

Palestinian Refugees The Right Of Return

Mutaz M. Qafisheh

Palestinian Refugees The Right Of Return:

Palestinian Refugees Naseer Aruri, 2001-07-20 With contributions from a range of international experts including Edward W Said Noam Chomsky Ilan Pappé Alain Gresh and Norman Finkelstein this collection examines the Palestinians right of return Chapters cover the historical roots of the Palestinian refugee question the rights of the refugees under international law the special case of Lebanon Israeli perceptions of the refugee question the practical feasibility of the return the role of the United States and the European Union and the Refugee Question the value of the refugee property the principles of compensation and a programme for an Independent Rights Campaign

Palestinian Refugees Robert Bowker, 2003 Encompassing history politics and political culture Bowker grapples with fundamental issues of Palestinian identity in the context of the peace process

Housing and Property Restitution Rights of Refugees and Displaced Persons Scott Leckie, 2007-05-28 The legal recognition of the housing land and property rights of refugees and displaced persons has expanded steadily in recent years as the realization has grown that securing these rights will be beneficial to long term peace stability economic vitality and justice This volume first published in 2007 contains more than 240 of the laws cases and materials that have been adopted during the past century which accord those unjustly and arbitrarily displaced from their homes and lands with rights not simply to return to their countries or places of origin but to return to the original home land or property from which they were initially forced to flee The breadth of the restitution standards found within this volume combined with selected examples of case law and other materials are a clear indication that a right to housing land and property restitution for refugees and displaced persons has emerged within the global legal domain

Palestinian Refugees Ghada Hashem Talhami, 2003 The main goal of this book is to record as much of the Palestinian refugees political history as possible The author is becoming increasingly aware of the ebb and flow of general interest in the refugee issue and the strong possibility of subsuming that chapter in the larger Palestinian story As the PLO itself moved further and further away from the refugee constituency it became necessary to examine and define the impact of the refugee issue on the larger Palestinian political picture for indeed as it turned out they were always a tremendous influence on the course of Palestinian and Arab history Although they lost their leadership positions within the PLO as the latter became increasingly elitist and bureaucratic the powerless refugees apparently never lost the means to influence the course of Palestinian history This book relies heavily on early State Department dispatches Israeli Foreign Office correspondence early accounts of the stirrings of a refugee movement in Jordan and declarations statements and studies of the Badil Research Centre and some right of return groups Also investigated is much of the known literature to emerge from the secretive Oslo negotiations and the reverberations produced by their deliberations throughout the Palestinian diaspora The resilience of the refugee question should never be questioned or declared until one of two things happened either the obliteration or dispersal of concentrated refugee communities became a reality or the Palestinian refugees accepted a resolution of some kind or another

Palestinian Refugees in International Law Francesca P. Albanese, Lex Takkenberg, 2020-05-21 The Palestinian refugee question resulting from the events surrounding the birth of the state of Israel seventy years ago remains one of the largest and most protracted refugee crises of the post WWII era Numbering over six million in the Middle East alone Palestinian refugees status varies considerably according to the state or territory hosting them the UN agency assisting them and political circumstances surrounding the Israeli Palestinian conflict these refugees are naturally associated with Despite being foundational to both the experience of the Palestinian refugees and the resolution of their plight international law is often side lined in political discussions concerning their fate This compelling new book building on the seminal contribution of the first edition 1998 offers a clear and comprehensive analysis of various areas of international law including refugee law human rights law humanitarian law the law relating to stateless persons principles related to internally displaced persons as well as notions of international criminal law and probes their relevance to the provision of international protection for Palestinian refugees and their quest for durable solutions Compensation to Palestinian Refugees and the Search for Palestinian-Israeli Peace Rex Brynen, Roula El-Rifai, 2013-02-06 One of the core aspects of the Palestinian refugee question is that of compensation or reparations for Palestinian refugees forcibly displaced by the establishment of Israel The Nakba saw the displacement of 85% of the Palestinian Arab population and the descendants of these displaced peoples numbers almost 5 million Despite the gravity of the situation and the importance of restorative justice many of the complex technical issues compensation would entail have not received adequate attention Applying their expertise and looking at past examples of claims mechanisms a rich variety of contributors including Palestinian Israeli and international scholars analysts and former officials examine the topic from an array of legal economic and political perspectives Answering questions such as How would property losses be recovered What about displaced persons within Israel What would the Israeli response be to reparations The contributors cast new and important light on the way the issue has been approached in past negotiations the structure of possible compensation regimes and potential challenges and obstacles to implementation *Israel and the Palestinian Refugees* Eyal Benvenisti, Chaim Gans, Sari Hanafi, 2007-02-17 This edited book offers diverse perspectives on the Palestinian refugee problem and the possible ways to facilitate its resolution The book contains contributions of Israeli Palestinian and other scholars and its main goal is to initiate an informed dialogue that will bridge the knowledge gap between the different camps The book is the cul nation of a joint effort to assist people to realize how people on the other side envision the problem and the possible ways to resolve it and to gain a comparative perspective on refugee problems and their reso tion efforts in other parts of the world The contributors come from verse disciplines and backgrounds and their various contributions p vide a comprehensive picture of the various aspects of the problem and of the possible means of its resolution The Palestinian refugees problem is perhaps the most acute challenge to a peaceful settlement of the Israeli Palestinian conflict It is a challenge that scholars must address in a calm and detached manner but at the same time a deeply

