## **Pakistan In Perspective 1947 1997:**

**The United States and Pakistan, 1947-2000** Dennis Kux, 2001-06-05 The first comprehensive account of this roller coaster relationship this book is a companion volume to Kux's *Estranged Democracies* recently called the definitive history of Pakistani American relations in the New York Times

**Political Survival in Pakistan** Anas Malik, 2010-10-22 Presenting a framework that incorporates macro level forces into micro level strategic calculations this book explains key political choices by leaders and challengers in Pakistan through the political survival mechanism It offers an explanation for continuing polity weakness in the country and describes how political survival shapes the choices made by the leaders and challengers Using a unique analysis that synthesizes theories of weak states quasi states and political survival the book extends beyond rationalist accounts and the application of choice theoretical approaches to developing countries It challenges the focus on ideology and suggests that diverse religiously and ethnically defined affinity groups have interests that are represented in particular ways in weak state circumstances Extensive interviews with decision makers and polity participants combined with narrative accounts allow the author to examine decision making by leaders in a state bureaucratic machinery context as well as the complex mechanisms by which dissident affinity groups may support quasi state options This study can be used for comparisons in Islamic contexts and presents an interesting contribution to studies on South Asia as well as Political Development

**A Brief History of Pakistan** James Wynbrandt, 2009 From the Publisher A Brief History of Pakistan attempts to answer these questions in a concise yet thorough account By illuminating the nation's past this book offers readers a detailed perspective of Pakistan today and enables them to consider soundly how the country once a birthplace of civilization might change in the future

**From Protest to Freedom** Mokerrom Hossain, 2010-02-21 This book presents the socio political history of birth of Bangladesh It provides a brief summary of the roles the Bengali Muslims played in relation to British rule and the Pakistan movement It narrates the dynamics that took place during British Colonial administration that inspired the people of this land toward freedom and equality on the basis of modern democratic principles they experienced in whatever limited fashion during the British rule It also illuminates the people's expectations that with the replacement of Colonial democracy they could establish true democracy as was exposed through the writings of Western scholars It provides a summary of how the hopes and aspirations of the East Pakistani Bengalis were shattered due to West Pakistani politicians attitudes and actions It provides a description how military rule further alienated East Pakistani Bengalis due to its new form of central government Basic Democracy and how discrimination gave impetus for further protests and agitations It illustrates how economic and social discriminations created disparities and uneven development and how East Pakistani Bengalis responded as a group It explains the rise of Bengali nationalism It is shown how East Pakistani Bengalis were committed to the restoration of a true democratic system of governance as the only way to save Pakistan from disintegration It shows how the downfall of Aga Mohammad Ayub Khan 1907 1974 and the rise of Yahya Khan 1917 1980

were nothing but a change of face and a repeat of deceitfulness It describes the occupation period when the West Pakistani army literally occupied East Pakistani Bengali population It describes how during the occupation period the West Pakistani army committed genocide and how most of the world powers remained indifferent to it Finally a description has been provided of the Mukti Bahin the people's army of East Bengal how it was formed and how it fought against Pakistan's pampered army until the surrender of West Pakistani army and Bangladesh was born This book provides a comprehensive understanding of a long chain of events that ultimately led to the victory on December 16 1971 *Pakistan in Perspective*, 1947-1997 Rafi Raza, 1997 Pakistan has been labelled a failed State This book outlines some important aspects of the first fifty years and shows that it can remain a viable State The various chapters provide not only a short history of developments but also a framework for reappraisal

**An Introduction to South Asian Politics** Neil DeVotta, 2024-02-12 The second edition of this introductory textbook provides students with an overarching understanding of social political and economic institutions of six South Asian countries Afghanistan Bangladesh India Nepal Pakistan and Sri Lanka Using democracy as a prism it evaluates the varied opportunities and constraints facing these states Key features include Introduction to the region The history and development of these South Asian states including evaluations of their democratic trajectories The management of conflict economic development and extremist threats A comparative analysis of the states Projections concerning democracy given evolving challenges The textbook is an indispensable teaching tool for courses on South Asia It includes pedagogical features such as political chronologies political party descriptions text boxes a glossary and suggestions for further reading It is written in an accessible style by country experts thus offering students of South Asian politics a valuable introduction to an exceedingly diverse and complicated region *The Pakistan Paradox* Christophe Jaffrelot, 2016-06-16 The idea of Pakistan stands riddled with tensions Initiated by a small group of select Urdu speaking Muslims who envisioned a unified Islamic state today Pakistan suffers the divisive forces of various separatist movements and religious fundamentalism A small entrenched elite continue to dominate the country's corridors of power and democratic forces and legal institutions remain weak But despite these seemingly insurmountable problems the Islamic Republic of Pakistan continues to endure The Pakistan Paradox is the definitive history of democracy in Pakistan and its survival despite ethnic strife Islamism and deep-seated elitism This edition focuses on three kinds of tensions that are as old as Pakistan itself The tension between the unitary definition of the nation inherited from Jinnah and centrifugal ethnic forces between civilians and army officers who are not always in favour of or against democracy and between the Islamists and those who define Islam only as a cultural identity marker

