Language, Hermeneutic, and History James M. Robinson, 2008-01-01 James M Robinson together with John B Cobb published a series of three volumes entitled *New Frontiers in Theology* The Later Heidegger and Theology 1963 The New Hermeneutic 1964 and Theology as History 1967 Here they introduced the new directions that Continental theology was taking after the break caused by the Nazi period and World War II In each volume it was Robinson's assignment to write an extensive introduction of the new direction The German Discussion of the Later Heidegger Hermeneutic since Barth and Revelation as Word and as History Then others contributed essays These three seminar introductions are here brought together in a single volume which thus is the basic tool for getting into the Continental theology of the second half of the

twentieth century *Introduction to Biblical Hermeneutics* Walter C. Kaiser, Jr., Moisés Silva, 2009-08-19 Since its publication in 1994 *An Introduction to Biblical Hermeneutics* has become a standard text for a generation of students pastors and serious lay readers This second edition has been substantially updated and expanded allowing the authors to fine tune and enrich their discussions on fundamental interpretive topics In addition four new chapters have been included that address more recent controversial issues The role of biblical theology in interpretation How to deal with contemporary questions not directly addressed in the Bible The New Testament's use of the Old Testament The role of history in interpretation The book retains the unique aspect of being written by two scholars who hold differing viewpoints on many issues making for vibrant thought provoking dialogue What they do agree on however is the authority of Scripture the relevance of personal Bible study to life and why these things matter *CHRISTIAN THEOLOGY* Edward D.

Andrews, 2016-07-16 **A Pentecostal Hermeneutic for the Twenty First Century** Kenneth Archer, 2004-12-30 The purpose of this book is to present a critically informed contemporary Pentecostal hermeneutic rooted in Pentecostal identity in its stories beliefs and practices As Pentecostals began entering academic communities of higher learning their interpretive methods became both mainstream and modernistic as they adapted the historical critical methods or the so called scientific hermeneutic The proposed hermeneutic contained in this book desires to move beyond the impasse created by Modernity instead pushing Pentecostals into the contemporary context by critically re appropriating early Pentecostal ethos and interpretive practices for a contemporary Pentecostal community The Pentecostal hermeneutic is a three way interaction for theological meaning between the Holy Spirit the Pentecostal community and sacred Scripture **BIBLICAL EXEGESIS**

Edward D. Andrews, 2023-07-16 **BIBLICAL EXEGESIS** Biblical Criticism on Trial seeks to firmly establish and defend a conservative approach to biblical exegesis while meticulously exposing and critiquing the fallacies and biases prevalent in modern biblical criticism The central thesis posits that liberal moderate biblical criticism incorporating literary criticism rhetorical criticism narrative criticism form criticism tradition criticism redaction criticism structuralism poststructuralism canonical criticism and historical criticism are fundamentally flawed and speculative It highlights that these methods often presented as objective and scientific are indeed reflective of broader ideological systems such as secular humanism the Enlightenment and German idealism which have significantly swayed Western academia and thought over the past four centuries The book argues that these critical methodologies constitute an ongoing assault on the Bible reinforcing scholar biases and distancing biblical interpretation from truth The ultimate goal is to equip readers with a clear understanding of conservative exegetical principles and methods demonstrating how these approaches are grounded in an unswerving commitment to the authority and inerrancy of Scripture thereby offering an antidote to the subjective and ideologically skewed practices of modern biblical criticism It is also a warning Biblical criticism has opened the gates to a flood of pseudo scholarly works whose influence has been to undermine people's confidence in the Bible **Preaching Christ from the**

Old Testament Sidney Greidanus, 1999-07-13 Arguing for the need both to preach Christ in every sermon and to preach regularly from the Old Testament Sidney Greidanus develops a christocentric method that will help preachers do both simultaneously Greidanus challenges Old Testament scholars to broaden their focus and to understand the Old Testament not only in its own historical context but also in the context of the New Testament Suggesting specific steps and providing concrete examples this volume provides a practical guide for preaching Christ from the Old Testament