emotional matter that even the most sophisticated scholars find difficult to engage without compromising their academic integrity. Despite these difficulties we undertook the task of convening a meeting where the papers were presented and of the publication of this book because we think the contributions in this book provide perspectives that contribute to the initiation of a constructive dialogue among the relevant communities.

Palestinian Refugees Rex Brynen, Roula El-Rifai, 2007. The Palestinian refugee issue remains a central component of the Arab Israeli conflict. This book explores the demographic and developmental challenges which the return of refugees to a future Palestinian state would generate.

Tackling the Intractable Michael Chiller-Glaus, 2007. Finding a solution to the issue of Palestinian refugees has remained the main hurdle for an Israeli Palestinian peace settlement. This book represents a comprehensive political analysis of the Palestinian refugee issue. It tackles the matter on four dimensions. First the historical context of the Palestinian exodus in both 1948 and 1967 is reviewed. Second the question is traced whether there exists a Palestinian right of return according to international law. Third an examination is presented regarding how and why the issue of refugees has remained a stumbling block during the Israeli Palestinian peace talks. Fourth the main part of the book analyses potential solutions to the refugee question complementing the existing proposals with models developed by the author. What are their implications for both sides? What are the advantages and disadvantages of each proposal to Israelis and Palestinians respectively? What is the relevance of each proposal as a mutually acceptable solution? Finally a set of recommendations and guide lines for future Israeli Palestinian negotiations on refugees is presented. Overall this study constitutes a valuable reference for anyone interested in a solution of the most intractable aspect of the Israeli Palestinian conflict.

The Right of Return of the Palestinian Refugee in International Law and Politics Cynthia A Holt, 2025-05-22. In 1949 at Lausanne the United Nations Conciliation Committee urged Israel to permit Palestinian refugees from the 1948 war to return home. Initially Israel admitted 8 000 refugees based on family reunification and offered to admit 100 000 additional refugees of the 600 000 to 750 000 who had left. When the U N urged Israel to admit more Israel withdrew the offer. The Palestinian struggle to realize their right of return has lived on ever since. Palestinian refugees were caught in a struggle between a new State of Israel which saw the Palestinian Arabs as a threat to national identity and security and their Arab neighbors who for the most part refused to assimilate the Palestinians on the position that it would mean recognizing a state that they wished to annihilate and giving up on the dreams of hundreds of thousands of refugees who wished to go home. This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact and remains as true to the original work as possible. Therefore you will see the original copyright references, library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work. Qafisheh,2008 By the end of British rule in Palestine on 14 May 1948 Palestinian nationality had become well established in accordance with both domestic law and international law Accordingly the legal origin of Palestinian nationality lies in this nearly thirty year period as the status of Palestinians has never been settled since Hence any legal consideration on the future status of individuals who once held Palestinian nationality should start from the point at which the British rule over Palestine was terminated This work provides a legal basis for future settlement of the status of Palestinians of all categories that emerged in some sixty years following the end of the Palestine Mandate Israeli citizens inhabitants of the occupied territory and Palestinian refugees In conclusion nationality as regulated by Britain in Palestine represents an international status that cannot be legally altered except in accordance with international law *The Palestinian Refugees* J.

