Stack, 2013-05 AFTER SUCCESSFUL MILITARY CAREER SGT COSGROVE reflects back on an almost impossible mission he took part in as a young soldier in Korea During which he kills After his wife passed away and his daughter left him he finds himself more and more disinterested in the successful business that he created His mind keeps drifting back to that snow covered field on that cold day over 40 years ago The rush of men yelling bullets flying thinking of death he decides to track down the four men that he saved that day and see how their lives turned out In doing so he enters into a complicated and dangerous situation created by the lives of the men and their families and the lives they lived and died

*The Scary Mason-Dixon Line* Trudier Harris, 2009-06-01 New Yorker James Baldwin once declared that a black man can look at a map of the United States contemplate the area south of the Mason Dixon Line and thus scare himself to death In *The Scary Mason Dixon Line* renowned literary scholar Trudier Harris explores why black writers whether born in Mississippi New York or elsewhere have consistently both loved and hated the South Harris explains that for these authors the South represents not so much a place or even a culture as a rite of passage Not one of them can consider himself or herself a true African American writer without confronting the idea of the South in a decisive way Harris considers native born black southerners Raymond Andrews Ernest J Gaines Edward P Jones Tayari Jones Yusef Komunyakaa Randall Kenan and Phyllis Alesia Perry and nonsouthern writers James Baldwin Sherley Anne Williams and Octavia E Butler The works Harris examines date from Baldwin's *Blues for Mr Charlie* 1964 to Edward P Jones's *The Known World* 2003 By including Komunyakaa's poems and Baldwin's play as well as male and female authors Harris demonstrates that the writers' preoccupation with the South cuts across lines of genre and gender Whether their writings focus on slavery migration from the South to the North or violence on southern soil and whether they celebrate the triumph of black southern heritage over repression or castigate the South for its treatment of blacks these authors cannot escape the call of the South Indeed Harris asserts that creative engagement with the South represents a defining characteristic of African American writing A singular work by one of the foremost literary scholars writing today *The Scary Mason Dixon Line* superbly demonstrates how history and memory continue to figure powerfully in African American literary creativity

*Breaker Morant* Peter FitzSimons,2020-10-27 The epic story of the Boer War and Harry Breaker Morant drover horseman bush poet murderer or hero Most Australians have heard of the Boer War and of Harry Breaker Morant a figure who rivals Ned Kelly as an archetypal Australian folk hero But Morant was a complicated man Born in England and immigrating to

Queensland in 1883 he established a reputation as a rider polo player and poet who submitted ballads to The Bulletin and counted Banjo Paterson as a friend Travelling on his wits and the goodwill of others Morant was quick to act when appeals were made for horsemen to serve in the war in South Africa He joined up first with the South Australian Mounted Rifles and then with a South African irregular unit the Bushveldt Carbineers The adventure would not go as Breaker planned In October 1901 Lieutenant Harry Morant and two other Australians Lieutenants Peter Handcock and George Witton were arrested for the murder of Boer prisoners Morant and Handcock were court martialled and executed in February 1902 as the Boer War was in its closing stages but the debate over their convictions continues to this day With his masterful command of story Peter FitzSimons takes us to the harsh landscape of southern Africa and into the bloody action of war against an unpredictable force using modern commando tactics The truths FitzSimons uncovers about the Breaker and the part he played in the Boer War are astonishing and finally we will know if the Breaker was a hero a cad a scapegoat or a criminal

*White Ethics and Black Power* William W. Ellis, 2017-09-29 The disparity between the ideal a democratic America and the reality racial oppression and poverty is so great that serious voices among blacks students and others challenged the ethical foundations of the nation in the 1960s Local political organizations emerging out of black ghettos led a black revolt asserting a revolutionary black nationalism rather than social reform and integration For those blacks white America could no longer dictate right and wrong and certainly could no longer tell blacks how best to pursue their goals This feeling was so strong among the adherents of the new militant movements formed under the political symbolism of black power that they questioned all white ethical institutions These new movements bargained and contended with whites even worked closely with them for many purposes but always with suspicion and caution *White Ethics and Black Power* describes racial relations during this period It examines the careers and philosophies of the leadership of a community organization illuminating the complex relationship between white America and the new black power movements between America and its interpretation of itself on the one hand and the experience of black and oppressed peoples in America on the other Redefining social science as a means through education and research of improving the quality of American life William Ellis derides non participatory social science as a hoax and asks the social scientist to make clear his moral commitment to the people he studies or to the establishment that funds him Controversial in its ideology its passion and its scorn of racist America this volume remains the only openly partisan social scientific analysis into the nature of this American crisis Readers may not agree with the views expressed by the author but they cannot ignore this book s relevance to any understanding of black white relationships Unique in the literature *White Ethics and Black Power* not only explains black power but offers hope for meaningful change

**Dear Da-Lê** Anh Duong, 2024-09-21 In an intensely revealing memoir written for his Canadian daughter a man breaks a lifetime of silence about the traumas of his childhood in war torn Vietnam and his years as a refugee in revolutionary Iran Spanning decades and generations this heartfelt memoir began as a series of letters from a worried father Anh Duong had witnessed terrible things as a child during the Vietnam War and later as a refugee in Iran during the revolution of the late 1970s But like many in the Vietnamese diaspora he had remained silent about his experiences believing that trauma was better left unspoken However when his daughter became involved in student protests Duong felt compelled to speak about his own experience of uprisings In precise prose Dear Da L moves along a taut narrative thread that begins with Duong's birth in 1953 and ends with his arrival frayed and broke in Canada in 1980 With surprising moments of hope and tenderness amid brutal divisions the author creates a coming of age story intertwined with the human costs of war and exile Its revelations are sure to resonate not only with the generation born to refugees of the Vietnam War but with anyone seeking to understand the lasting often hidden torments of violent conflict and the healing that can take place in the act of telling

*The Investigation Officer's File* Dallas Clark, 2021-02-04 When Ricardo Jackson reported for duty with the Third Marine Division in Vietnam his biggest fear was being shipped home in a coffin It never occurred to him that he would be transferred in handcuffs and leg irons from Vietnam to the federal prison at Fort Leavenworth Kansas to serve 20 years for the convictions of charges relating to the murder of a marine officer After Woody White earned his commission as a second lieutenant in the Marines he completed his training and reported to the Third

Marine Division in Vietnam to serve as a legal defense attorney even though he had never tried a case Woody White was the only thing standing between Ricardo Jackson and twenty years at the federal prison at Fort Leavenworth and time was running out     *History of the East Kent Volunteers* Sir Charles Igglesden, 1899
