Pakistan From Jinnah To Jihad Jihad

Yi-Tong Ma

Pakistan From Jinnah To Jihad Jihad:

From Jinnah to Jihad Arvin Bahl, 2007 Former American President Bill Clinton Referred To Kashmir As The Most Dangerous Place On Earth In 1999 Nuclear Armed Powers India And Pakistan Fought A War Over Kashmir And Again In 2002 They Came Close To Another The Kashmir Dispute Represents One Of The World S Oldest And Most Intractable Conflicts Having Befuddled Policymakers Since The Partition Of The Subcontinent In 1947 Author Arvin Bahl Attempts To Analyze This Conflict In The Context Of International Relations Theory Drawing On A Variety Of Sources Including Interviews With Leading Figures Of The Indian And Pakistani Establishments Bahl Argues That The Question Of The Kashmir Dispute Is Really The Question Of Why The Liberation Of The Kashmir Valley From Indian Rule Has Been A Foremost Pakistani National Interest Since The Partition Realism The Dominant Theory Of International Relations Argues That Regardless Of Era Region Ideology Or Domestic Politics States Will Behave In The Same Ways When Faced With Similar Situations In The International System Namely They Will Try To Maximize The State S Interests Yet Pakistan S Quest For Control Of The Kashmir Valley Represents A Case In Which A Country S Foreign Policy Cannot Be Explained By Realism And Realism S Main Assumption Of The State As A Rational Actor Appears To Be Violated The Kashmir Valley Has Little Strategic Importance To Pakistan Pakistan Has Almost No Chance Of Obtaining It Against A Much Stronger Power That Dismembered It In A Previous War And Its Economy Is Being Destroyed By Military Confrontation With India Which Also Threatens Its Security This Study Attempts To Explain The Puzzle Of Pakistan S Seemingly Irrational Policy Behavior On Kashmir By Developing A Framework Combining Liberal And Constructivist Approaches Constructivists Emphasize The Importance Of Ideas Ideologies And Identities When Observing How States Behave The Ideology That Pakistan Was Founded On The Two Nation Theory Makes Ending Indian Rule Over The Kashmir Valley Of Utmost National Interest For Pakistan To Concede That A Muslim Majority Region That Is Contiguous With It Can Be A Part Of India Would Be For Pakistan To Accept That There Was No Need For The Partition Of The Subcontinent Along Religious Lines And The Creation Of Pakistan In The First Place Liberals Focus On Understanding Domestic Politics In Order To Understand A Country S Actions In The International System The Pakistani Military The Country S Most Powerful Institution Since Its Formation Has Used The Conflict With India To Bring About And Legitimize Its Dominance Of The Country South Asia Gained Prominence In American Foreign Policy After The 9 11 Attacks And The Standoff That Ensued Between India And Pakistan In Early 2002 Thus This Study Concludes With Policy Recommendations Primarily To American Policymakers For Dealing With Pakistan And Kashmir Based On The Analysis Developed In The Preceding Chapters This Book We Hope Is An Eye Opener For All General Readers It Will Be Found Immensely Useful And Informative By Students Researchers And Teachers Of History Political Science International Relations And South Asian Studies

The Military Factor in Pakistan Ravi Shekhar Narain Singh Singh, 2008 Pakistan s politics governance institutional capacities internal and external security and the nation building process are at a critical

