Bakari had to step up and be the protector of his entire family: his mother, father, and two crazy-ass sisters who he would die for in a heartbeat. Grinding his way to the top meant that he could become the respected, feared, and envied man he is today. Falling in love was never part of his game plan, and if he did fall in love, he certainly didn't expect it to be with a beauty such as Indira. Someone that he believed was just a childhood acquaintance and someone who didn't care for his existence. Indira's been acquainted to the quiet, humble, and no-nonsense side of Mr. Marshall before, but she's about to become well-acquainted with the private, unusual side of him. The side that takes her to indescribable euphoria. The romance between Bakari and Indira consumes them both, becoming intense and too passionate for either party to resist. Despite all the odds saying they can't be together, Bakari makes it clear to Indira that she alone is who he wants. And the word "no" just happens to not be in his vocabulary. Can Indira allow herself to be with the one man that she's convinced herself for so long is just a product of her past? Or will her loyalty to her so-called fiancé stop her from beginning a new chapter with an infamous yet charming hood king? With secrets lurking in every corner, will Indira be able to trust herself or even anyone at all? In **My Hood King Gave Me A Love Like No Other**, love will certainly endure, but who is strong enough to win the war? **The Heavenly Lord's Ambassador. A**

Brondos, 2024-07-15 For centuries scholars and interpreters of the Hebrew Scriptures or Old Testament have read those Scriptures as if they spoke of a God whose desires concerns and interests were essentially no different than those of the other gods of antiquity known to us Like those gods what the God of Israel supposedly sought above all else was the honor worship and obedience of human beings and their submission to his will as his faithful and devoted servants While he undoubtedly demanded the practice of what was good right and merciful among his people in a way that set him apart from other gods ultimately he did so for his own sake in order to bring about in them the type of behavior that pleased him and compel them to live in conformity with his justice holiness and righteousness Those who sought to enjoy his blessings and avoid his fierce wrath and punishments had no choice but to strive to keep him content by observing all that he had commanded and making atonement for the sins and offenses they committed by offering him the sacrifices that appeased him Although he loved his people deeply his righteous and holy nature placed limits on that love and prevented him from showing them his favor unless the demands of his nature were satisfied When we abandon such an understanding of the God of Israel and instead read the Hebrew Bible on its own terms in order to grasp the logic underlying its narratives however a very different portrait of God emerges The God of whom the biblical texts speak is a God who desires nothing but the good for all those whom he has created and refuses to back down from his efforts to bring them to live in ways that will allow them to enjoy the wholeness and well being he desires for all when they insist on filling their lives with injustice suffering and violence When he demands that they obey all that he has commanded by practicing justice and compassion and avoiding behaviors that do them harm he does so not for his sake but for theirs If he jealously refuses to let his people serve and worship other gods it is only because those gods bring death and destruction rather than the life that is found in him alone While at times he must himself resort to violence and even bring down evil on human beings in order to put a stop to oppression and injustice he does so only because his passionate and unbending commitment to the well being of all of the families of the earth together with his beloved people Israel will not allow him to hold back or relent in his efforts to save them not from him but from themselves Christian and Jewish readers alike will find in the present volume a God who is very different from the God they have been taught to encounter previously in the biblical texts a God whose ultimate concern is not for his own glory honor or worship or for the demands of a righteous and holy nature that holds him captive but for the healing wholeness and well being of all of his creatures Such an understanding of God not only calls into question traditional interpretations of the Hebrew Bible but also lays the basis for a fresh reading of the many difficult passages that have long challenged biblical interpreters due to the violent and troubling image of God that they convey **A Place Like No Other**
