Progress of 20th Century Science Lars Jaeger,2022-09-24 The 70 years from 1880 to 1950 witnessed the final ascent of humankind into the modern age Historically this period is characterized by deep political social and economic crises However parallel to this and much less known in the public rational scientific thinking also experienced the darkest and deepest crisis of its own history All the great modern scientific discoveries like quantum theory genetics and neurology are products of this Ground breaking discoveries profound crises revolutionary thoughts refutation of previously unshakable

beliefs these years are marked by scientific achievements of numerous great minds who overturned our understanding of the world of space time and infinity of life logic and calculability almost overnight The intuitive genius of these pioneers still forms the foundation of today s scientific thinking and technological progress In fact tackling and overcoming those deep scientific crises shaped our modern life like nothing else The resulting reorientation of our understanding of nature and ourselves allowed ancient philosophical questions to appear in a new light What is reality What can we know about the world or What is man s place in nature The most exciting period in the history of science is retold here in an entertaining way

Debating Humankind's Place in Nature, 1860-2000 Richard G. Delisle, 2015-07-14 This text the only one of its kind on the market surveys the development of the field of human evolution from its inception through today It provides students with a broad contrast enabling them to fully understand the value and role of current paleoanthropological research Features An historical approach Establishes for students the nature of paleoanthropology through the historical development of the field from 1860 through 2000 and shows students that paleoanthropology is a remarkably progressive field A focus on the debates in the field of human evolution especially the phylogenetic or genealogical debates Analyzes four distinct debates presented separately from their inception to the present 1 Humankind s place among the primates 2 The place of the australopithecines relative to the human line 3 Debates on human phylogeny proper 4 Proposed scenarios of hominization Presentation and analysis of the viewpoints of over 150 scholars Gives students a valuable reference work for the future includes over 1200 references in the bibliography as well as a comprehensive text for today For junior senior courses in Human Evolution and Paleoanthropology in Anthropology departments

History of Blacks in America Since 1528 Edgar Allan Toppin, 1971 [Encyclopedia of African American History, 1619-1895](#) Paul Finkelman, 2006-04-06 It is impossible to understand America without understanding the history of African Americans In nearly seven hundred entries the Encyclopedia of African American History 1619 1895 documents the full range of the African American experience during that period from the arrival of the first slave ship to the death of Frederick Douglass and shows how all aspects of American culture history and national identity have been profoundly influenced by the experience of African Americans The Encyclopedia covers an extraordinary range of subjects Major topics such as Abolitionism Black Nationalism the Civil War the Dred Scott case Reconstruction Slave Rebellions and Insurrections the

Underground Railroad and Voting Rights are given the in depth treatment one would expect But the encyclopedia also contains hundreds of fascinating entries on less obvious subjects such as the African Grove Theatre Black Seafarers Buffalo Soldiers the Catholic Church and African Americans Cemeteries and Burials Gender Midwifery New York African Free Schools Oratory and Verbal Arts Religion and Slavery the Secret Six and much more In addition the Encyclopedia offers brief biographies of important African Americans as well as white Americans who have played a significant role in African American history from Crispus Attucks John Brown and Henry Ward Beecher to Olaudah Equiano Frederick Douglass Sarah Grimke Sojourner Truth Nat Turner Phillis Wheatley and many others All of the Encyclopedia s alphabetically arranged entries are accessibly written and free of jargon and technical terms To facilitate ease of use many composite entries gather similar topics under one headword The entry for Slave Narratives for example includes three subentries The Slave Narrative in America from the Colonial Period to the Civil War Interpreting Slave Narratives and African and British Slave Narratives A headnote detailing the various subentries introduces each composite entry Selective bibliographies and cross references appear at the end of each article to direct readers to related articles within the Encyclopedia and to primary sources and scholarly works beyond it A topical outline chronology of major events nearly 300 black and white illustrations and comprehensive index further enhance the work s usefulness
