THE FUTURES OF DEMOCRACY IN PAKISTAN

A liberal perspective

Inayatullah, Sarah Inayatullah and Sohail Inayatullah

Due to the domination of state institutions over political institutions, Pakistan has not experienced a steady consolidation of democracy over its fifty year history. This is manifest in the lack of roots of constitutionalism, the absence of fully autonomous judiciary, a well developed party system and regularly held fair elections. Recent political developments such as the gradual withdrawal of state institutions particularly the military from the political arena, greater assertiveness of the judiciary, parliaments' curtailment of president powers and rising political consciousness among the people have brightened the chances of survival of democracy in the country. Its further consolidation will depend on the capacity of elected leaders to address the serious problems of ethnic and religious dissensions, financial vulnerability, heavy indebtedness, skyrocketing inflation and serious economic disparities. © 1997 Elsevier Science Ltd. All rights reserved

The recent 1997 fair elections in Pakistan, the introduction of the 13th amendment depriving the President of several powers including that of the dismissal of the National Assembly, the continuing commitment to democracy by the most significant and powerful groups and organisations and the existence of formal institutions associated with liberal

Inayatullah is a retired United Nations Researcher. His academic interests include theory of ethnicity, democracy in Pakistan, development of social sciences in Pakistan and elections in Pakistan. Sarah Inayatullah recently finished her M.Phil from Quaid-i-Azam University. They can be reached at: 3, ST-18, F-7-2, Islamabad, Pakistan (email: inayat@bazar.sdnipk.undp.org). Sohail Inayatullah is a frequent contributor to *Futures* and in 1992 guest edited a special issue of *Futures* on the futures of South Asia. He can be reached at The Communication Centre, Queensland University of Technology, Box 2434, Brisbane, Queensland, 4001, Australia (Tel: +61 7 3864 2192; fax: +61 7 3864 1813; email: s.inayatullah@qut.edu.au).

Pakistans March To Democracy And Liberalism

Lutfi Sunar

Pakistans March To Democracy And Liberalism:

Pakistan's March to Democracy and Liberalism K. K. Bhardwaj, 1996 The Idea Of Creating A Separate State For The Muslims Of The Indian Sub Continent Was Conceived And Promoted By The Poet And Philosopher Dr Mohammed Iqbal In 1930 And Was Incorporated In The Programme Of The Muslim League In 1940 Through The Famous Lahore Resolution Of The 23Rd March Pakistan Came Into Being As An Independent Sovereign State On August 14 1947 Made Up Of Areas Where The Majority Of Population Professed Islam And Which Were Situated In The North West And North East Of The Sub Continent In An Interview To Doon Campbell Reuter S Correspondent In Delhi In 1946 The Quaid E Azam Mohammad Ali Jinnah The Father Of The Nation Stated Very Clearly That The New State Would Be A Modern Democratic State With A Parliamentary Form Of Government On The British Pattern The Military Rule Of Pakistan By Ayub Khan And Yahaya Khan Continued For Thirteen Years Up Till The Secession Of East Pakistan And Formation Of Bangladesh That Brought Zulfikar Ali Bhutto In Power Four Years Later The Military General Zia Ul Haqsnatched Power From Him He Gave Internal Stability To The Country And Improved Its Image Abroad It Was Unfortunate That He Died In An Air Crash Near Bhawalpur In August 1988 Ghulam Ishaq Khan Succeeded Him As The President Of Pakistan He Ordered The General Elections In The Country Which Brought Pakistan People S Party To Power And Benazir Bhutto Became The Prime Minister It Is Indeed Encouraging That The General Election Of October 1993 Was Held In A Free And Fearless Atmosphere Brought Into Power Benazir Bhutto Again The Pakistan People S Party In Coalition With Other Splinter Groups Forming The Government Thus Pakistan Stands Today On The Threshold Of A Very Bright Future With An Established Two Party System Of The West Minister Model Under The Stewardship Of Two Young Leaders Benazir Bhutto And Nawaz Sharif Of New Generation The Present Study Pakistan S March To Democracy And Liberalism Provides A Penetrating Account Of The Political Developments Spread Over Last Five Decades It Is Both An Interesting And Instructive Study For Political Analysts At Home And Abroad To Foster Better Understanding Of Pakistan