juncture The stance of the military thus will be a critical factor in determining the future course of Pakistan Under the prevailing scenario in the country any elected government would need to reestablish the viability and vitality of the state Should it fail the army would be compelled to intervene to save the country from falling apart For an objective and in depth analysis as to how Pakistan has arrived at this critical juncture it is important to delve into the personalities and processes that have shaped the destiny of the country The future of Pakistan is dependent on the flux and interplay of the internal and external processes and compulsions This book therefore traces the military underpinnings in the political geopolitical strategic economic religious sociological and sectarian journey that Pakistan has made over the last sixty years *The Prospect of Nuclear Jihad in South Asia* Musa Khan Jalalzai, 2015-10-01 When we talk about Pakistan's nuclear weapons armed forces and civilian governments then controversies and uninvited misperceptions swirl in our minds If we take in the broad picture we inevitably conclude that not all is going in the right direction in the country and that is because the army politicians and the establishment perceive jihadism as a profitable business They run this business of killings and torture through their proxies While we study the militarized mind of Pakistani generals and recognize their resentment towards civilian governments we find more controversies about the role of armed forces and their relationship with worldwide terrorist organizations International journalist Musa Khan Jalalzai is ideally positioned to present us with a picture of what is actually afoot and what it means for the future When we study the militarized mind of Pakistani generals and recognize their resentment towards civilian institutions we find more controversies about the role of armed forces and their relationship with worldwide terrorist organizations The Pakistan military controls the financial market stock exchange real estate business banking sector and smuggling of narcotics Ethnic representation within the armed forces raises serious concerns Some experts say this is not a national army but view it as the club of Pashtun and Punjabi generals The army has failed to develop a true ethnic representation process or motivate Baloch and Sindhis to join the armed forces but they certainly have gained experience in killing innocent civilians Then there is the question of the Saudi investment in Pakistan's Islamic nuclear bomb Saudi Arabia's link with Pakistan's nuclear and missile program has long been the source of speculation that Pakistan might either station nuclear forces on Saudi sand or provide a nuclear umbrella to the Wahabi state in return for oil supply or that the Saudis would purchase nuclear weapons from Pakistan International journalist Musa Khan Jalalzai is ideally positioned to present us with a picture of what is actually afoot and what it means for the future Pakistan: From the Rhetoric of Democracy to the Rise of Militancy Ravi Kalia, 2012-08-21 The essays in this volume address the central theme of Pakistan's enduring yet elusive quest for democracy The book charts Pakistan's struggle from its very inception at least in the political rhetoric provided by both civilian and military leaders for democracy liberalism freedom of expression inclusiveness of minorities and even secularism At the same time it demonstrates how in practice the country has continued to drift towards increasingly brittle authoritarianism religious extremism and intolerance of minorities both Muslim and non Muslim This

chasm between animated political rhetoric and grim political reality has baffled the world as much as Pakistanis themselves. In this volume scholars and practitioners of statecraft from around the world have sought to explain the dichotomy that exists between the rhetoric and the reality. Crucial areas such as Pakistan's troubled status as a theocracy, its relationship with the US, the position of women and their quest for empowerment, the Mujahid Qaumi movement, the sharp class divide that has led to an elitist political culture, and finally an erudite discussion of the popular topic Jinnah's vision of Pakistan are the focus of this book. This volume will be of interest to scholars of history, political science, international relations, sociology, anthropology, and urban planning, policy makers, and think tanks, as well as the wider reading public curious about South Asia. **Gandhi's**

Philosophy and the Quest for Harmony Anthony Parel, 2006-08-10. This book presents an interpretation of Gandhi's political philosophy and how he strove to connect it with the four goals of life (purushartha). Anthony Parel argues that Gandhi's aim was the restoration of harmony and the removal of any opposition between the spiritual and the temporal, the political and the ethical.

The History of Jihad Robert Spencer, 2018. It is taken for granted even among many Washington policymakers that Islam is a fundamentally peaceful religion and that Islamic jihad terrorism is something relatively new, a product of the economic and political ferment of the twentieth century. But in *The History of Jihad: From Muhammad to ISIS*, Islamic scholar Robert Spencer proves definitively that Islamic terror is as old as Islam itself, as old as Muhammad, the prophet of Islam, who said, "I have been made victorious through terror." Spencer briskly traces the 1,400-year war of Islamic jihadis against the rest of the world, detailing the jihad against Europe, including the 700-year struggle to conquer Constantinople, the jihad in Spain where non-Muslims fought for another 700 years to get the jihadi invaders out of the country, and the jihad against India where Muslim warriors and conquerors wrought unparalleled and unfathomable devastation in the name of their religion. Told in great part in the words of contemporary chroniclers themselves, both Muslim and non-Muslim, *The History of Jihad* shows that jihad warfare has been a constant of Islam from its very beginnings and present-day jihad terrorism proceeds along exactly the same ideological and theological foundations as did the great Islamic warrior states and jihad commanders of the past. *The History of Jihad: From Muhammad to ISIS* is the first one-volume history of jihad in the English language and the first book to tell the whole truth about Islam's bloody history in an age when Islamic jihadis are more assertive in Western countries than they have been for centuries. This book is indispensable to understanding the geopolitical situation of the twenty-first century and ultimately to formulating strategies to reform Islam and defeat radical terror.

