Prosa Des Exprebionismus:

A Companion to the Literature of German Expressionism Neil H. Donahue, 2005 New essays examining the complex period of rich artistic ferment that was German literary Expressionism *German Expressionist Prose* Augustinus P. Dierick, 1987-12-15 An extreme sensitivity to gathering social crisis an accompanying angry enthusiasm for artistic experimentation and renewal this compelling mix in German art poetry and drama of the period 1910 to 1925 continues to draw both scholarly attention and intense popular interest In this book Augustinus Dierick focuses on another significant but hitherto neglected medium of German Expressionist thought short narrative prose in order to illuminate and evaluate the contribution of that genre to one of the twentieth century s most powerful artistic movements Dierick s study includes a thorough analysis of the works of a broad range of Expressionist prose writers from those of such specialists in the genre as Edschmid Heym Benn Loerke Frank Sternheim Ehrenstein and Mynona to the shorter prose works of such major figures as Alfred D blin Heinrich Mann Max Brod and Franz Werfel Dierick isolates the thematic obsessions common among Expressionist writers the pathos of the self in confrontation with nature and with God the tension between self and the institutions of bourgeois society and the attractions and dangers of eroticism Throughout Dierick stresses the interrelationship between themes and their formal expression He examines many apparent excesses in style and tone many aberrations in structure and generic characteristics and identifies them not as needless experimentation but as a necessary result of the attempt to find appropriate forms for extreme situations and complex ideas Dierick s analysis makes clear that Expressionist prose has an intrinsic artistic value and because of certain nuances and different accents must be included in any estimation of the nature and importance of Expressionism as a whole Expressionism as an International Literary Phenomenon Ulrich Weisstein, 1973-01-01 Ulrich Weisstein s collection of 21 essays offers a comparative study of Expressionism as a Modernist movement whose dynamic core lay in Germany and Austria Hungary but which transformed artistic practices in other European countries The focus Weisstein argues must be strictly and sharply aimed at a specific body of works and opinions a relatively dense core surrounded by a less clearly defined fringe zone indigenous to the German speaking countries The volume spans an Expressionist period extending from roughly 1910 to 1925 Weisstein himself contributes two introductory chapters on problems of definition and a thoughtful analysis of English Vorticism An ample context is set by comparative essays concerned with international movements such as Futurism that had an impact on German Expressionist drama prose and poetry together with essays on the adaptation of Expressionist forms in countries such as Poland Russia Hungary South Slavic nations and the United States These essays call attention to representative authors and artists as well as to periodicals and artistic circles Reviewers have praised not only the presentation of literary links and interaction among national cultures but especially the most rewarding interdisciplinary essays on Dada and on Expressionist painting music and film *Utopie und Satire* Jutta Kepser, 1996 Theorizing the Avant-Garde Richard John

Murphy,1999-04-22 In *Modernism Expressionism and Theories of the Avant Garde* Richard Murphy mobilises theories of the postmodern to challenge our understanding of the avant garde He assesses the importance of the avant garde for contemporary culture and for the debates among theorists of postmodernism such as Jameson Eagleton Lyotard and Habermas Murphy reconsiders the classic formulation of the avant garde in Lukacs and Bloch especially their discussion of aesthetic autonomy and investigates the relationship between art and politics via a discussion of Marcuse Adorno and Benjamin Combining close textual readings of a wide range of films as well as works of literature it draws on a rich array of critical theories such as those of Bakhtin Todorov MacCabe Belsey and Raymond Williams This interdisciplinary project will appeal to all those interested in modernist and avant garde movements of the early twentieth century and provides a critical rethinking of the present day controversy regarding postmodernity **Prosa Des Expressionismus** ,1972 Women in German Expressionism Anke Finger,Julie Shoults,2023-08-07 This collection for the first time explores women s self conceptions and representations of women s and gender roles in society in their own Expressionist works How did women approach themes commonly considered to be characteristic of the Expressionist movement and did they address other themes or aesthetics and styles not currently represented in the canon Women in German Expressionism centers its analysis on gender together with difference ethnicity intersectionality and identity to approach artworks and texts in more nuanced ways engaging solidly established theoretical and sociohistorical approaches that enhance and update our understanding of the material under investigation It moves beyond the masculine New Man viewpoint so firmly associated with German Expressionism and examines alternative critical and divergent interpretations of the changing world at the time This collection seeks to broaden the theorization scholarship and reception of German Expressionism by much belatedly including works by women and by shifting or redefining firmly established concepts and topics carrying only the imprint of male authors and artists to this day **Weimar** Walter Laqueur,2017-07-28 The term Weimar culture while generally accepted is in some respects unsatisfactory if only because political and cultural history seldom coincides in time Expressionism was not born with the defeat of the Imperial German army nor is there any obvious connection between abstract painting and atonal music and the escape of the Kaiser nor were the great scientific discoveries triggered off by the proclamation of the Republic in 1919 As the eminent historian Walter Laqueur demonstrates the avant gardism commonly associated with post World War One precedes the Weimar Republic by a decade It would no doubt be easier for the historian if the cultural history of Weimar were identical with the plays and theories of Bertolt Brecht the creations of the Bauhaus and the articles published by the Weltb hne But there were a great many other individuals and groups at work and Laqueur gives a full and vivid accounting of their ideas and activities The realities of Weimar culture comprise the political right as well as the left the universities as well as the literary intelligentsia It would not be complete without occasional glances beyond avant garde thought and creation and their effects upon traditional German social and cultural attitudes and the often violent reactions against Weimar that