Encyclopaedia of Eminent Thinkers K. S. Bharathi, 1998 In Indian context Encyclopedeia of Eminent Thinkers K. S. Bharathi, 1998 In Indian context *Public Accounting and Auditing* K. K. (Kanwal Kishore) Bhardwaj, 2002 Pakistan: Caught in the Whirlwind Wg Cdr C Deepak Dogra, 2015-12-09 This book is indeed a critical analysis of history of political development of Pakistan The hypothesis floated in the book seeking peaceful coexistence of two people who are identical in more than one way finds it difficult to sustain in wake of the political absurdities being committed by certain imprudent elements With more Muslims in India Pakistan has long lost its postulation that it was carved out of British India as a nation for Indian Muslims The two nation theory which saw its silent burial after partition of Pakistan had been based on a faulty proposition that Hindus and Muslims of India were two distinct nationalities Post formation its nation building has gone through twists and turns of political turbulence that has been discussed in detail in this book Besides focusing on the infamous military regimes the author has also analyzed socio political upbringing of this nation under popular

governments Having discussed the foreign policy dilemmas of the country its role in pre and post Taliban Afghanistan has also been dwelled upon Nation s obsession with K word seems to have shut all its routes to rationality and prosperity besides denying it the privilege of peaceful coexistence with its parent country The author has also attempted to look through the frosted glass to perceive possible future scenario for the nation that continues to remain an uncertainty *The Journal of Parliamentary Information* ,1997

Pakistan's ISI Julian Richards,2024-09-02 An introduction to Pakistan s ISI which has been both an essential ally and problematic partner of the United States Forged during the tumultuous aftermath of Partition in 1947 the Inter Services Intelligence Directorate ISI has grown to become the preeminent intelligence service in Pakistan Its capabilities are comprehensive its remit covers both foreign and domestic intelligence and it is one of the most feared and respected agencies of the Global South Pakistan s ISI provides an up to date and detailed introduction to the ISI and its historical evolution The narrative is rooted in a deep and wide ranging contextualization of the state of Pakistan and its security environment The story is one of an agency that grew from humble beginnings into an extremely capable and robust force at the heart of power in the state The ISI utilizes broad human intelligence networks and employs covert action and support for militants particularly in its rivalry with India As a crucial intelligence partner for the West during the Cold War and into the contemporary era the ISI has been both an essential ally and problematic partner The shadow of this agency continues to loom over Pakistan s democratic institutions This book will appeal to students scholars and general readers interested in intelligence and the politics and history of South Asia The Future of Pakistan Stephen P. Cohen,2011-10-01

With each passing day Pakistan becomes an even more crucial player in world affairs Home of the world s second largest Muslim population epicenter of the global jihad location of perhaps the planet s most dangerous borderlands and armed with nuclear weapons this South Asian nation will go a long way toward determining what the world looks like ten years from now The Future of Pakistan presents and evaluates several scenarios for how the country will develop evolve and act in the near future as well as the geopolitical implications of each Led by renowned South Asia expert Stephen P Cohen a team of authoritative contributors looks at several pieces of the Pakistan puzzle The book begins with Cohen s broad yet detailed overview of Pakistan placing it within the context of current day geopolitics and international economics Cohen s piece is then followed by a number of shorter more tightly focused essays addressing more specific issues of concern Cohen s fellow contributors hail from America Europe India and Pakistan itself giving the book a uniquely international and comparative perspective They address critical factors such as the role and impact of radical groups and militants developments in specific key regions such as Punjab and the rugged frontier with Afghanistan and the influence of and interactions with India Pakistan s archrival since birth The book also breaks down relations with other international powers such as China and the United States The all important military and internal security apparatus come under scrutiny as do rapidly morphing social and gender issues Political and party developments are examined along with the often amorphous division of power between

