Prostitution In Medieval Society:

Prostitution in Medieval Society Leah Lydia Otis, 2009-02-15 Prostitution in Medieval Society a monograph about Languedoc between the twelfth and sixteenth centuries is also much more than that it is a compelling narrative about the social construction of sexuality Catharine R Stimpson Prostitution and Subjectivity in Late Medieval Germany Jamie Page, 2021 Based on legal case studies this book focuses on how gender discourse shaped the lives of prostitutes in medieval Germany Medieval Prostitution Jacques Rossiaud, 1995-12-11 In fifteenth century France public prostitution was condoned by all sectors of society Clerics and municipal officials not only tolerated prostitution but were often its principal beneficiaries owning and frequenting brothels quite openly The explanation of this remarkable state of affairs is just one aspect of Jacques Rossiaud's vivid reconstruction of a part of medieval society that has previously received little attention Drawing upon extensive research in medieval archives the author shows that most fifteenth century Frenchwomen could expect a life of constant subjugation to male desire Rape for instance was common and considered only a minor crime He then considers whether public prostitution might paradoxically have been seen by the secular and religious authorities as a means of social control and of preserving marital stability the virtue of wives and daughters was best protected by the existence of public brothels where sexual urges could be satisfied without adultery or rape Jacques Rossiaud also describes the social background of the prostitutes brothel keepers pimps and their clientele providing a vivid overview of the context in which medieval prostitution existed Medieval Prostitution will be of interest to medieval historians as well as to students of the history of the family and sexuality Origins of the Magdalene Laundries Rebecca Lea McCarthy, 2010-03-08 The convents asylums and laundries that once comprised the Magdalene institutions are the subject of this work Though originally half way homes for prostitutes in the Middle Ages these homes often became forced labor institutions particularly in Ireland Examining the laundries within the context of a growing world capitalist economy the work argues that the process of colonization and of defining a national image determined the nature and longevity of the Magdalene Laundries This process developed differently in Ireland where the last laundry closed in 1996 The book focuses on the devolution of the significance of Mary Magdalene as a metaphor for the organization from an affluent strong supporter of Jesus to a simple fallen woman A Cultural History of Sexuality in the Middle Ages Ruth Evans, 2012-03-01 Historians of sexuality have often assumed that medieval people were less interested in sex than we are But people in the Middle Ages wrote a great deal about sex in confessors manuals in virginity treatises and in literary texts This volume looks afresh at the cultural meanings that sex had throughout the period presenting new evidence and offering new interpretations of known material Acknowledging that many of the categories that we use today to talk about sexuality are inadequate for understanding sex in premodern times the volume draws on important recent work in the historiography of medieval sexuality to address the conceptual and methodological challenges the period presents A Cultural History of Sexuality in the Middle Ages presents an overview of the