would culminate with the rise of Hitler and the fall of the republic in 1933 This authoritative work is of immense importance to anyone interested in the history of Germany in this critical period of the country's life

Democracy, Law and the Modernist Avant-Gardes Sascha Bru, 2009-10-20 This is the first book to look at the ties between European modernism and democracy in a cross cultural manner Focusing on the continental avant gardes of the nineteen tens and twenties Sascha Bru's original and provocative book fundamentally revises our understanding of modernism's cultural and political history Bru brings together a wide range of European experimental writers and provides detailed analyses of Italian futurist F T Marinetti German Dadaist Richard Huelsenbeck and Belgian expressionist Paul van Ostaen Bru locates these writers within their exceptional democratic context and demonstrates how the modernist avant garde during the First World War and the upheavals that followed found itself caught up in a series of states of exception In such states legal democratic institutions were bracketed and set aside and literature as an autonomous realm was temporarily suspended Faced with extreme forms of politicisation avant gardists throughout Europe tried to safeguard literature's autonomy in a variety of ways These included turning politics and law into genuinely artistic materials and producing a repertoire of alternatives to existent frameworks of democracy Against assertions that anti art avant garde gestures were meant to overcome art's autonomy and approximate the condition of politics Bru shows that European avant gardists may well have been one of the staunchest defenders of art's sovereignty in modern times Key Features Facilitates dialogue between Anglo American and European modernist studies Presents new interpretations of Berlin Dada futurism and expressionism and brings an innovative historical framework with which to analyse continental modernism Provides an original perspective on modernist writing and theory during the first decades of the foregoing century Offers in the introductory chapter a survey of ways in which to relate experimental writing to politics

The Cambridge History of German Literature Helen Watanabe-O'Kelly, 2000-06-12 This is the first book to describe German literary history up to the unification of Germany in 1990 It takes a fresh look at the main authors and movements and also asks what Germans in a given period were actually reading and writing what they would have seen at the local theatre or found in the local lending library it includes for example discussions of literature in Latin as well as in German eighteenth century letters and popular novels Nazi literature and radio plays and modern Swiss and Austrian literature A new prominence is given to writing by women Contributors all leading scholars in their field have re examined standard judgements in writing a history for our own times The book is designed for the general reader as well as the advanced student titles and quotations are translated and there is a comprehensive bibliography

The Twentieth Century 1890-1945 Raymond Furness, 2020-01-31 Originally published in 1978 this study presents a detailed analysis of the major literary movements in Austria and Germany from the end of the nineteenth century to the collapse of the Third Reich It examines the plethora of literary genres which marked the transition from the nineteenth to the twentieth century the short lived Naturalist movement rapidly giving way to various forms of symbolism and neo romanticism The situation in Vienna is

studied in detail the concept of modernism vis vis expressionism with special regard to Rilke and Kafka The literature of the Weimar period is also analysed with emphasis on the symphonic novels of the time and the anti illusionist devices of Brecht It also draws a comparison between the literary situation in Nazi Germany and the literature of exile and the positions of Thomas and Heinrich Mann Brecht and Gottfried Benn are examined