Ginat,Edward Joseph Perkins,2001 As violence escalates in the Middle East a peace agreement between Israel and Palestine seems more elusive than ever Yet one thing remains clear without constructive dialogue such an agreement cannot occur This timely volume presents just such a dialogue It brings together opinions perspectives and research focused on one of the region s most complex and volatile problems the Palestinian refugee situation Based on a 1999 conference at the University of Oklahoma International Program Center Palestinian Refugees combines contributions from Israelis Palestinians Jordanians Egyptians Americans and Europeans In addition to focusing on the Palestinian refugees the essays present various proposals for solving the Palestinian problem Organized in two parts the volume presents both scholarly essays and position papers The scholarly essays place current issues in historical context and explore the Palestinian belief in the right of return and questions of appropriate compensation The position papers focus on policy and offer a variety of perspectives Concluding the volume is a special essay on public polls that gauge how Palestinians and Israelis view the circumstances of Palestinian refugees and what they feel about possible solutions Returning Home: Housing and Property Restitution Rights for

Refugees and Displaced Persons Scott Leckie,2021-11-15 This volume is a unique effort to cover the topic of the restitution of housing and property in light of lessons learned in the Balkans South Africa East Timor and in a range of other countries that have made the shift from conflict to peace Individual chapters by authors with direct experience dealing with housing and property restitution in particular contexts will bring into focus the legal and human rights aspects of this question All parties involved in human rights refugee assistance post conflict reconstruction and reconciliation and property rights will find this volume to be an indispensable resource now that housing and property restitution is viewed as an essential element of post conflict reconstruction and a primary means of reversing ethnic cleansing The Palestinians Cheryl Rubenberg,2003 A

forceful penetrating critique of the Oslo Accords and their devastating aftermath *Palestinian Refugees* Are Knudsen, Sari Hanafi, 2010-11-05 More than four million Palestinian refugees live in protracted exile across the Middle East Taking a regional approach to Palestinian refugee exile and alienation across the Levant this book proposes a new understanding of the spatial and political dimensions of refugee camps across the Middle East Combining critical scholarship with ethnographic insight the essays uncover host states marginalisation of stateless refugees and shed light on new terminology on refugees migration and diaspora studies The impact on the refugee community is detailed in novel studies of refugee identity memory and practice and new legal approaches to compensation and right of return The book opens a critical debate on key concepts and proposes a new understanding of the spatial and political dimensions of refugee camps better understood as laboratories of Palestinian society and state in making This strong collection of original essays is an essential resource for scholars and students in refugee studies forced migration disaster studies legal anthropology urban studies international law and Middle East history *The Israel-Palestine Conflict* Elizabeth Matthews, 2011-03-21 The conflict between the Israelis and the Palestinians is considered intractable by many and is frequently characterised by the violence between the two sides In attempts at peace the starting point for negotiations is a cessation of violence beneath this however lies a plethora of other issues to be addressed This unique text brings together Israeli and Palestinian viewpoints on a number of key issues and topics making clear the points of agreement as well as the views that divide The chapters deal first with three issues that require compromise and resolution for a peace treaty to be realized water refugees and borders territory and settlements and then with three important concepts that can either impede or promote peace democracy human rights and peace culture and education Thus the book provides an invaluable opportunity to understand at least in part the divergent and even convergent interests and understandings of Israelis and Palestinians on issues and concepts important to the peace process As such it will be a valuable resource for courses on conflict resolution the Middle East peace process and political science **Think Palestine** Jamil Effarah, 2013-09-13 Dr Effarahs weekly editorials and articles in this volume are based on developing events that took place involving the USA Administrations and their policies of support to Israel in the conflicts among Palestinians Arabs and Israelis This book is intended to those students teachers politicians executives policy makers and others who are interested or involved in the Middle East Dr Effarah interprets these events and policies as reflected by his six years 2007 2012 of writings that started since 1952 As an Arab American independent thinker he judges events according to their merits while acting as a participant observer to the one sided American policy toward the Middle East He records and highlights the facts in an attempt to find the key to unlock the Palestinian Arab and Israeli conflicts His personal feelings and interpretations towards the proceedings represent a major part in presenting the events that took place in that period Dr Effarah attempts to create a voice for Arab Americans to stand up and be counted and act as an integral part of the American society He keeps pressing for more American Arab participation in the political process for more