period with essays on heterosexuality homosexuality sexual variations religious and legal issues health concerns popular beliefs about sexuality prostitution and erotica European Sexualities, 1400-1800 Katherine Crawford, 2007-01-18 A pioneering survey of the social and cultural history of sexuality in early modern Europe **Encyclopedia of Prostitution and Sex Work** Melissa Hope Ditmore, 2006-08-30 The cliché is that prostitution is the oldest profession Isn't it time that the subject received a full reference treatment This major 2 volume set is the first to treat in an inclusive reference what is usually considered a societal failing and the underside of sexuality and economic survival The A to Z encyclopedia offers wide ranging entries related to prostitution and the sex industry past and present both worldwide mostly in the West and in the United States The topic of prostitution has high interest appeal across disciplines and the narrative entries illuminate literature art law medicine economics politics women's studies religion sociology sexuality film popular culture public health nonfiction American and world history business gender media education crime race technology performing arts family social work social mores pornography the military tourism child labor and more It is targeted to the general reader who will gain useful insight into the human race through time via its sex industry and prostitution An introduction overviews the scope of prostitution from the earliest historical records including the Bible User friendly lists that are alphabetically and topically arranged help the reader find entries of interest as does the comprehensive index A chronology proffers significant dates related to the topic Each entry is signed and has suggestions for further reading Sample entries Abolition Actresses Augustine Saint Barr Candy Bible Camp Followers Chamberlain Kahn Bill of 1918 Child Prostitution Clothing Contagious Diseases Acts of 1864 1866 and 1869 Crime Debby Doesn't Do It for Free Dickens Charles Devadasi Entrapment Fallen Woman Trope Feminism Films Cult Five Points Free Love Geisha Globalization Guidebooks Hip Hop HIV AIDS and the Prostitution Rights Movement Human Rights Incest Internet Jack the Ripper Kama Sutra League of Nations Lulu Male Stripping Mann Act Mayhew Henry Memoirs Migration and Mobility Nazi Germany Poetry Purity Movements R Religion Salvation Army Scapegoating Slang Storyville Temporary Marriage Unions Venice Window Prostitution **Sexuality in the Middle Ages and Early Modern Times** Albrecht Classen, 2008-12-10 Sexuality is one of the most influential factors in human life The responses to and reflections upon the manifestations of sexuality provide fascinating insights into fundamental aspects of medieval and early modern culture This interdisciplinary volume with articles written by social historians literary historians musicologists art historians and historians of religion and mental ity demonstrates how fruitful collaborative efforts can be in the exploration of essential features of human society Practically every aspect of culture both in the Middle Ages and the early modern age was influenced and determined by sexuality which hardly ever surfaces simply characterized by prurient interests The treatment of sexuality in literature chronicles music art legal documents and in scientific texts illuminates central concerns anxieties tensions needs fears and problems in human society throughout times **Selling Sex in the City: A Global History of Prostitution, 1600s-2000s**, 2017-08-28 Selling Sex in the City offers a

worldwide analysis of prostitution since 1600 It analyses more than 20 cities with an important sex industry and compares policies and social trends coercion and agency but also prostitutes working and living conditions The Routledge History of Women in Early Modern Europe Amanda L. Capern,2019-10-30 The Routledge History of Women in Early Modern Europe is a comprehensive and ground breaking survey of the lives of women in early modern Europe between 1450 and 1750 Covering a period of dramatic political and cultural change the book challenges the current contours and chronologies of European history by observing them through the lens of female experience The collaborative research of this book covers four themes the affective world practical knowledge for life politics and religion arts science and humanities These themes are interwoven through the chapters which encompass all areas of women s lives sexuality emotions health and wellbeing educational attainment litigation and the practical and leisured application of knowledge skills and artistry from medicine to theology The intellectual lives of women through reading and writing and their spirituality and engagement with the material world are also explored So too is the sheer energy of female work including farming and manufacture skilled craft and artwork theatrical work and scientific enquiry The Routledge History of Women in Early Modern Europe revises the chronological and ideological parameters of early modern European history by opening the reader s eyes to an exciting age of female productivity social engagement and political activism across European and transatlantic boundaries It is essential reading for students and researchers of early modern history the history of women and gender studies Sex and the City Philip Hubbard,2019-06-04 This title was first published in 2000 Prostitution has always played a crucial symbolic role in the definition of moral and sexual standards and as such the figure of the prostitute has been paradigmatic in the history of the sex and the city Focusing on the geographies of female prostitution in Western societies this book explores the nature of sites of sex work and the ways they shape the lives of prostitutes and their clients In so doing the book aims not simply to present a static mapping of sex work but seeks to highlight how these public and private ssites are struggled over with prostitutes often resisting the strategies of social and legal control designed to regulate their working practices The book consequently engages with a number of contemporary debates in social cultural and gender geography surrounding the importance of public and private spaces in producing and reproducing gender sex and bodily identities *Christianity and Sexuality in the Early Modern World* Merry Wiesner-Hanks,2014-05-22 The book surveys the ways in which Christian ideas and institutions shaped sexual norms and conduct from the time of Luther and Columbus to that of Thomas Jefferson It is global in scope and geographic in organization with chapters on Protestant Catholic and Orthodox Europe Latin America Africa and Asia and North America All the key topics are covered including marriage and divorce fornication and illegitimacy clerical sexuality same sex relations witchcraft and love magic moral crimes and inter racial relationships Each chapter in this second edition has been fully updated to reflect new scholarship with expanded coverage of many of the key issues particularly in areas outside of Europe Other updates include extra analysis of the religious ideas and activities of ordinary people in Europe and