Die Prosa Carl Sternheims im Kontext der expressionistischen Moderne Yuan, Yue, 2025-07-17 Mithilfe einer eingehenden Untersuchung des Inhalts der Form und der Sprache seiner Prosa von 1910 bis 1920 stellt die vorliegende Arbeit fest dass diese Prosa in ihrer Ablehnung des bürgerlichen Wirklichkeit und Persönlichkeitsideals und des mimetischen Kunstprinzips stilistische und strukturelle Eigenschaften aufweist die sie zu den relevanten Texten der expressionistischen Moderne zählen lassen By examining in depth the content form and language of his prose from 1910 to 1920 this dissertation establishes that Sternheim's prose in its rejection of the bourgeois ideal of reality and personality and the mimetic principle of art exhibits stylistic and structural characteristics that make it one of the relevant texts of Expressionist Modernism

Theatre and Performance in Austria Ritchie Robertson, Edward Timms, 1993 Through examining the interactions between public performance and national identity it provides a wide ranging account of one of the defining features of Austrian culture

Die narrative Prosa Max Herrmann-Neiße in seiner Berliner Phase (1912-1933): literarische Verfahren im Spiegel kulturhistorischer Parameter Gerold Meischen, 2021-01-01 Wer war Max Herrmann Neie 1886 1941 So sehr die Frage heute berechtigt erscheint so wenig stellte sie sich während der Weimarer Republik konnte der aus Schlesien nach Berlin bergesiedelte Schriftsteller doch als gut vernetzter Lyriker Erzähler Dramatiker und Kritiker auf eine positive Reputation verweisen Die politische Gegnerschaft zum NS Staat zwang ihn Deutschland 1933 zu verlassen und seiner literarischen und gesellschaftlichen Einflussmöglichkeiten beraubt im Londoner Exil zunehmend zu vereinsamen Die vorliegende Bearbeitung konzentriert sich auf die Analyse der narrativen Prosa Max Herrmann Neies der in seinen Texten einen literarischen Blick hinter die Kulissen einer vermeintlichen Bürger Souveränität wirft Dabei zielt der Autor auf eine satirische Desavouierung des kniefällig devoten Kleinbürgers in seiner Anbetung des autoritären Obrigkeitsstaates Im Gegensatz zu manch politischem Roman entwirft Max Herrmann Neie aber keine identifikationsfähigen Helden sondern eher Strauchelnde sozial Marginalisierte die angesichts der Verwerfungen der Moderne den Halt verlieren Der Autor bleibt dabei dem ästhetischen Leitprinzip verhaftet und hofft auf einen Erkenntnisschub des Rezipienten der das auf der Handlungsebene Wahrgenommene gedanklich autonom reflektiert und perspektivisch verarbeitet

Realisms of the Avant-Garde Moritz Baßler, Benedikt Hjartarson, Ursula Frohne, David Ayers, Sascha Bru, 2020-09-21 The historical avant gardes defined themselves largely in terms of their relationship to various versions of realism At first glance modernism primarily seems to take a counter position against realism yet a closer investigation reveals that these relations are more complex This book is dedicated to the links between realism modernism and the avant garde in their international context from the late 19th century up to the present

day *Commodities of Desire* Christiane Schönfeld, 2000 *Commodities of Desire* investigates the figure of the prostitute in modern German literature from the Wilhelmine Empire to the Weimar Republic and provides the social legal and cultural contexts necessary for their interpretation

Writing Between the Lines Eric Robertson, 2023-12-11 This book is the first major study in English of Ren Schickele's work. Hailed by his contemporaries as one of the foremost German language novelists of the inter-war period and celebrated for his Expressionist poetry and his controversial First World War drama *Hans im Schnakenloch*, Schickele also produced socio-critical essays and pioneering editorial work for the pacifist journal *Die Weißen Blätter*. From his literary debuts in fin-de-siècle Strasbourg to the French and German prose fiction of his anti-Nazi exile, Schickele's work reflects his bilingual bicultural upbringing, his vision of Alsace as a symbolic broker of Franco-German peace, and finds its clearest expression in the trilogy of novels *Das Erbe am Rhein*. Schickele remains a paradoxical figure in his own words: a citizen of France and German poet. Through readings of all the major texts, Eric Robertson's study situates Schickele's work within its socio-political and historical context. Particular attention is paid to the personal and political implications of his adoption of German as literary idiom and his reversion to the French mother tongue during the 1930s. Schickele's copious diaries and his correspondence with fellow writers including Thomas Mann, Heinrich Mann, and Stefan Zweig are shown to be especially revealing. Schickele's oeuvre holds a unique and hitherto underrated place in the European writing of his era.