Guide to Islamist Movements Barry M. Rubin, **The Future of Land Warfare** Michael E. O'Hanlon, 2015-08-31. What happens if we bet too heavily on unmanned systems, cyber warfare, and special operations in our defense? In today's US defense policy debates, big land wars are out. Drones, cyber weapons, special forces, and space weapons are in. Accordingly, Pentagon budget cuts have honed in on the army and ground forces, this after the long wars in Iraq and Afghanistan seem like an appealing idea. No one really wants American boots on the ground in bloody conflicts abroad. But it

is not so easy to simply declare an end to messy land wars A survey of the world's trouble spots suggests that land warfare has more of a future than many now seem to believe In *The Future of Land Warfare* Michael O Hanlon offers an analysis of the future of the world's ground forces Where are large scale conflicts or other catastrophes most plausible Which of these could be important enough to require the option of a U S military response And which of these could in turn demand significant numbers of American ground forces in their resolution O Hanlon is not predicting or advocating big American roles in such operations only cautioning against overconfidence that we can and will avoid them O Hanlon considers a number of illustrative scenarios in which large conventional forces may be necessary discouraging Russia from even contemplating attacks against the Baltic states discouraging China from considering an unfriendly future role on the Korean peninsula handling an asymmetric threat in the South China Sea with the construction and protection of a number of bases in the Philippines and elsewhere managing the aftermath of a major and complex humanitarian disaster superimposed on a security crisis perhaps in South Asia coping with a severe Ebola outbreak not in the small states of West Africa but in Nigeria at the same time that country falls further into violence addressing a further meltdown in security conditions in Central America

Gandhi's Hinduism the Struggle against Jinnah's Islam M. J. Akbar, 2020-03-05 Gandhi a devout Hindu believed faith could nurture the civilizational harmony of India a land where every religion had flourished Jinnah a political Muslim rather than a practicing believer was determined to carve up a syncretic subcontinent in the name of Islam His confidence came from a wartime deal with Britain embodied in the August Offer of 1940 Gandhi's strength lay in ideological commitment which was in the end ravaged by the communal violence that engineered partition The price of this epic confrontation paid by the people has stretched into generations M J Akbar's book meticulously researched from original sources reveals the astonishing blunders lapses and conscious chicanery that permeated the politics of seven explosive years between 1940 and 1947 Facts from the archives challenge the conventional narrative and disturb the conspiratorial silence used to protect the image of famous icons Gandhi's Hinduism The Struggle Against Jinnah's Islam delves into both the ideology and the personality of those who shaped the fate of a region between Iran and Burma It is essential reading for anyone interested in modern Indian history and the past as a prelude to the future

The Islamic State of Khorasan and the Prospect of Nuclear Jihad against Russia and Central Asia Musa Khan Jalalzai, 2020-02-07 Daesh is worse than the Taliban which is now trying to bring a new ideology as Daeshism which is anti Islam This book brings out the alarming situation of presence of Daesh in Pakistan and its expanding activities It serves the international community as a reminder the role they need to play in crushing this monster

The SAGE Handbook of Asian Foreign Policy Takashi Inoguchi, 2021-08-04 Comprising 60.3 percent of the world's 7.2 billion population Asia is an enigma to many in the West Hugely dynamic in its demographic economic technological and financial development its changes are as rapid as they are diverse The SAGE Handbook of Asian Foreign Policy provides the reader with a clear balanced and comprehensive overview

on Asia's foreign policy and accompanying theoretical trends Placing the diverse and dynamic substance of Asia's international relations first and bringing together an authoritative assembly of contributors from across the world this is a reliable introduction to non Western intellectual traditions in Asia VOLUME 1 PART 1 Theories PART 2 Themes PART 3 Transnational Politics PART 4 Domestic Politics PART 5 Transnational Economics VOLUME 2 PART 6 Foreign Policies of Asian States Part 6a East Asia Part 6b Southeast Asia Part 6c South Central Asia Part 7 Offshore Actors Part 8 Bilateral Issues Part 9 Comparison of Asian Sub Regions

