The struggle for independence by minorities in the Middle East: those people who are non-Arab or non-Muslim are affecting the political climate around the world. War and terrorism are threatening the safety of many minority communities, and repression of minorities still remains standard state policy in some countries. This updated and revised edition of the 1991 original provides a wealth of historical and political detail for all the indigenous peoples of the Middle East. Pressed to persist in a threatening environment, these minorities—Kurds, Berbers, Baluchi, Druzes, Alawites, Armenians, Assyrians, Maronites, Sudanese Christians, Jews, Egyptian Copts, and others—share similar experiences and have been known to cooperate for shared goals. Important events and new trends regarding the welfare of these groups are covered, and numerous oral histories add to the new edition. Instructors considering this book for use in a course may request an examination copy here.

Deadly Impasse Sumit Ganguly, 2016-03-29. What ails the Indo-Pakistani relationship? Rivalry between the two states has persisted since the partition of the British Indian Empire in 1947, and despite negotiations, four wars and multiple crises, India and Pakistan remain locked in a long-standing dispute. Evaluating relations from 1999 through to 2009, Sumit Ganguly seeks to understand this troubled relationship and why efforts at peace-making and conflict resolution, which have included unilateral Indian concessions, have not been more fruitful. Charting key sources of tension throughout the decade, including the origins and outcomes of the Kargil War in 1999, developments in the Indian-controlled portion of the state of Kashmir, the attack on the Indian parliament in December 2001, and the onset of the 2001-2 crisis, *Deadly Impasse* sets out to discover whether the roots of this hostile relationship stem from security dilemmas or reflect the dynamics between a status quo power and a predatory state.
