Pula,1999 The definitive biography of Thaddeus Kosciuszko hero of the American Revolution and the Polish revolt against Russian control in the 1790s **The New Despotism** John Keane,2020-05-12 An Australian Book Review Best Book of the Year A disturbing in depth expos of the antidemocratic practices of despotic governments now sweeping the world One day they ll be like us That was once the West s complacent and self regarding assumption about countries emerging from poverty imperial rule or communism But many have hardened into something very different from liberal democracy what the eminent political thinker John Keane describes as a new form of despotism And one day he warns we may be more like them Drawing on extensive travels interviews and a lifetime of thinking about democracy and its enemies Keane shows how governments from Russia and China through Central Asia to the Middle East and Europe have mastered a formidable combination of political tools that threaten the established ideals and practices of power sharing democracy They mobilize the rhetoric of democracy and win public support for workable forms of government based on patronage dark money steady economic growth sophisticated media controls strangled judiciaries dragnet surveillance and selective violence against their opponents Casting doubt on such fashionable terms as dictatorship autocracy fascism and authoritarianism Keane makes a case for retrieving and refurbishing the old term despotism to make sense of how these regimes function and endure He shows how they cooperate regionally and globally and draw strength from each other s resources while breeding global anxieties and threatening the values and institutions of democracy Like Montesquieu in the eighteenth century Keane stresses the willing complicity of comfortable citizens in all these trends And like Montesquieu he worries that the practices of despotism are closer to home than we care to admit On the Field of Glory Henryk Sienkiewicz,2000 Sienkiewicz one of the greatest storytellers in world literature introduces a memorable cast