Perilous Partners Ted Galen Carpenter, Malou Innocent, 2015-09-22 American leaders have cooperated with regimes around the world that are to varying degrees repressive or corrupt Such cooperation is said to serve the national interest But these partnerships also contravene the nation's commitments to democratic governance civil liberties and free markets During the Cold War policymakers were casual about sacrificing important values for less than compelling strategic rationales Since the 9/11 attacks similar ethical compromises have taken place although policymakers now seem more selective than their Cold War era counterparts Americans want a foreign policy that pursues national interests while observing American values How might that reconciliation of interest and morality be accomplished In *Perilous Partners* authors Ted Galen Carpenter and Malou Innocent provide a strategy for resolving the ethical dilemmas between interests and values faced by Washington They propose maintaining an arm's length relationship with authoritarian regimes emphasizing that the United States must not operate internationally in ways that routinely pollute American values It is a strategy based on ethical pragmatism which is the best way to reconcile America's strategic interests and its fundamental values *Perilous Partners* creates a strategy for conducting an effective U.S. foreign policy without betraying fundamental American values

Pakistan's Birth & Allama Mashraqi Nasim Yousaf, 2005 Allama Mashraqi Inayatullah Khan sage of the East was among few courageous leaders who bravely fought for the independence of India that resulted in the creation of Pakistan and India Mashraqi's role prior to and after the partition of India is vital to the history of the Indian sub continent He was founder of Khaksar Tehreek Movement founded in 1930 and Islam League founded after independence Mashraqi devoted his life to the uplift of the common man He was not only an outstanding leader of the 20th century but also one of the greatest revolutionaries visionaries scholars and mathematicians that emerged in that part of the world Mashraqi's genius was proven when early on when he set unprecedented academic records at the Cambridge University U.K. There he completed four Triposes in five years with distinction He was declared a Bachelor Scholar Foundation Scholar and a Wrangler It is believed that his academic records at this University are yet to be surpassed He returned to India after his education and within a few years in 1917 at age 29 he was appointed Under Secretary Education Dept in British India The British offered him Ambassadorship to Afghanistan in 1920 and the title of Sir in 1921 However he declined both offers and opted to represent and fight for the masses Mashraqi was also among great speakers and writers and his monumental work is *Tazkirah Tazkira* an interpretation of the Holy Quran from a scientific perspective Indeed these

credentials speak of a man born with astounding skills and exceptional abilities Such personalities are born once in centuries Mashraqi s followers and supporters ran in millions He passed away in 1963 and well over 100 000 people came to attend his funeral and mourn his demise With his death an important chapter of Pakistan and India s history closed as he played a vital role in both the pre and post independence eras Though Mashraqi passed away people will continue to be inspired by this legendary personality May his soul rest in peace Allama Mashriqi s legacy is immortal Nasim Yousaf Pakistan s Birth Part I Export to USA Part II Import from Pakistan Import Part I Export to U S A Part II Import from Pakistan Importing Gifts Housewares Decorative Accessories from Hong Kong Export Housewares Gifts Decorative Accessories to the United States of America under print Articles on Allama Mashraqi and the Khaksar Tehreek Extracts from his research have been published on the web sites dedicated to Allama Mashriqi and Dr Akhtar Hameed Khan **Pax Gandhiana** Anthony J Parel,2018-01-02 Notwithstanding his contributions to religion nonviolence civil rights and civil disobedience among other areas Gandhi s most significant contribution is that as a political philosopher While he is not often treated as such Gandhi was as Anthony J Parel argues a political philosopher sui generis both in his philosophical method of constant self criticism and his framework of philosophical analysis Gandhi wrote daily on politics but he did so as an activist political philosophy was to him not just a way of understanding truths of political phenomena but was directly related to understanding those truths in action If realized in action these truths would give rise to new political institutions which in turn would create a corresponding peaceful political and social order Parel dubs this order Pax Gandhiana The main contention of Pax Gandhiana is that peace cannot be achieved by politics alone Peace requires the confluence of the canonical ends of life politics and economics artha ethics dharma forms of pleasure kama and the pursuit of spiritual transcendence moksha Modern political philosophy isolates politics from the other three ends but Gandhi s originality according to Parel lies in the way that he brings all four together In fact Gandhi s political philosophy is relevant not only to India but also to the rest of the world it is a new type of sovereignty that harmonizes the interest of individual states with the community of states Arguing against scholars who dispute a theoretical unity in Gandhi s writings Parel suggests that Gandhi is the preeminent non western political philosopher and in this book he seeks to identify the conceptual framework of Gandhi s political philosophy the Pax Gandhiana A Political and Economic Dictionary of South Asia Jivanta Schottli,Subrata K. Mitra,Siegried Wolf,2015-05-08 Thanks to its emerging markets nuclearization and the internet revolution South Asia is increasingly at the forefront of current affairs This invaluable reference source seeks to make the region accessible to business travellers as well as to the general reader The range of subjects to be covered includes major political processes and events of South Asia elections and electoral politics political slang political parties diplomacy and territorial divisions domestic and foreign policy key personalities political and economic institutions sub national groupings and units regions cities provinces and rural entities ethnicity and identity and legal systems laws and court cases Key features Terms which are frequently misunderstood in the

