## **Protecting Your Children From Sexual Predators:**

*Protecting Your Children from Sexual Predators* Leigh Baker, 2025-06-25 Predators are everywhere and they can strike at any time and they come in all shapes and sizes More than 1 2 million families will report child sexual abuse by the end of this year Research suggests that many hundreds of thousands more boys and girls from all backgrounds and of all ages may experience abuse that is not reported To keep your family from becoming part of these frightening statistics you must read this invaluable book *Protecting Your Children from Sexual Predators* details everything you need to know and everything you need to do to keep your child safe You will learn how to identify potential sexual predators how to recognize the signs of the grooming behaviors that come before the actual act of sexual abuse and how to arm your children with the necessary skills to prevent abuse Sexual predators commit the most heinous acts against the more defenseless members of our society They often are disguised as harmless and caring people they may interact with your children as their baby sitters youth group leaders clergy teachers coaches neighbors medical professionals and family members What these predators hold in common is their ability to earn the trust of both the children they attack and their parents In *Protecting Your Children from Sexual Predators* Dr Leigh Baker gives you the unique opportunity to meet these predators up close and to examine The ten most common characteristics they display such as refusal to take responsibility for their actions sense of entitlement and the need for power and control How they lead their victims through the five stages of sexual abuse The four types of personalities they commonly exhibit How female sexual predators can gain access to your child The ways that juveniles offend against other children How sexual predators travel the Internet and the many ways that they can harm your child through cyberspace How baby sitting can pose a danger to your child if you don t take the necessary steps to ensure safety How to use the sex offender registry to prevent known predators from gaining access to your child By allowing parents to identify sexual predators before their children are harmed Dr Baker takes the battle to end sexual abuse to the only front where it can ever truly be won the home front *Protecting Your Child from Predators* Beth EdD Robinson, Latayne C. PhD Scott, 2019-08-06

Even good parents often underestimate the dangers their children face Research indicates that one in four females and one in six males are sexually abused before age 18 In most cases the enemy is not a faceless stranger it s someone you know and trust a neighbor a coach or even a family member This book provides practical steps to ensure you re doing all you can to reduce the risks of abuse But since you cannot be with your children 24 7 it goes beyond what you can do as a parent to teach you how to increase your child s own awareness and strategies in the face of potential dangers without making them fearful Dr Robinson whose decades long practice focuses on abused and endangered children calls on her own case studies to show age appropriate conversation starters for parents teaching them how to ask the right questions and provide the right boundaries This book will help you move from fear to confidence on this heavy topic that is just too important to ignore

*Protecting Your Children From Sexual Predators* Leigh Baker, 2002-04-17 Shows how to identify sexual predators and

protect children discussing the most common characteristics of a sexual predator different stages of abuse and various types of predators

**Protecting Your Children Online** Kimberly A. McCabe, 2017-09-15 As parents our main job is to protect our children These days protection from includes not only the individuals we can see but also the individuals that we cannot see yet who wish to harm our children And with the growth of social networking and social media parents are often unaware of their child s interactions on the internet Protecting Your Children Online What You Need to Know About Online Threats to Your Children introduces the crimes that can occur in cyberspace as well as procedures for reporting and obtaining assistance in the event of victimization Throughout Kimberly McCabe addresses several types of cyber crimes ranging from child pornography and solicitation to cyberbullying cyberstalking and sexting giving parents the necessary information they need to protect their children in cyberspace This book builds on the historical efforts to reduce child abuse in the United States and looks at the limitations of these efforts when attempting to address child abuse in cyberspace By identifying these different types of cybercrimes against children and offering the definitions of terms and law enacted to prohibit these crimes Kimberly McCabe gives possible responses for attempting to end internet crime on a national international and personal level A definite must have for parents who want to be proactive in protecting their child in cyberspace and those who wish to be better able to protect them from victimization