**The Post-Colonial States of South Asia** Amita Shastri, A. Jeyaratnam Wilson, 2013-01-11 This text discusses the principal political and constitutional questions that have arisen in the states of Bangladesh India Pakistan and Sri Lanka following fifty years of independence In Sri Lanka the pressing problems have been around the inter ethnic civil war experiments with constitutional designs widespread prevalence of corruption and the

recrudescence of Buddhist militancy In India it has been corruption Hindu nationalism and general political instability In Bangladesh and Pakistan it has been the role of the military the state and religion A general theme is an analysis of the malaise that is prevalent and how and why this was inherited despite the colonial legacy of parliamentary democracy the steel framework of a trained bureaucracy the independence of the judiciary and the rule of law The Post-Colonial States of South Asia NA NA,2016-09-27 The chapters in this volume analyse issues relating to political governance national identity economic development and regional security that have preoccupied the states of South Asia in the fifty years following independence India has been faced with the challenge of developing effective democratic structures in the world s most diverse and populous society It confronts tensions in its efforts to carry out economic reforms in a competitive resource scarce context and to maintain its commitment to secularism in the face of the growing influence of Hindu nationalism The role of the military and of religion have complicated the task of stabilising democratic structures and socio economic development in Pakistan and Bangladesh Sri Lanka s political problems have escalated due to the failures of its leadership unsuccessful constitutional experiments and unresolved ethnic differences The transition of Nepal from a centralised monarchy to a participatory political system has generated stresses in its traditional social relations and group rankings The essays by an international groups of scholars explore these themes with a view to highlighting the complex processes of political change and development that are underway in the South Asian states Re-Thinking Punjab Hussain Ahmad Khan,2004-08-01 **The Middle East and South Asia 2019-2020** ,2019-10-09 More than a quarter of the world s population live in the Middle East and South Asia yet our knowledge and understanding of the region is often limited to news updates about the latest conflicts and crises This 53rd edition of the annually updated volume of the World Today Series provides important insights that take the reader beyond the headlines It offers detailed and up to date information about the politics economies and societies of the twenty four states that make up the region Contemporary events are placed in their historical context through an examination of major civilizations and key historical events This volume introduces major themes that have shaped the region including the struggles of ordinary people to achieve democratic rights the role of oil in shaping society burgeoning environmental threats and the rise and fall of the Islamic State caliphate While there is reason for optimism in regards to the Middle East and South Asia this is tempered by the very real challenges that confront the region The general reader will gain an understanding of these challenges and opportunities through an exploration of current and past developments **The Middle East and South Asia 2022-2023** Ilan Pappé,2022-09-18 The World Today Series The Middle East and South Asia More than a quarter of the world s population live in the Middle East and South Asia yet our knowledge and understanding of the region is often limited to news updates about the latest conflicts and crises This edition of the annually updated volume of the World Today Series provides important insights that take the reader beyond the headlines It offers detailed and up to date information about the politics economies and societies of the twenty four states

