Setting Direction

Building leaders create conditions of inquiry that challenge the school's community to continuously improve by building on its own values, traditions, and designing the pathway to reach them.

1.1 Participation in a Team to Create a Vision and Mission

The building leader engaged and participated in a committee of stakeholders that is representative of the community in order to facilitate the development or adaptation of a vision of learning that is shared and supported by all participants. The vision, mission and goals are aligned to those of the district.

NA	Ineffective	Developing	Effective	Highly Effective
1	The evidence indicates the building leader had minimal knowledge of the school community by involving few or no stakeholders and using little or no baseline data from internal and/or external sources. Collaboration, if present, was anecdotal or superficial.	The evidence indicates the building leader had limited knowledge of the school community by involving some stakeholders, using limited baseline data from internal and/or external sources, and collaborating only during parts of the process of defining the vision.	The evidence indicates the building leader had adequate knowledge of the school community by involving stakeholders, using appropriate baseline data from multiple internal and/or external sources, and collaborating through most of the process of defining the vision.	The evidence indicates the building leader had extensive knowledge of the school community by involving key stakeholders, using significant data from multiple (appropriate and varied) internal and external sources, and collaborating throughout the process of defining the vision.
2	The evidence indicates the building leader produced a generic or vague vision of learning or an unclear vision and mission, minimally aligned to the district's vision.	The evidence indicates the building leader produced a partial or incomplete vision of learning and mission, partially aligned to the district's vision.	The evidence indicates the building leader produced an adequate vision of learning and mission, aligned to the district's vision, as a result of the work of the committee.	The evidence indicates the building leader produced a clearly defined vision of learning and mission, closely aligned to the district's vision, as a result of the work of the committee.

1.2 Participation in a Team to Create an Implementation Plan and a School Improvement Plan

The building leader engaged and participated in a committee of stakeholders that is representative of the school community in order to facilitate the collaborative development of a plan to systematically and embed the school vision into the culture and decision-making process of the school.

NA	Ineffective	Developing	Effective	Highly Effective
1	The evidence indicates the building leader developed a limited or general plan for communicating and implementing the vision with little or no collaboration with stakeholders and little or no use of information/data from any sources.	The evidence indicates the building leader developed a limited plan for communicating and implementing the vision with limited collaboration with some stakeholders using information/data from a few sources.	The evidence indicates the building leader developed an appropriate plan for communicating and implementing the vision collaboratively with stakeholders using information/data from multiple and varied sources.	The evidence indicates the building leader developed a comprehensive plan for communicating and implementing the vision collaboratively with key stakeholders using information/data from multiple and varied sources.
2	The evidence indicates the building leader produced a plan, however, it included major, generic or inappropriate strategies for sharing and encouraging support of the vision by the school community and/or procedures to ensure the school's identity (vision, mission, values, beliefs, and goals which are student focused) drove decisions and inform the culture of the school.	The evidence indicates the building leader produced a plan that is partial or disjointed and includes limited strategies for sharing and encouraging support of the vision by the school community and/or procedures to ensure the school's identity (vision, mission, values, beliefs, and goals which are student focused) drove decisions and inform the culture of the school.	The evidence indicates the building leader produced a plan that includes appropriate strategies for sharing and encouraging support of the vision by the school community and/or procedures to ensure the school's identity (vision, mission, values, beliefs, and goals which are student focused) drove decisions and inform the culture of the school.	The evidence indicates the building leader produced a clearly articulated plan that includes varied and appropriate strategies for sharing and encouraging support of the vision by the school community and procedures to ensure the school's identity (vision, mission, values, beliefs, and goals which are student focused) drove school decisions and inform the culture of the school.
3	The evidence indicates the building leader developed a school improvement plan or outline in which minimal collaboration using data from multiple and varied sources. The plan minimally means or does not meet district requirements for clarity, comprehensiveness, measurability, appropriate timelines, etc.	The evidence indicates the building leader developed a school improvement plan with limited collaboration with others using internal or partially appropriate data from multiple and varied sources. The plan partially or marginally meets district requirements for clarity, comprehensiveness, measurability, appropriate timelines, etc.	The evidence indicates the building leader developed a school improvement plan collaboratively with others using data from multiple and varied sources. The plan means or marginally meets requirements for clarity, comprehensiveness, measurability, appropriate timelines, etc.	The evidence indicates the building leader developed a school improvement plan collaboratively with many others using data from multiple and varied sources. The plan means or exceeds district requirements for clarity, comprehensiveness, measurability, appropriate timelines, etc.

Protocol Packages Instructional De Volume 31 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Protocol Packages Instructional De Volume 31 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Protocol Packages Instructional De Volume 31 has opened up a world of possibilities. Downloading Protocol Packages Instructional De Volume 31 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Protocol Packages Instructional De Volume 31 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Protocol Packages Instructional De Volume 31. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Protocol Packages Instructional De Volume 31. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Protocol Packages Instructional De Volume 31, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Protocol Packages Instructional

De Volume 31 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