transparency and for faster and farther reaching to the Americans hearts and minds by trying to make them understand the Arabs situations and Arab Christian Patrimony culture and heritage Dr Effarah attempts to create an Arab American balanced policy to reach Americans and convince them that there are special interests groups and influential lobbyists in Washington D C who misinform media and try to spin around while beholding to the fabricated Israeli points of view To counterbalance the Zionist efforts Arab Americans should think Palestine and ask the American citizens to find answers for why the American citizens the taxpayers give money outright to Israel more than 8 5 million per day according to the CIA Factbook in 2012

The Struggle for Sovereignty Joel Beinin, Rebecca L. Stein, 2006 This book examines political social and cultural changes in Palestine and Israel from the 1993 Oslo Accords through the second Palestinian uprising and the death of Yasser Arafat It also explains the failures of the Oslo process and considers the prospects for a just and lasting peace in the region

Introduction to the Issue of Palestinian Refugees Dr. Mohsen Mohammad Saleh, 2019-02-17 The 72 page book discusses the historical backgrounds of the Palestine issue and the emergence of the Palestinian refugee issue It is mainly based on two lectures delivered by Dr Mohsen Saleh at The Academy of Refugee Studies providing rich material for scholars and activists interested in the Palestine issue This book offers a clear definition of the land and people of Palestine and refutes the Jews alleged historical claims to Palestine It discusses the emergence of Zionism the role of Britain in consolidating the Zionist project the partition of Palestine the emergence of the Palestinian National Movement and Palestine s war of 1948 It responds to the allegations that the Palestinians left their homeland willingly The Introduction to the Issue of Palestinian Refugees offers facts and statistics of the number of Palestinian refugees and a map of their residence worldwide It is noted here that half of the Palestinian people live abroad more than third have a refugee status and more than two million refugees from the 1948 occupied territories live in the West Bank and the Gaza Strip It studies the international resolutions that tackled the Palestinian refugees issue and sheds light on the peace process This book adheres to scientific and professional standards It includes rich information and updated statistics and provides the readers with many tables and charts

The United Nations and the Question of Palestine Ardi Imseis, 2023-11-30 Contrary to conventional wisdom there has been a continuing though vacillating gulf between the requirements of international law and the UN on the question of Palestine This book explores the UN s management of the longest running problem on its agenda critically assessing tensions between the organization s position and international law What forms has the UN s failure to respect international law taken and with what implications The author critically interrogates the received wisdom regarding the UN s fealty to the international rule of law in favour of what is described as an international rule by law This book demonstrates that through the actions of the UN Palestine and its people have been committed to a state of what the author calls international legal subalternity according to which the promise of justice through international law is repeatedly proffered under a cloak of political legitimacy furnished by the international community but its realization is interminably withheld

Ignite the flame of optimism with Crafted by is motivational masterpiece, **Palestinian Refugees The Right Of Return** . In a downloadable PDF format (Download in PDF: *), this ebook is a beacon of encouragement. Download now and let the words propel you towards a brighter, more motivated tomorrow.

Palestinian Refugees The Right Of Return Introduction

In today's digital age, the availability of Palestinian Refugees The Right Of Return books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Palestinian Refugees The Right Of Return books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Palestinian Refugees The Right Of Return books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Palestinian Refugees The Right Of Return versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation.

Furthermore, Palestinian Refugees The Right Of Return books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Palestinian Refugees The Right Of Return books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Palestinian Refugees The Right Of Return books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical

documents. In conclusion, Palestinian Refugees The Right Of Return books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Palestinian Refugees The Right Of Return books and manuals for download and embark on your journey of knowledge?

FAQs About Palestinian Refugees The Right Of Return Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Palestinian Refugees The Right Of Return is one of the best book in our library for free trial. We provide copy of Palestinian Refugees The Right Of Return in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Palestinian Refugees The Right Of Return. Where to download Palestinian Refugees The Right Of Return online for free? Are you looking for Palestinian Refugees The Right Of Return PDF? This is definitely going to save you time and cash in something you should think about.
