The Men Who Raised the Bar Chris Waters, 2020-12-10 Few sporting records capture the imagination quite like that of the highest individual score in Test cricket. It is the blue riband record of batting achievement, the ultimate statement of stamina and skill. From Charles Bannerman who scored 165 for Australia against England in the inaugural Test match in 1877 to Brian Lara who made 400 not out for West Indies against England in 2004, the record has changed hands ten times. Chris Waters' *The Men Who Raised the Bar* charts the growth of the record through nearly one hundred and fifty years of Test cricket. It is a journey that takes in a legendary line of famous names including Sir Donald Bradman, Sir Leonard Hutton, Sir Garfield Sobers and Walter Hammond, along with less heralded players whose stories are brought back into the light. Drawing on the reflections of the record holders, Waters profiles the men who raised the bar and their historic performances.

A Fourth Innings with Cardus Neville Cardus, 2012-02-01 In this another collection of classic cricket writing by Sir Neville Cardus, he urges that the game itself is more important than winning; players should fully express themselves in the game, and he writes about those players who delight the senses: Hurst and Hutton, McCabe and Compton. There are essays on the Indians, West Indians and the 1948 Australians who Cardus considered the best team ever to visit England. An outstanding article describes an innings by Compton that he believed to be champagne for the connoisseur, ginger pop for the boys.

The Immortals of English Cricket Bill Ricquier, 2021-06-23 In *The Immortals of English Cricket*, Bill Ricquier tells the cricketing life stories of eleven of England's greatest male cricketers. Ricquier selects his Immortal English team from players who didn't just dominate; they changed the game with their sheer will. Those portrayed include Jack Hobbs, the highest run scorer in the history of first class cricket; Ian Botham, who was the most famous sportsman in the country in the 1980s; and James Anderson, England's leading Test wicket taker. Selected also is Wilfred Rhodes, the legendary slow left arm bowler who made almost 40,000 first class runs and took over 4,000 first class wickets, and the extraordinary Fred Trueman, described as the finest bloody fast bowler that ever drew breath. *The Immortals of English Cricket* will inspire discussion, debate and controversy, but indisputably represents a team of remarkable skill and character, one to proudly represent the Crown and Three Lions on any Elysian field.

Harold Larwood Duncan Hamilton, 2017-02-02 Winner of the William Hill Sports Book of the Year, this is the first ever biography of Harold Larwood. Larwood, one of the most talented, accurate and intimidating fast bowlers of all time, is mainly remembered for his role in the infamous Bodyline series of 1932-3, which brought Anglo-Australian diplomatic relations to the brink of collapse. Larwood was made the scapegoat, and despite the fact he was simply following his captain's instructions, he never played cricket for England again. Devastated by this betrayal, he eventually emigrated to Australia where he was accepted by the country that had once despised him. Acclaimed author Duncan Hamilton has gained unprecedented access to the late sportsman's family and archives to tell the story of a true working class hero and cricketing legend.

A Last English Summer Duncan Hamilton, 2011-04-28 From matches played on a village green to

the high church splendour of Lord's in A Last English Summer award winning author Duncan Hamilton preserves the 2009 cricket season a seminal convulsive time in the sport's history In prose by turns reflective and glorious he remembers all we have lost whilst displaying an overwhelming love for the game that stands out on every page 10 for 10 Chris Waters,2014-06-05 Hedley Verity was one of Yorkshire and England's greatest cricketers In a career that ran from 1930 to 1939 the left arm spin bowler took 1 956 wickets at an average of 14 90 Verity was chiefly responsible for England's only Ashes victory at Lord's in the 20th century when his 15 wickets helped to win the 1934 Test 14 of them captured in a single day And he dismissed the legendary Australian batsman Don Bradman more times than anyone in Test cricket claiming his wicket on eight occasions and a record equalling 10 times in first class cricket But the high water mark of Verity's career came during a long forgotten County Championship match in 1932 On the Headingley ground near his birthplace Verity returned staggering figures of 10 for 10 against Nottinghamshire a world record that still stands Now for the first time the story of this amazing game has been told as Chris Waters narrates it in relation to Verity's career a career that ended with the outbreak of a war in which Verity was tragically killed at the age of 38 Warm and wistful charming and colourful 10 for 10 Hedley Verity and the story of cricket's greatest bowling feat honours the history of our summer sport *The Man Who Knew Infinity* Robert Kanigel,2016-04-26 A biography of the Indian mathematician Srinivasa Ramanujan The book gives a detailed account of his upbringing in India his mathematical achievements and his mathematical collaboration with English mathematician G H Hardy The book also reviews the life of Hardy and the academic culture of Cambridge University during the early twentieth century **Cardus on Cricket** Neville Cardus,2012-02-01 Included are the imaginative reconstruction of the 1882 England and Australia test match to Cardus's descriptions of village cricket accounts of the great players that Cardus watched play from Donald Bradman and Harold Larwood to Wally Hammond to examples of his Shastbury writings Chosen and introduced by Sir Rupert Hart Davis Cardus on Cricket features a range of writings from Cricket Days in the Sun The Summer Game Good Days Australian Summer and The Manchester Guardian **Contemporary Authors** ,1998 **Bookseller and the Stationery Trades' Journal** ,1979 **Listener and BBC Television Review** ,1990-05 **Antiquarian Book Monthly** ,1995 *Scripting Empire* James Procter,2024 A volume on the literary and cultural history of West Indian and West African writing at the BBC The volume covers over 40 different radio programmes which appeared within the Calling West Africa and Calling West Indies schedules between 1941 and 1965 and brings together a wide range of uncatalogued archive materials **Waterstone's Guide to Books** Waterstone & Co,1988 *The Tao of Cricket* Ashis Nandy,2000 Cricket is an Indian game accidentally discovered by the British says Ashis Nandy defying history in this delightful book He treats us to meditations on the history philosophy and results of the game as well as intriguing psychological profiles of some of its greatest players He also extends his analysis to the modern urban industrial ethic and mass culture The School Librarian School Library Association,1980 **Guide to Indian Periodical Literature** ,1980

A Very Popular Exile Ashis Nandy, 2007 This is a collection of three significant works of Ashis Nandy *The Tao of Cricket* *An Ambiguous Journey to the City* and *Traditions Tyranny and Utopias* In *The Tao of Cricket* Nandy shows how a game once identified with the British Empire and a preserve of the British gentry is now more South Asian than English He examines the sneaking entry of the modern urban industrial ethic and mass culture into a game that used to thrive on its ability to be a living critique of modern life Through the story of Indian cricket he attempts a systematic analysis of world views ideologies cultural exchanges and political choices *An Ambiguous Journey to the City* concerned with the apparently territorial journey between the village and the city captures some of the core fantasies and anxieties of Indian civilization over the past century Nandy argues that the decline of the village from the creative imagination of Indians in recent decades has altered the meaning of this journey drastically and that the true potentialities of Indian cosmopolitanism cannot be realized without renegotiating the myth of the village *Traditions Tyranny and Utopias* is a collection of essays on the modern West and its cultural and psychological impact on the East Nandy analyses brilliantly and insightfully aspects of East West relationship from Western visions which have displaced all other ideals of a good society to western histories that have displaced all other pasts of the East Yet the apparently defeated have through the likes Gandhi and Senghor tried to subvert the West's construction of the rest and to ensure cultural survival and an open ended future This volume is essential reading for social scientists policymakers activists and anyone interested in the way Indian politics and culture are now enmeshed with a global struggle to protect human dignity and democratic values This is the third omnibus edition of Ashis Nandy's writings the first two being *Exiled at Home* and *Return from Exile* Jacket