political and economic processes of South Asia are explained clearly and succinctly More than 1 000 entries covering the key debates issues concepts and institutions Entries include Bharatiya Janata Party BJP Caste System Corruption dalits Electoral System Federalism Hindu Muslim relation India US Relation Kashmir Liberation Tigers of Tamil Eelam LTTE Nuclearization Privatization Reserve Bank of India Sikh Untouchability Urbanization Atal Behari Vajpayee Countries covered in this volume include Bangladesh Bhutan India Maldives Nepal Pakistan and Sri Lanka

Unbattled Fears: Reckoning the National Security Sumit Walia,2021-02-16 Strategic thinking has not been part of our national discourse Till the end of 20th century there were a very few public or private think tanks discussing the challenges our nation faced There was no private news channel till 1999 and when they started they went about doing their news business Lack of strategic thinking was apparent during 1962 war with China when we had clear indications of heinous moves and design of China The Indian Army had submitted reports highlighting the Chinese threat but it all fell on deaf ears The Prime Minister of the time thumped the table and said It is not the job of Commander in Chief to tell the Government who will attack India China will never attack us rather China would come to our rescue if needed You should concentrate on Pakistan Rest is history Successive governments did not learn the lesson Strategic and National Security matters were still prerogative of government institutions Till 2000 there were a few government funded or private think tanks United Service Institution of India Indian Direct Selling Association Indian Defence Review etc working on this vital subject New think tanks came up but their reach was limited There appears to be much more interest in masses now than what it was 20 years ago This book is a compilation of articles written on different subjects It is divided in four sections every section dealing with a different subject Readers should consider the backdrop date given at the first page of every chapter This will help putting things in the right perspective

Field Marshal KM Cariappa Brig CB Khanduri,2013-10-11 Field Marshal K M Cariappa His Life and Times narrates for the first time the full story of the life and times of India s first Commander in Chief a soldier and a diplomat and above all a patriot Coming immediately after his death at the age of 93 this assiduously researched biography gives a total insight into his life and deeds that have immortalised him Cariappa s life has been a fascinating compound of character luck and circumstances His meteoric rise from 1947 to the pinnacle enabled him to frame the Indian Army and other services into his mould of tenacity and resilience The book devotes itself adequately to episodes of his one man crusade to let the Armed Forces remain undivided for the duration of the Partition in 1947 when everyone was bent on doing so Aspersion was cast freely on his political ambition at that time As C in C his skirmish with the politically supported bureaucracy to safeguard the dignity of his office had repercussions on civilmilitary relations but he steadfastly stuck to his position Hearing Nehru say that the Chinese will safeguard the northern border and that he as C in C should worry about J K and Pakistan shook him and he could see how removed the leader was from strategic reality Here then is a book on the life and times of Cariappa in which there is a balanced blend of biography and history which is punctuated by human episodes anecdotes and

reminiscences *Mawlana Mawdudi and Political Islam* Roy Jackson, 2010-10-04 Mawlana Mawdudi was one of the most influential and important Islamic thinkers of the 20th century whose brand of political Islam has won widespread acceptance in South and South East Asia as well as the Middle East This book is the first to critically engage and assess his career and legacy It includes coverage of his early life and influences and examines his considerable influence in the contemporary Islamic world BJP Today ,2000

Pakistan From Jinnah To Jihad Jihad Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Pakistan From Jinnah To Jihad Jihad PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that

while accessing free Pakistan From Jinnah To Jihad Jihad PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Pakistan From Jinnah To Jihad Jihad free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Pakistan From Jinnah To Jihad Jihad Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Pakistan From Jinnah To Jihad Jihad is one of the best book in our library for free trial. We provide copy of Pakistan From Jinnah To Jihad Jihad in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Pakistan From Jinnah To Jihad Jihad. Where to download Pakistan From Jinnah To Jihad Jihad online for free? Are you looking for Pakistan From Jinnah To Jihad Jihad PDF? This is definitely going to save you time and cash in something you should think about.