Islamabad and the nation's regions and local powers Uncertainty about Pakistan's trajectory persists The Future of Pakistan helps us understand the current circumstances the relevant actors and their motivation the critic *US-Pakistan Relations* Sadia Sulaiman,2025-05-30 The US Pakistan ties have historically fluctuated due to third party involvement A significant trust deficit has resulted from the lack of bilateral push in the relationships Both the countries attempted to change the direction of their interaction after understanding this major issue in their relationship particularly following the US pullout from Afghanistan in 2021 The book traces the troubled history of the US Pakistan relationship and projects its future with an emphasis on issues beyond security that will bring the two countries people closer together and bridge the trust gap

Religion and Politics in Pakistan Leonard Binder,2023-07-28 This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1961 **The Muslim World Book Review** ,1999 Law, State and Inequality in Pakistan Muhammad Azeem,2017-07-02 Through a detailed historical and empirical account of post independence years this book offers a new assessment of the role of the judiciary in Pakistani politics Instead of seeing the judiciary as helpless or struggling against an authoritarian state it argues that the judiciary has been a crucial link in the creation of state and political inequality in Pakistan This rubs against the central role given to the judiciary in developing countries to fix the corrupt politicians and stubborn bureaucracies in the World Bank's Good Governance paradigm and rule of law initiatives It also challenges the contemporary legal and judicial discourse that extols the virtues of Public Interest Litigation While the book's core analysis is a critique of the contemporary liberal legal project it also adds to the critical tradition of social theory by linking political economy to a social theory of law The theoretical aspect of the study is applicable to any developing society whose judiciary is going through foreign sponsored rule of law judicial reforms *Imagining Pakistan* Rasul Bakhsh Rais,2017-08-30 *Imagining Pakistan* argues that the creation of Pakistan is a result of Muslim modernism in the Subcontinent as it defined the struggle for identity nationalism and empowerment of Muslim communities This modernist movement represented the ideals of inclusivity equal rights a liberal constitutional framework and a shared sense of political community among diverse ethnic and regional groups However while this modernity was the ideal of Pakistan's founders it faced resistance from Islamists obsessed with recovering a past legacy of lost Muslim glory A major threat to political modernism also came from the military that wanted to create a strong and secure Pakistan through controlled democracy Multiple interventions by the military and deviations from the foundational republican ideas left Pakistan in the rough sea of power struggles causing institutional decay and creating space for the rise of radical Islam *Imagining Pakistan* analyzes the institutional imbalance between the military and the civilian groups the idea of the security state and the Islamist social forces and movements that have been engaged in the politics of Islamic revival It

