Bailey,2021-10-27 Some heroes are born others are made but the greatest heroes are unlikely and they know it Unlikely Heroes gathers a few of these heroes tales in one impossible volume Master of the Flying Broom While the other martial ascetics of Guai Lu practiced their physical and spiritual disciplines Kensaro swept mopped and dusted imagining he was slaying monsters saving villagers and meting out justice Until the demons came and his broom was called to action Demon Hunter Chet has a problem A few of them in fact He's been kicked out of his order of holy knights He's depressed he's let himself go and he has something of an inferiority complex Can Chet pick himself up off the couch long enough to do what other demon hunters can't and save his order Only time and lots of pizza will tell Gnomegeddon After graduating with his after post archmagus degree Arcwhistle Goldpulley has everything a gnome technowizard could want and more except some excitement That is until he discovers a new opportunity the life of a secret agent gnome True heroes make the seemingly impossible possible No matter how unlikely
