convention of the day He has decided that his goal in life is to become the commander of a parachute infantry battalion in the Regular Army of the United States a goal he exceeds in time He graduates as a distinguished military graduate and is commissioned in the regular army Because he is quadrilingual and his education and training the three letter agencies become interested in him He enters the shadowy world of intelligence And then his troubles begin He is bright but lacks the experience to be wise So he mistakes sex and passion for love learning for wisdom and in order to gain a measure of immortality he plunges into one adventure after another thinking that thumbing his nose at fate will bring him immortality In both war time and cold war settings he plunges from one adventure to another from one romance to another The settings are bedrooms and battlefields and the corridors of power in Vietnam Korea Washington D C Germany San Antonio Texas Rio de Janeiro Brazil and Los Angeles California Many years after he started on his journey he realizes that all he was searching for he has had at home He finds that he had love all along and immortality through his loving family and finally finally wisdom comes His long suffering wife used to say to him In your relentless search you create great upheaval and great stress for those around you Being married to you is madness That is why his friends called him The Mad Russian or The Madman That is the reason for the book title **Eyes of the Fleet Over Vietnam** Kenneth V.