argues that Pakistan's stability, security and progress will depend on pursuing the path of political modernity. Although the restoration of parliamentary democracy and the resilience of the Pakistani society are hopeful signs, resolving the critical issues that Pakistan faces today will require consolidation of democracy, better leadership and a moderate and modernist vision of both the state and the society. Federalist Solutions to Pakistan's Political Crises Sikander Ahmed Shah, 2024-04-30. *Federalist Solutions to Pakistan's Political Crises* investigates the transformative potential of communal democratic norms within Pakistan's politico-economic sphere. Analyzing the current consociational structure which inordinately predicates federal organization on ethnic identity, the book reveals the particular challenges facing Pakistan exacerbated by the imposition of neoliberal norms on its society and economy. Advocating for a localized centripetalist model, Sikander Ahmed Shah proposes leveraging power sharing to counter the prevailing hegemonic trends and to foster greater sociocultural cohesion within Pakistan's diverse polity. This model entails dividing Pakistan's federal provinces into smaller, diverse entities more reflective of their particular constituent demographics while integrating key democratic principles such as distributive justice, grassroots democracy, minority protections and multiculturalism into its governance structures. The book explores Pakistan's civil-military asymmetry, emphasizing the influential role of the military establishment and its intertwined relationship with preexisting inter-ethnic tensions. The analysis also extends to the China-Pakistan Economic Corridor (CPEC), examining its impact on Pakistan's federal structure, socio-economic fabric and civil-military dynamics within the context of China's distinctive economy. Throughout the work, it seeks to provide locally relevant and indigenously viable solutions for positive and equitable outcomes, challenging historical power imbalances that have marginalized certain groups in Pakistan. *Forces of Fortune* Seyyed Vali Reza Nasr, 2009-09-15. Leading authority on the Islamic world and influential advisor to the Obama administration, Vali Nasr shows that the West's best hope of winning the battle against Islamic extremists is to foster the growth of a vibrant new Muslim middle class. This flourishing of Muslim bourgeoisie is reshaping the mind-set, politics and even the religious values of Muslims in much the same way the Western bourgeoisie led the capitalist and democratic revolution in Europe. Whereas extremism has grown out of the dismal economic failures of the authoritarian Islamic regimes, Nasr explains the wealth and aspirations of this Islamic critical middle put them squarely at odds with extremism. They have ushered in remarkable transformations already in Dubai, Turkey and Indonesia, and they are the key to tipping the balance in both Iran and Pakistan. As he writes, the great battle for the soul of the Muslim world will be fought not over religion but over market capitalism. **Pakistan after Trump** Saloni Kapur, 2021-03-08. Since 9/11, the international narrative on Pakistan has painted a picture of a country that is a safe haven for terrorists and a state sponsor of terrorism that plays a double game as it pretends to fight militant Islamist extremists while nurturing them in its backyard. This discourse came to prominence in January 2018 when US President Donald Trump famously tweeted that his country had foolishly provided military aid to Pakistan since 2001 in return for which Pakistan had given safe haven to the terrorists; they

hunt in Afghanistan This book questions this dominant narrative by showing how the great powers the United States the United Kingdom China India Saudi Arabia and Iran have directly caused the emergence of a militant ecosystem in Pakistan Drawing on interviews with journalists diplomats academics military officers and government officials it argues that it is Pakistanis who have borne the brunt of terrorist violence especially since 9 11 The book uses the English School of International Relations concept of great power responsibility to explore how powerful states could help fight militancy in Pakistan holistically It highlights the Pakistani military's effort to rehabilitate young militants and posits that international society must support not only hard counterterrorism through military aid but also soft counterterrorism such as rehabilitation to address the root causes of radicalisation With the Trump administration's suspension of military aid to Pakistan this timely book offers guidance for policymakers in both the West and Asia on how best to approach Pakistan's security quagmire

Pakistan at the Crossroads Christophe Jaffrelot, 2016-06-29 In *Pakistan at the Crossroads* top international scholars assess Pakistan's politics economics and the challenges faced by its civil and military leaders domestically and diplomatically Contributors examine the state's handling of internal threats tensions between civilians and the military strategies of political parties police and law enforcement reform trends in judicial activism the rise of border conflicts economic challenges financial entanglements with foreign powers and diplomatic relations with India China Iran Saudi Arabia Afghanistan and the United States This volume is critical to grasping the sophisticated interplay of internal and external forces complicating the country's recent trajectory

David E. Lilienthal: The Journey of an American Liberal Steven Neuse, 2019-08-16 Over the course of a career that stretched from the early 1920s through the late 1970s David Eli Lilienthal 1899 1981 became a larger than life symbol of American liberalism Born in Morton Illinois to Jewish immigrants from what later became Czechoslovakia Lilienthal attended DePauw University and Harvard Law School After practicing labor and public utility law in Chicago Governor Philip La Follette appointed him to the Wisconsin Public Service Commission in 1931 In 1933 President Roosevelt appointed Lilienthal as one of three founding directors of the Tennessee Valley Authority In 1946 President Truman appointed him as the first chairman of the Atomic Energy Commission Lilienthal left public service in 1950 but continued applying the TVA concept of coordinated development including dams irrigation flood control and electric generation via his consulting firm Development and Research Corporation which operated internationally including in Iran under the Shah This biography is a study of a fascinating man who in his long career embodied the achievements and tragedy of mid century American liberalism The author has mastered his sources and produced a wonderful portrait of a man and his times Erwin C Hargrove Vanderbilt University Steven Neuse's biography of David Lilienthal fills an important gap in the history of twentieth century American liberalism It is a perceptive analysis of a complex character William Bruce Wheeler University of Tennessee A well written exhaustively researched and balanced perspective of Lilienthal Steven Neuse has written one of the best studies to date on a prominent twentieth century American and one that will be cited for many years