that make up the region Contemporary events are placed in their historical context through an examination of major civilizations and key historical events This volume introduces major themes that have shaped the region including the struggles of ordinary people to achieve democratic rights the role of oil in shaping society burgeoning environmental threats and the rise and fall of the Islamic State caliphate While there is reason for optimism in regards to the Middle East and South Asia this is tempered by the very real challenges that confront the region The general reader will gain an understanding of these challenges and opportunities through an exploration of current and past developments The Middle East and South Asia 2023-2024 Ilan Pappé, 2023-09-15 The World Today Series The Middle East and South Asia More than a quarter of the world's population live in the Middle East and South Asia yet our knowledge and understanding of the region is often limited to news updates about the latest conflicts and crises This edition of the annually updated volume of the World Today Series provides important insights that take the reader beyond the headlines It offers detailed and up to date information about the politics economies and societies of the twenty four states that make up the region Contemporary events are placed in their historical context through an examination of major civilizations and key historical events This volume introduces major themes that have shaped the region including the struggles of ordinary people to achieve democratic rights the role of oil in shaping society burgeoning environmental threats and the rise and fall of the Islamic State caliphate While there is reason for optimism in regards to the Middle East and South Asia this is tempered by the very real challenges that confront the region The general reader will gain an understanding of these challenges and opportunities through an exploration of current and past developments Pakistan Christophe Jaffrelot, 2002-04 This account of Pakistan's complicated political mosaic focuses on ethnic tensions within the country the Mohajir movement Pashtun and Baloch nationalisms and the Punjabization of the country Contributors also look at the country's complex position within the South Asian region including its foreign policy and the dialectic between domestic and foreign policy and the role of the army The book raises many thought provoking questions including the definition of Palestinian identity the control of the state and the deeply flawed institution of democracy *The Middle East and South Asia 2018-2019* Seth Cantey, 2018-10-26 This annually updated volume of the World Today Series is designed to place in context the passionate controversies and emotional attachments of the two billion people who live study work and die in the Middle East and South Asia Despite room for optimism in some areas many parts of the Middle East and South Asia continue to face extraordinary challenges and difficult outlooks Much of this has to do with conflict across the region which extends well beyond atrocities perpetrated by the Islamic State and the Assad regime in Syria This volume depicts a region where hundreds of millions seek dignity as humans and respect from their governments This volume helps the general reader understand recent and past developments from these countries **The Middle East and South Asia 2020-2022** Elisabeth Yarbakhsh, 2021-09-15 The World Today Series The Middle East and South Asia More than a quarter of the world's population live in the Middle East and South Asia yet our knowledge and understanding of the

region is often limited to news updates about the latest conflicts and crises This edition of the annually updated volume of the World Today Series provides important insights that take the reader beyond the headlines It offers detailed and up to date information about the politics economies and societies of the twenty four states that make up the region Contemporary events are placed in their historical context through an examination of major civilizations and key historical events This volume introduces major themes that have shaped the region including the struggles of ordinary people to achieve democratic rights the role of oil in shaping society burgeoning environmental threats and the rise and fall of the Islamic State caliphate While there is reason for optimism in regards to the Middle East and South Asia this is tempered by the very real challenges that confront the region The general reader will gain an understanding of these challenges and opportunities through an exploration of current and past developments *The Middle East and South Asia 2017-2018* Seth

Cantey,2017-08-25 This volume is designed to place in context the passionate controversies and emotional attachments of the two billion people who live study work love and die in the Middle East and South Asia Understanding these regions means more than annually updated details of the governments politics cultures and economies of the twenty four nations and assorted territories Special chapters address significant issues of continuing international importance including access to water the role of oil and the 2011 Arab spring Both regions after all contain types of people misunderstood and often intensely disliked by others Where religion intrudes on politics the Afghan Taliban oppose educating girls Hindu fanatics rampage in India Iranian militiamen shoot demonstrators Islamic extremists impose sharia and Jewish Ultra Orthodox send women to the back of the bus readers bombarded with superficial news bites and slanted reporting might never sense the other accomplishments of these same societies Islamic charities and societies bring relief to the impoverished Israel s scholars win Nobel prizes and most Indians cherish long standing religious toleration The author of this volume attempts to let the reader draw conclusions from the evidence **Pakistan Perspectives** ,2005 Pakistan, Regional Security and

Conflict Resolution Farooq Yousaf,2020-10-20 This book explains how colonial legacies and the postcolonial state of Pakistan negatively influenced the socio political and cultural dynamics and the security situation in Pakistan s Pashtun tribal areas formerly known as the Federally Administered Tribal Areas FATA It offers a local perspective on peace and conflict resolution in Pakistan s Pashtun tribal region Discussing the history and background of the former FATA region the role of Pashtun conflict resolution mechanism of Jirga and the persistence of colonial era Frontier Crimes Regulations FCR in the region the author argues that the persistence of colonial legacies in the Pashtun tribal areas especially the FCR coupled with the overarching influence of the military on security policy has negatively impacted the security situation in the region By focusing on the Jirga and Jirga based Lashkars or Pashtun militias the book demonstrates how Pashtuns have engaged in their own initiatives to handle the rise of militancy in their region Moreover the book contends that even after the introduction of constitutional reforms and FATA s merger with the Khyber Pakhtunkhwa province little has changed in the

region especially regarding the treatment of tribal Pashtuns as equal citizens of Pakistan This book explains in detail why indigenous methods of peace and conflict resolution such as the Jirga could play some role towards long term peace in the South Asian region Historically and contextually informed with a focus on North West Pakistan this book will be of interest to academics researching South Asian Studies International Relations Peace and Conflict Studies terrorism and traditional justice and restorative forms of peace making      *Arms Control in the Asia-Pacific Region* USAF Institute for National Security Studies, 1999
