Werlock, 2009 Praise for the previous edition Booklist RBB Twenty Best Bets for Student Researchers RUSA ALA Outstanding Reference Source useful Recommended for public libraries and undergraduates *Encyclopedia of the American Short Story* Abby H. P. Werlock, 2015-04-22 Two volume set that presents an introduction to American short fiction from the 19th century to the present Minor Re/Visions Morris Young, 2004-03-12 Through a blend of personal narrative cultural and literary analysis and discussions about teaching Minor Re Visions Asian American Literacy Narratives as a Rhetoric of Citizenship shows how people of color use reading and writing to develop and articulate notions of citizenship Morris Young begins with a narration of his own literacy experiences to illustrate the complicated relationship among literacy race and citizenship and to reveal the tensions that exist between competing beliefs and uses of literacy among those who are part of dominant American culture and those who are positioned as minorities Influenced by the literacy narratives of other writers of color Young theorizes an Asian American rhetoric by examining the rhetorical construction of American citizenship in works such as Richard Rodriguez's *Hunger for Memory* Victor Villanueva's *Bootstraps From an American Academic of Color* Carlos Bulosan's *America Is in the Heart* and Maxine Hong Kingston's *Song for a Barbarian Reed Pipe* from *Woman Warrior* These narratives Young shows tell stories of transformation through education the acquisition of literacy and cultural assimilation and resistance They also offer an important revision to the American story by inserting the minor and creating a tension amid dominant discourses about literacy race and citizenship Through a consideration of the literacy narratives of Hawai'i Young also provides a context for reading literacy narratives as responses to racism linguistic discrimination and attempts at othering in a particular region As we are faced with dominant discourses that construct race and citizenship in problematic ways and as official institutions become even more powerful and prevalent in silencing minor voices *Minor Re Visions* reveals the critical need for revising minority and dominant discourses Young's observations and conclusions have important implications for the ways rhetoricians and compositionists read teach and assign literacy narratives Voices from the Canefields Franklin Odo, 2013-10 Holehole bushi folk songs of Japanese workers in Hawaii's plantations describe the experiences of this particular group caught in the global movements of capital empire and labor during the late nineteenth and early twentieth centuries In this book author Franklin Odo situates over two hundred of these songs in translation in a hitherto largely unexplored historical context *Hawaiian National Bibliography, 1780-1900* David W. Forbes, 2003-02-28 The fourth and final volume of the *Hawaiian National Bibliography 1780-1900* records the most volatile period in Hawaii's history American business interests and the desire for a constitutional monarchy were pitted against the desire of the monarchs King Kalikau and Queen Liliuokalani to strengthen the power of the throne The convulsions of the 1887 and 1889 revolutions were succeeded by the overthrow of the monarchy on January 17 1893 Documents revealing the struggle over annexation beginning in 1893 and the counterrevolution of 1895 are an important component of this volume Annexation in 1898 was

followed by a two year period during which functions of government and laws were altered to conform to those of the United States After the organic act became effective in 1900 vestiges of monarchical Hawaii disappeared and the history of the Territory of Hawaii unfolded As with the previous volumes Volume 4 is a record of printed works touching on some aspect of the political religious cultural or social history of the Hawaiian Islands A valuable component of this series is the inclusion of newspaper and periodical accounts and single sheet publications such as broadsides circulars playbills and handbills Entries are extensively annotated and also provided for each are exact title date of publication size of volume collation of pages number and type of plates and maps references and location of copies **People and Cultures of Hawaii** John F.

McDermott, Wen-Shing Tseng, Thomas W. Maretzki, 1980-01-01 In addition to the rich and useful material which this book provides any health worker or student of Hawaiian society it also serves as a fascinating series of case studies in the adaptation of non Western groups to a Western industrial society Journal of the Polynesian Society Hawaii James A. Michener, 2013-11-26 Pulitzer Prize winning author James A Michener brings Hawaii s epic history vividly to life in a classic saga that has captivated readers since its initial publication in 1959 As the volcanic Hawaiian Islands sprout from the ocean floor the land remains untouched for centuries until little more than a thousand years ago Polynesian seafarers make the perilous journey across the Pacific flourishing in this tropical paradise according to their ancient traditions Then in the early nineteenth century American missionaries arrive bringing with them a new creed and a new way of life Based on exhaustive research and told in Michener s immersive prose Hawaii is the story of disparate peoples struggling to keep their identity live in harmony and ultimately join together BONUS This edition includes an excerpt from James A Michener s Centennial Praise for Hawaii Wonderful a mammoth epic of the islands The Baltimore Sun One novel you must not miss A tremendous work from every point of view thrilling exciting lusty vivid stupendous Chicago Tribune From Michener s devotion to the islands he has written a monumental chronicle of Hawaii an extraordinary and fascinating novel Saturday Review Memorable a superb biography of a people Houston Chronicle **People and Cultures of Hawaii** Thomas W. Maretzki, 2011-04-30 This is a significant update to the highly influential text People and Cultures of Hawaii A Psychocultural Profile Since its publication in 1980 the immigrant groups it discusses in depth have matured and new ones have been added to the mix The present work tracks the course of these changes over the past twenty years constructing a historical understanding of each group as it evolved from race to ethnicity to culture Individual chapters begin with an overview of one of fifteen groups Following the development of its unique ethnocultural identity distinctive character traits such as temperament and emotional expression are explored as well as ethnic stereotypes Also discussed are modifications to the group s ethnocultural identity over time and generational change which traits may have changed over generations and which are more hardwired or enduring An important feature of each chapter is the focus on the group s family social structure generational and gender roles power distribution and central values and life goals Readers will also find a description of the group s own internal social class

structure social and political strategies and occupational and educational patterns Finally contributors consider how a particular ethnic group has blended into Hawai i s culturally sensitive society People and Cultures of Hawai i The Evolution of Culture and Ethnicity will like its predecessor fill an important niche in understanding the history of different ethnic groups in Hawai i Chinese America: History and Perspectives 1988 , *Prize Essays on Leprosy* ,1897 Chinatown, Honolulu Nancy E. Riley,2024-06-11 The Chinese experience in Hawai i has long been told as a story of inclusion and success During the Cold War the United States touted the Chinese community in Hawai i as an example of racial harmony and American opportunity claiming that all ethnic groups had the possibility to attain middle class lives Today Honolulu s Chinatown is not only a destination for tourism and consumption but also a celebration of Chinese accomplishments memorializing past discrimination and present prominence within a framework of multiculturalism This narrative however conceals many other histories and processes that played crucial roles in shaping Chinatown This book offers a critical account of the history of Chinese in Hawai i from the mid nineteenth century to the present in this context of U S empire settler colonialism and racialization Nancy E Riley foregrounds elements that are often left out of narratives of Chinese history in Hawai i particularly the place of Native Hawaiians geopolitics and U S empire building and the ongoing construction of race and whiteness Tracing how Chinatown became a site of historical remembrance she argues that it is also used to reinforce the ideology of neoliberal multiculturalism which upholds racial hierarchy by lauding certain ethnic groups while excluding others An insightful and in depth analysis of the story of Honolulu s Chinatown this book offers new perspectives on the making of the racial landscape of Hawai i and the United States more broadly