to come Michael V Namorato University of Mississippi Journal of American History In this exemplary biography Neuse illuminates Lilienthal's road to influence This book merits the attention of all serious students of 20th century American democracy M J Birkner Gettysburg College Choice Neuse offers a superbly crafted discussion of Lilienthal's time as TVA commissioner and traces the evolving controversies and achievements of TVA with exemplary clarity A wise and wide ranging book Based on an enviable command of private papers personal interviews and government documents it is incomparably the finest existing study of this complicated and remarkable American and of absorbing interest to anyone interested in the New Deal atomic politics or the travails of American liberalism at home and abroad in the late twentieth century Georgia Historical Quarterly A splendidly perceptive analysis of this consummate bureaucratic politician and liberal who managed constructive programs in a destructive world Journal of East Tennessee History A quite readable biography based on enormous research this book is important and deserves a wide readership Howard P Segal University of Maine Nature Neuse has performed a very important service in providing scholars with a life and times chronicle of Lilienthal Neuse's account is impressively researched his prose admirably lucid Neuse's study stands as proof that narrative biography is still a vibrant scholarly enterprise Gregory Field University of Michigan Technology and Culture This is a well written extensively documented informative narrative on a fascinating man John Minton Western Kentucky University Tennessee Historical Quarterly Steven Neuse's exhaustive study of David Lilienthal is the much needed and definitive biography of a highly significant figure the very personification of American liberalism and grassroots democracy All twentieth century scholars must master it and the general reader will be fascinated by this sensitive tale of a tortured crusader who dreamed so expansively and felt so deeply Roy Talbert Jr Coastal Carolina University *The Routledge International Handbook of Contemporary Muslim Socio-Political Thought* Lutfi Sunar, 2021-08-30 This volume unfolds the ebbs and flows of Muslim thought in different regions of the world as well as the struggles between the different intellectual discourses that have surfaced against this backdrop With a focus on Turkey Egypt Iran and the Indian subcontinent regions that in spite of their particular histories and forms of thought are uniquely placed as a mosaic that illustrates the intertwined nature of the development of Muslim socio political thought it sheds light on the swing between right and left in different regions the debates surrounding nationalism the influence of socialism and liberalism the rise of Islamism and the conflict between state bureaucracy and social movements Exploring themes of civil society and democracy it also considers current trends in Muslim thought and possible future directions As such it will appeal to scholars across the fields of sociology anthropology political science history and political economy as well as those with interests in the study of religion the development of Muslim thought and the transformation of Muslim societies in recent decades **India-Pakistan Negotiations** Dennis Kux, 2006 This book provides a historical and current review of the trends of six key India Pakistan negotiations largely over shared resources and political boundaries

Pakistans March To Democracy And Liberalism Introduction

In todays digital age, the availability of Pakistans March To Democracy And Liberalism books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Pakistans March To Democracy And Liberalism books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Pakistans March To Democracy And Liberalism books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Pakistans March To Democracy And Liberalism versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Pakistans March To Democracy And Liberalism books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether youre a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Pakistans March To Democracy And Liberalism books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a

wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Pakistans March To Democracy And Liberalism books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Pakistans March To Democracy And Liberalism books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Pakistans March To Democracy And Liberalism books and manuals for download and embark on your journey of knowledge?

FAQs About Pakistans March To Democracy And Liberalism Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
