Protagonistas De America Latina:

Protagonistas de América Latina Fernando Leónidas Sabsay, 2003 Desde el principio de su historia los países de América Latina tuvieron como principal motor de sus luchas la conquista de su independencia luego durante el siglo XX conseguir un orden político estable y armonioso fue el máximo desafío Las páginas de este libro reflejan las hazañas y sinsabores de los treinta protagonistas elegidos por la calidad de sus gestas o de la ambición de sus propósitos A través de los agudos perfiles de Fidel Castro José Artigas Juan Perón Víctor R Haya de la Torre y Domingo F Sarmiento entre otros con un lenguaje claramente descriptivo Fernando Sabsay nos ofrece un relato fascinante de la evolución del continente marcado por las restricciones del sistema interamericano y el peso de Estados Unidos Estos notables hombres se templaron en la lucha por sus ideas y no pocos murieron tragicamente

Líderes políticos del siglo XX en América Latina Marcos Álvarez García, 2007 **Las individualidades robadas de América Latina** Danilo Martucelli, 2024-12-18 Escrita en tres tomos este estudio de sociología histórica aspira a ser una nueva interpretación general sobre la historia y la sociedad latinoamericana bajo el prisma de sus individualidades *Latin American Extractivism* Steve Ellner, 2020-12-07 This cutting edge book presents a broad picture of global capitalism and extractivism in contemporary Latin America Leading scholars examine the cultural patterns involving gender ethnicity and class that lie behind protests in opposition to extractivist projects and the contrast in responses from state actors to those movements

Estudios del rururbano en América Latina Manuel Enrique Pérez Martínez, Beatriz Nates-Cruz, Paola Acosta-Nates, 2022-05-22 El presente libro es el resultado de investigación de distintos proyectos en América Latina que se enlazan desde el Programa Red Estudios del Rururbano en América Latina ELER Por este motivo es necesario antes de continuar con los antecedentes que llevan al ELER a pensar en una segunda publicación luego de su fundación en 2019 explicar qué entendemos por rururbano Lo rururbano es una configuración territorial que puede ubicarse básicamente en tres rdenes en los márgenes del campo y de la ciudad en lo rural excentrado con modos de vida urbanos urbanizados en el campo o también en los modos de vida rurales de la ciudad Estos rdenes representan las nuevas realidades del estudio del territorio o mejor aún de cómo las realidades socioespaciales que se han ido configurando en las últimas décadas han dado paso al planteamiento de lo que denominamos como territorios rururbanos contemporáneos

Politics of Education in Latin America Carlos Ornelas, 2019-09-02 Politics of Education in Latin America Reforms Resistance and Persistence portrays complex situations of education change policies in Latin America from Argentina and Chile the southernmost part of the continent to Mexico the northernmost The analyses tour through Brazil Peru Colombia Ecuador El Salvador and Cuba to conclude with a chapter that scrutinizes why the big teacher unions reject most attempts at education reforms In these teachers are the target of criticism and at the same time the focus of the expectations for progress and better educational quality Readers will find a variety of contentious issues such as inclusion equity privatization uses of power and dialectics between the indications of intergovernmental organizations and the

rejection of their recommendations by local political actors They will also find narratives to raise public education participation improve the quality of life of teachers and put local education systems to dialogue with the global world The politics of education in Latin America is a territory that groups and institutions continue to dispute since the establishment of their education systems **EL CAMINO PASTORAL DE LA IGLESIA EN AMÉRICA LATINA Y EL CARIBE** Luís Alvaro

Cadavid Duque,2010 **The Europeanization of National Foreign Policies Towards Latin America** Lorena Ruano,2013 Who shapes the European Union s policy towards Latin America How has this EU policy modified individual member states relations with the region This book provides a comparative account of seven member states bilateral links with Latin America since 1945 in the context of their EU membership and based on the concept of Europeanization It illustrates how and why the main architects of this EU policy have been Spain and Germany In contrast Poland Sweden and Ireland which had little previous interaction with Latin America have developed their current relations with that region virtually as a result of their EU membership The United Kingdom and France lie in the middle they have been influential in certain policy areas and key periods in history while they have adapted to what is done at the EU level in others Practitioners established academic experts as well emerging scholars in the field bring to be bear a novel combination of pioneering research and cutting edge conceptual analysis on this important but neglected area of the EU s foreign relations

Struggle for Indigenous Rights in Latin America Nancy Grey Postero, 2004-09-01 The Indian question has come to the forefront of political agendas in contemporary Latin America In the process indigenous movements have emerged as important social actors raising a variety of demands on behalf of native peoples Regardless of the situation of Indian groups as small minorities or significant sectors many Latin American states have been forced to consider whether they should have the same status as all citizens or whether they should be granted special citizenship rights as Indians This book examines the struggle for indigenous rights in eight Latin American countries Initial studies of indigenous movements celebrated the return of the Indians as relevant political actors often approaching their struggles as expressions of a common generic agenda This collection moves the debate forward by acknowledging the extraordinary diversity among the movements composition goals and strategies By focusing on the factors that shape this diversity the authors offer a basis for understanding the specificities of converging and diverging patterns across different countries The case studies examine the ways in which the Indian question arises in each country with reference to the protagonism of indigenous movements in the context of the threats and opportunities posed by neoliberal policies The complexities posed by the varying demographic weight of indigenous populations the interrelation of class and ethnicity and the interplay between indigenous and popular struggles are discussed

Historia empresarial en América Latina Andrea Lluch, 2021-02-01 Este libro ofrece la primera visión general de la historia empresarial de América Latina escrita por reconocidos investigadores internacionales La publicación combina la rigurosidad del análisis especializado con la redacción dirigida a una amplia audiencia La primera parte del libro ofrece una visión panorámica de la historia empresarial de seis países de la región y la segunda presenta un estudio de temas clave para entender el desarrollo de las empresas de la región tales como el desempeño de los grupos económicos las inversiones de las multinacionales la evolución de las empresas familiares el impacto de la violencia en el empresariado el rol de la mujer en las firmas el impacto del transporte en el desarrollo económico y la interacción entre

ecología y empresa en la región La historia de la empresa y los empresarios latinoamericanos constituye una valiosa herramienta para el desarrollo de competencias y saberes mediante la evaluación de las funciones y estrategias desplegadas por las compañías y sus líderes en los diferentes períodos y países de América Latina Compartir este libro **Social Innovation in Latin America** Sara Calvo, Andrés Morales, 2021-03-08 The Latin American continent contains an incredibly rich diversity from which humans derive a range of ecosystem services e.g. material goods, cultural benefits, climate regulation, etc. that contribute to livelihoods and well-being. It has become critical to reconcile social and environmental issues in the region to ensure that development is sustainable and aligned with the Sustainable Development Goals. To ensure the sustainable use and management of social and natural capital in the region, business, government, social enterprises and NGOs are engaging in different forms of social innovation that account for social, ecological and environmental values. This requires the integration of social and natural capital into decision making at all levels. Latin America presents a useful scenario to explore social innovation in relation to social and environmental values and the management of local human and natural resources. This book presents social innovation initiatives that incorporate social and natural capital into decision making processes in Latin America. This book aims to provide the reader with an insight into the relevance of social innovation for maintaining and restoring social and natural capital in Latin America. Using case studies from Ecuador, Colombia, Peru, Chile and Mexico, this book provides an insight into the interactions between social innovation and social and natural capital in Latin America and will be of interest to researchers, academics and students in the fields of social innovation, management studies, environmental economics and sustainability.