new material on the colonial world The book sets its findings within the context of many historical fields the history of sexuality and the body women s history legal and religious history queer theory and colonial studies and provides readers with an introduction to key theoretical and methodological issues in each of these areas Each chapter includes an extensive section on further reading surveying and commenting on the newest English language secondary literature *Women in England, 1275-1525* P. J. P. Goldberg, 2013-01-01 This collection of sources demonstrates the variety of evidence that survives of English women in all walks of life from the time of Edward I to the eve of the Reformation The sources are introduced by a substantial overview of current thinking about English medieval women below the level of the greater aristocracy In addition Goldberg explores many of the methodological problems and strengths of particular sources Individual chapters explore the life cycle themes of childhood adolescence married life widowhood and old age The study then moves on to examine such topics as work in town and country prostitution the law recreation and devotion In every case the reader is exposed to a range of sources but particular attention is paid to those sources that reflect actual experience or provide insights into the lives of ordinary women rather than the prescriptive or purely literary texts A particular feature of this collection is the extensive use of church court depositions that allow the voices of peasant women servant girls bourgeois wives or poor widows to be heard across the centuries The sources are presented in a form designed to be accessible to undergraduates but of interest to teachers and researchers alike *History Matters* Judith M. Bennett, 2010-11-24 Written for everyone interested in women s and gender history *History Matters* reaffirms the importance to feminist theory and activism of long term historical perspectives Judith M Bennett who has been commenting on developments in women s and gender history since the 1980s argues that the achievement of a more feminist future relies on a rich plausible and well informed knowledge of the past and she asks her readers to consider what sorts of feminist history can best advance the struggles of the twenty first century Bennett takes as her central problem the growing chasm between feminism and history Closely allied in the 1970s each has now moved away from the other Seeking to narrow this gap Bennett proposes that feminist historians turn their attention to the intellectual challenges posed by the persistence of patriarchy She posits a patriarchal equilibrium whereby despite many changes in women s experiences over past centuries women s status vis vis that of men has remained remarkably unchanged Although for example women today find employment in occupations unimaginable to medieval women medieval and modern women have both encountered the same wage gap earning on average only three fourths of the wages earned by men Bennett argues that the theoretical challenge posed by this patriarchal equilibrium will be best met by long term historical perspectives that reach back well before the modern era In chapters focused on women s work and lesbian sexuality Bennett demonstrates the contemporary relevance of the distant past to feminist theory and politics She concludes with a chapter that adds a new twist the challenges of textbooks and classrooms to viewing women s history from a distance and with feminist intent A new manifesto *History Matters* engages

forthrightly with the challenges faced by feminist historians today It argues for the radical potential of a history that is focused on feminist issues aware of the distant past attentive to continuities over time and alert to the workings of patriarchal power

Class and Gender in Early English Literature Britton J. Harwood, Gillian R. Overing, 1994 The essays focus on class and gender not only sheds new light on old texts but also stretches the boundaries of the critical modus operandi which is often applied to such literature Women s Studies Network UK Association Newsletter These dramatic new readings of Old and Middle English texts explore the rich theoretical territory at the intersection of class and gender and highlight the interplay of the critic methodology and the medieval text

Sex and Reason Richard A. Posner, 2009-07-01 Sexual drives are rooted in biology but we don t act on them blindly Indeed as the eminently readable judge and legal scholar Richard Posner shows we make quite rational choices about sex based on the costs and benefits perceived Drawing on the fields of biology law history religion and economics this sweeping study examines societies from ancient Greece to today s Sweden and issues from masturbation incest taboos date rape and gay marriage to Baby M The first comprehensive approach to sexuality and its social controls Posner s rational choice theory surprises explains predicts and totally absorbs