Gender and Politics in Austrian Fiction Ritchie Robertson, Edward Timms, 1996 This volume of essays on Austrian fiction compiled at a time when Austria is forming stronger links within the European Union illustrates a transition from traditional preoccupations with character differences between Austrian and German literature to wider concerns of politics and gender. Fictional treatments of such issues as male homosexuality, problems in feminism, the representation of women in male-authored texts, and anti-war protest are examined both in well-known novels and in little-known works by underrated authors. Many of the authors discussed have received insufficient recognition because they do not fall within a familiar canon of German literature. The specialised research involved in compiling this material is accessible through a series of book reviews included at the end of the volume which range in subject area from the life of an eighteenth-century soldier in the Habsburg service to the continuing discussion on Austrian identity.

The Routledge Companion to Experimental Literature Joe Bray, Alison Gibbons, Brian McHale, 2012-07-26 What is experimental literature? How has experimentation affected the course of literary history and how is it shaping literary expression today? Literary experiment has always been diverse and challenging but never more so than in our age of digital media and social networking when the very category of the literary is coming under intense pressure. How will literature reconfigure itself in the future? The *Routledge Companion to Experimental Literature* maps this expansive and multifaceted field with essays on the history of literary experiment from the beginning of the twentieth century to the present, the impact of new media on literature including multimodal literature, digital fiction, and code poetry, the development of experimental genres from graphic

narratives and found poetry through to gaming and interactive fiction experimental movements from Futurism and Surrealism to Postmodernism Avant Pop and Flarf Shedding new light on often critically neglected terrain the contributors introduce this vibrant area define its current state and offer exciting new perspectives on its future This volume is the ideal introduction for those approaching the study of experimental literature for the first time or looking to further their knowledge

Avantgarde und Moderne 1890-1933 Walter Fähnders, 2016-08-12 Vier wechselvolle Jahrzehnte deutscher Literatur Naturalismus Sthetizismus Fin de Si cle Expressionismus Dada und Neue Sachlichkeit keine andere Epoche der deutschen Literaturgeschichte wurde von so heterogenen Str mungen bestimmt wie die Zeit zwischen Wilhelminismus und dem Ende der Weimarer Republik Das Lehrbuch l sst die einzelnen literarischen Richtungen Revue passieren und verortet bis heute nachwirkende Tendenzen Literatur und Literaturtheorie der Avantgarde und der Moderne werden ausf hrlich erl utert

Prosa Des Exprebionismus Introduction

In the digital age, access to information has become easier than ever before. The ability to download Prosa Des Exprebionismus has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Prosa Des Exprebionismus has opened up a world of possibilities. Downloading Prosa Des Exprebionismus provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Prosa Des Exprebionismus has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Prosa Des Exprebionismus. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Prosa Des Exprebionismus. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Prosa Des Exprebionismus, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Prosa Des Exprebionismus has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Prosa Des Exprebionismus Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Prosa Des Exprebionismus is one of the best book in our library for free trial. We provide copy of Prosa Des Exprebionismus in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Prosa Des Exprebionismus. Where to download Prosa Des Exprebionismus online for free? Are you looking for Prosa Des Exprebionismus PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Prosa Des Exprebionismus. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Prosa Des Exprebionismus are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Prosa Des Exprebionismus. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Prosa Des Exprebionismus To get started finding Prosa Des Exprebionismus, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Prosa Des Exprebionismus So depending on what exactly you are searching, you will be able to choose ebook to suit your

own need. Thank you for reading Prosa Des Exprebionismus. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Prosa Des Exprebionismus, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Prosa Des Exprebionismus is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Prosa Des Exprebionismus is universally compatible with any devices to read.
