*Modernity and the Periodical Press* , 2022-11-07 Between 1880 and 1920 newspapers magazines and journals figured as the most important media for the public discussion of current events as central nodes for the circulation of mass entertainments and as windows into bustling art scenes Periodicals thus presented themselves as crucial media for the negotiation and implementation of cultural modernization processes *Modernity and the Periodical Press* explores this privileged role of the periodical press and focuses in particular on the often neglected intersections between mass print culture and the practices of literary and artistic avant gardes In doing so the volume examines a variety of materials that are shaped by the formats and themes of the periodical press including Modernist little magazines mass marketed scrapbooks advertising campaigns comics and more **Menschen als Hassobjekte** Arletta Szmorhun, Paweł Zimniak, 2022-09-05 Das Spannungsfeld zwischenmenschlicher Beziehungen wirft mit Hass seine pathologischen Schatten Das menschliche Leben kristallisiert sich in seinen individuellen und kollektiven privaten und ffentlichen Manifestationsformen nicht nur um die Semantik en von Freiheit Gleichheit und Br derlichkeit herum Das Primat einer friedlichen Koexistenz von verschiedenen Heimatwelten und der N chstenliebe wird in Zeiten gespaltener Gesellschaften oft in sein Gegenteil verkehrt der Mensch braucht dem Anschein nach immer jemanden nach dem er treten kann Am Beispiel literatur kultur und sprachwissenschaftlicher Analysen wird einerseits hass an getriebenen Gemengelagen von Herkunft Ethnie und Nationalit t Kultur System und Weltanschauung Konfessions und Religionszugeh rigkeit Geschlecht Sexualit t und K rper sthetik

**Autobiographie der Fassung der Erstdrucke** ,1984 **Darwin Becomes Art** Hugh Ridley,2014-05-10 This book analyses Darwin s influence on art and the effect of his science on experiences of beauty The first chapter discusses Darwin s great forerunner Alexander von Humboldt and his contribution to thinking about the relationship between science and beauty The second examines the public reception of Darwin in Germany focusing on the German Naturalists and the important scientific controversies which Darwin s idea provoked It shows the political use of science H ckel and Virchow and foreshadows present day debates between Darwinism and Creationism science and an idealized view of nature Against this background the book shows the effect of Darwin on three important fields the perception of landscape in major writers Zola Lawrence Jacobsen Benn and Brecht before 1920 the portrayal of wild life as revealed in bird painting and the understanding of the relationship between the human body and character The book brings together for the first time Darwin s The Expression of Emotion with the work of major European novelists Eliot Gutzkow and Freytag focusing on the place of the older understandings contained in physiognomy which Darwin challenged on the portrayal of ethnicity and on debates about acting including for the young Brecht **Kafka** Reiner Stach,2016-10-25 The eagerly anticipated final volume of the award winning definitive biography of Franz Kafka How did Kafka become Kafka This eagerly anticipated third and final volume of Reiner Stach s definitive biography of the writer answers that question with more facts and insight than ever before describing the complex personal political and cultural circumstances that shaped the young Franz Kafka 1883 1924 It tells the story of the years from his birth in Prague to the beginning of his professional and literary career in 1910 taking the reader up to just before the breakthrough that resulted in his first masterpieces including The Metamorphosis Brimming with vivid and often startling details Stach s narrative invites readers deep inside this neglected period of Kafka s life The book s richly atmospheric portrait of his German Jewish merchant family and his education psychological development and sexual maturation draws on numerous sources some still unpublished including family letters schoolmates memoirs and early

diaries of his close friend Max Brod The biography also provides a colorful panorama of Kafka's wider world especially the convoluted politics and culture of Prague Before World War I Kafka lived in a society at the threshold of modernity but torn by conflict and Stach provides poignant details of how the adolescent Kafka witnessed violent outbreaks of anti-Semitism and nationalism The reader also learns how he developed a passionate interest in new technologies particularly movies and airplanes and why another interest his predilection for the back to nature movement stemmed from his nervous surroundings rather than personal eccentricity The crowning volume to a masterly biography this is an unmatched account of how a boy who grew up in an old Central European monarchy became a writer who helped create modern literature **Handbuch**

**Lyrik** Dieter Lamping, 2016-11-18 Die Neuauflage des Standardwerks bringt neue Kapitel zu den Themen Lyrik und Komik Lyrik und Bibel Lyrik und Emotion zum Verlegen und zum Unterrichten von Lyrik sowie zur aktuellen Gegenwartslyrik Das komparatistisch ausgerichtete Handbuch stellt die Poetiken der Lyrik seit der Antike und die wissenschaftlichen Gattungstheorien vor Es umreißt Tendenzen der neueren Lyrikforschung und macht mit Grundbegriffen der Interpretation vertraut Die Themen und Verfahren der Lyrik werden ebenso behandelt wie das Verhältnis zu anderen Genres inklusive Film und Pop Auch Aspekte der Lyrikvermittlung kommen zur Sprache Am Schluss steht ein Epochenüberblick von der Antike bis in die Gegenwart **February 1933** Uwe Wittstock, 2023-04-18 It all happened in a flash February 1933 was the month in

which the fate of German writers as for so many others was decided In a tensely spun narrative Uwe Wittstock tells the story of a demise which was predicted by some but also scarcely thought possible He reveals how in a matter of weeks the glittering Weimar literary scene gave way to a long dark winter and how the net drew ever closer for Thomas Mann Bertolt Brecht Else Lasker-Schöler Alfred Döblin and countless others Monday January 30 Adolf Hitler is sworn in as Chancellor of Germany Joseph Roth cannot wait any longer to learn what today's paper will report He leaves for the station early in the morning and takes the train to Paris bidding Berlin farewell comes naturally to him Meanwhile Thomas Mann barely spares a thought for politics during the next ten days focusing instead on his forthcoming speech on Richard Wagner Weaving an intimate portrait of the major figures whose lives he follows day by day Wittstock shows how the landslide of events which immediately followed Hitler's victory spelled disaster for the country's literary elite He resurrects the atmosphere of the times marked by anxiety for many by passivity and self-betrayal for some and by grim determination for others Who will applaud the new dictator and who will flee fearing for their life Drawing on unpublished archival material this important work is both a meticulous historical narrative and a timely reminder that we must remain vigilant in the face of the forces that threaten democracy however distant the prospect of totalitarianism may seem Sinnlichkeit und Abstraktion Ines