Body Lore and Laws Andrew Bainham, Shelley Day Sclater, Martin Richards, 2002-01-18 This book the second produced by the Cambridge Socio Legal Group is a collection of essays on the subject of law and the human body As the title suggests bodies and body parts are not only subject to regulation through formal legal processes but also the meanings attached to particular bodies and the significance accorded to some body parts are aspects of broader cultural processes In short bodies are subjected to both lore and laws The contributors all leading academics in the fields of Law Sociology Psychology Feminism Criminology Biology and Genetics respectively offer a range of interdisciplinary papers that critically examine how bodies are constructed and regulated in law The book is divided into two parts Part one is concerned with Making Bodies and includes papers relating to transactions in human gametes cloning court ordered caesarean sections testing for genetic risk the patenting of human genes and the social policy implications of the growth in genetic information Part two is concerned with Using and Abusing Bodies It contains chapters relating to sexualities sexual orientation and the law sex workers and their clients domestic homicide religious and cultural practices and other issues involving children s bodies the ownership of the body and body parts and the legal and ethical issues surrounding euthanasia

Honor, Vengeance, and Social Trouble Peter Arnade, Walter Prevenier, 2015-06-04 Among the more intriguing documentary sources from late medieval Europe are pardon letters petitions sent by those condemned for serious crimes to monarchs and princes in France and the Low Countries in the hopes of receiving a full pardon The fifteenth century Burgundian Low Countries and duchy of Burgundy produced a large cache of these petitions from both major cities Bruges Ghent Antwerp and Dijon and rural communities In Honor Vengeance and Social Trouble Peter Arnade and Walter Prevenier present the first study in English of these letters to explore and interrogate the boundaries between these sources internal discursive properties and the social world beyond the

written text *Honor Vengeance and Social Trouble* takes the reader out onto the streets and into the taverns homes and workplaces of the Burgundian territories charting the most pressing social concerns of the day everything from family disputes and vendettas to marital infidelity and property conflicts and more generally the problems of public violence abduction and rape and the role of honor and revenge in adjudicating disputes Arnade and Prevenier examine why the right to pardon was often enacted by the Burgundian dukes and how it came to compete with more traditional legal means of resolving disputes In addition they consider the pardon letter as a historical source highlighting the limitations and pitfalls of relying on documents that are by their very nature narratives shaped by the petitioner to seek a favored outcome The book also includes a detailed case study of a female actress turned prostitute An example of microhistory at its best *Honor Vengeance and Social Trouble* will challenge scholars while being accessible to students in courses on medieval and early modern Europe or on historiography

Same Bodies, Different Women Christopher Mielke, Andrea-Bianka Znorovszky, 2019-12-31 This volume is a collection of essays focusing on marginalized women mostly in Central and Eastern Europe from around 1350 to 1650 Other women are discussed in three different categories women whose religious practices put them on the social margins common women who are in society but not of society because they are in the sex trade and women whose occupations were reason enough to shunt them In order to fill a gap in gender history for countries east of the Rhine River the studies included present how official city funded brothels in medieval Austria worked how a princess disability affected her life as Byzantine empress how one unmarried Transylvanian woman who got pregnant dealt with being the center of a court case and how enslaved women in medieval Hungary were treated as sexual property The hope with this volume is that it will show the many interdisciplinary ways that women on the margins can be studied in this region and to diminish the taboo of discussing this topic to begin with

Religious Reflections on the Human Body Jane Marie Law, 1995-02-22 It provides imaginative and thought provoking coverage of the ways in which religious thought and practice construct understandings of the human body *Journal of Asian Studies* Drawing on a remarkably diverse set of studies discussing the major Western religious traditions including Islam and East and South Asian traditions the book challenges easy theorization of the body in religion an excellent source book for college level comparative religion courses Bruce Mannheim University of Michigan an important study that should be of considerable interest to the general student of the history and phenomenology of religions *Muslim World Book Review* The first cross cultural and interdisciplinary survey on the relationship between religious practice and ideology and the human body

This is likewise one of the factors by obtaining the soft documents of this **Prostitution In Medieval Society** by online. Prostitution In Medieval Society Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Prostitution In Medieval Society PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the

information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Prostitution In Medieval Society PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Prostitution In Medieval Society free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