Four Views on the Book of Revelation Zondervan, 2010-08-03 Of all the books of the Bible few are as fascinating or as intimidating as Revelation Four grim horsemen the Antichrist the ten horned beast the ultimate battle at Armageddon the mark of the beast It s no wonder that these images have gripped the imagination of so many and have been variously interpreted as symbolizing everything from Hitler and Gorbachev to credit cards and the Internet Is the book of Revelation a blueprint for the future A book of powerful symbolic imagery with warnings for the church Is it essentially an imaginative depiction of historical events in the first century Four Views on the Book of Revelation explores four interpretations of the book of the Apocalypse Preterist a historical interpretation arguing that most of John s prophecies occurred in the first century soon after his writing of them Idealist a spiritual or symbolic interpretation arguing that the events in Revelation are not literal and that apocalyptic literature requires a different approach than the Gospels or Epistles Classical dispensationalism a literal interpretation based on a reading of Revelation that pays close attention to the rules of grammar and the separate eras of covenantal history Progressive dispensationalism a modification of classical that has its root in the understanding of Christ s reign beginning immediately after the resurrection The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion

Anointed Expository Preaching Stephen Olford, 2003-09 This book equips and encourages preachers of all kinds to respect their calling and minister God s inerrant Word

Perspectives on Israel and the Church Chad Brand, 2015-03-01 The relationship between Israel and the church is one of the most debated issues in the history of theology To advance the conversation Perspectives on Israel and the Church brings together respected theologians representing four positions

Living as the Living Jesus Kenneth W. M. Wozniak, 2021-02-02 One objective all

Christians hold in common is to grow in maturity and faithfulness Achieving that goal however is a constant and difficult challenge Ethicist Kenneth W M Wozniak shows how the author of the epistle to the Hebrews argued that the mature Christian life is a disciplined one lived consistently in the moral realm of human experience Although the authority for such living traditionally has been the picture of Jesus as found in the Gospels that picture is only a partial and incomplete one It does not include Hebrews essential depiction of the current living Jesus both exalted Son and High Priest who is the focus of worship and whom Christians claim to follow Wozniak argues that only the often ignored Jesus of Hebrews when coupled with the Jesus pictured in the Gospels is the complete Jesus Christians must obey emulate and implant within themselves if they are to live as mature followers of Jesus it is to this Jesus that they must respond if they are to live faithfully as those who claim Jesus is Lord God, Land and Man John Tock,2012-06 John Tock was born in Iowa and converted to Christ at age 16 He has a B A and a Th B from Faith Baptist Bible College in Ankeny Iowa and a M A from Trinity Theological Seminary in Newburgh Indiana John has served as a campus missionary and a pastor for 39 years His wife Ann was promoted to glory in November 2006 after 36 years of marriage and five children In July 2007 he married Allyn They united with Sovereign Grace Bible Church in Phoenix Arizona in January 2008 where he serves as a teaching elder John collects turtles to remind him to be patient and persevere The Faith That Saves Fred Chay,John P. Correia,2012-08-21 There is no more important issue in theological study than the meaning of faith in the New Testament The perennial problem of the misunderstanding concerning the nature of faith has produced a variety of theological errors as well as pastoral problems for the church In a day of rampant theological confusion concerning justification by faith the nature of faith is paramount This book provides a penetrating examination through exegetical precision concerning the nature of faith For those who believe in faith alone in Christ alone this book will guide you into an understanding of what faith is and what it is not This is a book that needed to be written and a book that must be read Earl Radmacher ThD President Emeritus Western Seminary Most evangelical Protestants agree that salvation is by faith alone in Christ alone However what they cannot agree on is the meaning of faith Are there different kinds of faith in the Bible Is there saving faith and non saving faith Is faith a matter of the mind or the mind and the emotions or the mind emotions and will Is faith active or passive on the part of the believer Is it a gift of God or a work of man All these questions and many more are explored in depth by Chay and Correia They have done a commendable job of dealing with words studies grammatical nuances and debated passages Such a work is long overdue Dave Anderson PhD President and professor of Theology Grace School of Theology President Free Grace Alliance The Witness of Jesus, Paul and John Larry R. Helyer,2023-07-17 This book introduces the reader to the discipline of biblical theology In part one Helyer discusses the central problem of the unity of the Bible and the various options that have been proposed He then argues for a vital connection between the testaments forming one grand story of redemptive history and one central theme the coming kingdom of God Part two takes up the theology of three major witnesses Jesus Paul and John In these three

witnesses Helyer finds the center of New Testament thought He emphasizes the importance of Jesus teaching as foundational for all the other the New Testament witnesses Without overlooking the diversity and individuality of the major witnesses he clearly demonstrates the theological unity that binds them together and provides the key to the enduring message of Scripture
