Matej's Journey to America Donald F. Chmelka, 2002-11-19 Matej s Journey to America is a creative nonfiction chronicle exploring the forces that drove our immigrant ancestors to new lands After Adam and Eve s eviction from Eden man slowly scattered with a great dispersion occurring about 2700 BC as the Lord confounded the tongues of presumptuous Babylonians building a tower to heaven Among the afflicted was an Aryan slave named Chmelka who was growing hops chmel in the new Slavic language to flavor beer for his Semitic masters As the Slavs fled northward toward unknown Czech lands other tribes migrated in all directions According to The Book of Mormon the righteous Jared took a Semitic clan from Babel across the mountains deserts and oceans to a New World later named America Another Semitic clan that passed through Babylon 850 years later included a young Abraham destined to be the patriarch of Judaism Christianity and Islam He introduced the concept of a single God revered by all his religious descendants but despite their many commonalties each of these three great religions seem convinced it has the only correct formula for salvation justifying incredible atrocities with God always on its side The descendants of the first Chmelka struggled as great civilizations developed and fell through the turmoil and bloodshed of the Dark Ages Marco Polo awakened Europe in the late 13th century to the riches of the Far East giving rise to explorers like Christopher Columbus who stumbled onto the North American Continent in 1492 The Protestant Reformation began to divide the Holy Roman Empire at the time adding to the bloodshed as Austria Prussia and France fought for domination in Europe Meanwhile Spain England and France were colonizing and competing for control in the New World that was becoming home to an increasing number of European emigrants looking for a better life The American Colonies fought for independence and then began to absorb all lands from the Atlantic to the Pacific Thomas Jefferson

ingredients are fueling it greed corruption revenge and power which spell the Illuminati As my epic journey begins inside the spoon of dirty politics in January 2003 I will unknowingly walk directly inside the spiritual warfare of the principality of evil by the inner circle of the Illuminati With the Living God standing by me I have survived my journey God wants the rest of the world to be prepared for what lies ahead Evil and dirty politics can be defeated That is why I have been chosen by God to expose my story to the world of what I personally witnessed Following the Equator (A Journey around the World) Mark Twain,1889 A happy and interesting jumble is this book of Mark Twain s It is like a lucky bag at a fair In his zigzag journey around the world the humorist has made a collection of odds and ends of fun philosophy and fantastic description such as has never been gathered in the pages of a single book and any one dipping in at random is sure of a prize The heterogeneous mass has some pretense of being loosely strung together but it is on a line as long as the Equator itself It is a traveler s miscellany a globe trotter s hotch potch a sociologist s cabinet of specimens all bearing the quaint labelings of the creator of Pudd nhead Wilson Here is a rare bit of humor surreptitiously picked up in a New Zealand drawing room there a sample fragment of a life tragedy which the trophy hunter knocked off Molokai This division of the cabinet contains an incident from the stage door of a New York theater that next to it a unique string of anecdotes of tiger hunting in Baroda And according to the labels many of the specimens were picked up in very unexpected places as for instance the yarn about Barnum which the collector found in Delagoa bay But wherever found or however incongruously grouped this cabinet of odds and ends of life is one of the most interesting and unique collections ever made by a traveler My Improbable Journey to America Jarvis Sankalan Mengarpuan,2021-11-08 Author Sankalan was in the sixth grade when his guardians threw him out of their government owned house in the picturesque community of Germany Kakata Liberia West Africa Why Because he went to borrow a uniform from his friend to sit for the Liberian Government national examinations designed for sixth ninth and twelfth graders in the sixties and seventies Booker Washington Institute BWI campus was the site of the exams The old uniform he had showed his naked anatomy in public which was not only humiliating but embarrassingly inappropriate in such public arena How did he continue school as an independent homeless youth in his home country Liberia What difficult circumstances did he experience in Liberia during his formative years in the quest of education What propelled him to undertake this incredible journey to the United States of America a country in which many Africans or Liberians believe that Money grows on trees a country in which people are territorial by nature and protective of their personal space a country in which the culture values are diametrically opposed to the African or Liberian way of life How did he maintain his moral integrity to his family after he was pressured to engage in an illegal marriage proposal to obtain permanent resident status Green Card in his first year in the America And how did he successfully complete his educational journey with perseverance despite insurmountable problems along his path in the US Answers to these questions are chronicled in this riveting account of an intrepid Liberian in his book My Improbable Journey to America A Memoir of Reflections **Question Papers ... at**
