Pierard,1970 **Protest and Politics. Christianity and Contemporary Affairs. D. by Robert G. Clouse, Robert D. Linder, Richard V. Pierard ,1968** *Sin and Politics* Jeong Kii Min,2009 *Sin and Politics* Issues in Reformed Theology is an overview of the relationship between sin and politics from the reformational point of view This short theological history is comprised of three parts politics without sin creational politics politics with sin fallen politics and politics beyond sin redeemed politics As a creation of human culture politics have been tainted with sinful distortion in this world but will be recovered in the future Kingdom by the eternal kingship of the Lord of Lords *Sin and Politics* includes a summary and commentary on political discussions by various Reformed theologians It uncovers the Reformed tradition s positive regard for politics and the profound theological root of politics **Christianity and Democracy** John W. De Gruchy,1995-06 The need for global democratisation is now widely recognised but there is considerable debate about what this means and how it can be achieved In this important study John de Gruchy examines the historic and contemporary roles of Christianity in the development of democracy He traces the gestation of modern democracy in medieval Christendom and then describes the virtual breakdown of the relationship as democracy becomes the polity of modernity Five twentieth century case studies the USA Nicaragua sub Saharan Africa Germany and South Africa demonstrate the extent to which ecumenical Christianity has begun to reconnect with democracy and act as its contemporary midwife De Gruchy argues that democracy needs to rediscover its spiritual heritage while Christianity needs to develop a theology adequate for its participation in the realisation of a just democratic world order **Essential Papers on Jewish-Christian Relations in the United States** Naomi W. Cohen,1990 *Christian Perspectives on Sociology* Stephen Grunlan,Milton Reimer,2001-04-02 **The Cross and the Flag** Robert G. Clouse,Robert D. Linder,Richard V. Pierard,2007-05-01 American nationalism is it synonymous with evangelical Protestantism Do Christians carry a cross in one hand and wave a flag with the other The following chapters by young Christian scholars respond to this all too frequent identification of evangelicalism with the interests values and policies of Americanism Some of today s most sensitive issues are discussed militarism disarmament revolution war the Israel Arab tinder box ecology poverty racism the radical right the radical left and Women s Liberation Committed to a high view of Scripture these critical lovers and loving critics of evangelicalism attempt to be Biblical socially economically and politically as well as theologically They have no hesitancy in attacking a number of sacred cows they have no hesitancy either in advocating positions which their fellow believers call leftist Their approach however while occasionally sharp and necessarily negative is objective dispassionate and peaceful We are reminded in this courageous book that the political problems inevitably become moral problems and on moral problems the Bible speaks in a loud voice The writers plead for some serious thinking and rethinking instead of a closed minded

Progressive Evangelicals and the Pursuit of Social Justice Brantley W. Gasaway, 2014-10-30 In this compelling history of progressive evangelicalism Brantley Gasaway examines a dynamic though often overlooked movement within American Christianity today Gasaway focuses on left leaning groups such as Sojourners and Evangelicals for Social Action that emerged in the early 1970s prior to the rise of the more visible Religious Right He identifies the distinctive public theology a set of biblical interpretations regarding the responsibility of Christians to promote social justice that has animated progressive evangelicals activism and bound together their unusual combination of political positions The book analyzes how prominent leaders including Jim Wallis Ron Sider and Tony Campolo responded to key political and social issues over the past four decades Progressive evangelicals combated racial inequalities endorsed feminism promoted economic justice and denounced American nationalism and militarism At the same time most leaders opposed abortion and refused to affirm homosexual behavior even as they defended gay civil rights Gasaway demonstrates that while progressive evangelicals have been caught in the crossfire of partisan conflicts and public debates over the role of religion in politics they have offered a significant alternative to both the Religious Right and the political left

Pierard, 2006-10-26 In this hard hitting book Richard V Pierard examines the growing affinity between evangelical Christianity and political and economic conservatism that was occurring in the 1960s and eloquently appeals for a dissolution of these unwarranted ties The Christian faith stresses love for one's neighbor selflessness humility and peacemaking virtues which are at variance with the practices of the right Pierard's critique of the linkage of Christianity with American nationalism militarism and capitalism is as relevant today as it was 35 years ago By bringing this unfortunate situation into the open he hopes to encourage evangelical leaders to break this unequal yoke and unleash the spiritual forces of American evangelicalism for meaningful participation in the growth of world Christianity
