Missionary Travels in Central Africa Frederick Stanley Arnot,1914 [The Elephant in the Room](#) Eviatar Zerubavel,2006-04-01 The fable of the Emperor s New Clothes is a classic example of a conspiracy of silence a situation where everyone refuses to acknowledge an obvious truth But the denial of social realities whether incest alcoholism corruption or even genocide is no fairy tale In The Elephant in the Room Eviatar Zerubavel sheds new light on the social and political underpinnings of silence and denial the keeping of open secrets The author shows that conspiracies of silence exist at every level of society ranging from small groups to large corporations from personal friendships to politics Zerubavel shows how such conspiracies evolve illuminating the social pressures that cause people to deny what is right before their eyes We see how each conspirator s denial is symbiotically complemented by the

others and we learn that silence is usually more intense when there are more people conspiring and especially when there are significant power differences among them He concludes by showing that the longer we ignore elephants the larger they loom in our minds as each avoidance triggers an even greater spiral of denial Drawing on examples from newspapers and comedy shows to novels children s stories and film the book travels back and forth across different levels of social life and from everyday moments to large scale historical events At its core *The Elephant in the Room* helps us understand why we ignore truths that are known to all of us

Modern Family Marc Freeman,2020-05-19 An oral history with the full participation of cast and crew of one of the most popular sitcoms in television history Since premiering in 2009 the groundbreaking television sitcom *Modern Family* has garnered tens of millions of devoted fans earning 75 Emmy nominations and 22 Emmy Awards including five in a row for Outstanding Comedy Series one of only two sitcoms to ever achieve that feat Professors have written about it Psychologists have lectured on it Leading publications such as *The New York Times* and *Washington Post* have explained their love for it With funny heartfelt and relatable stories about family *Modern Family* has gained a worldwide following of hundreds of millions of viewers in countries as diverse as England Israel The Netherlands Germany and South Africa As much as people

love the show few know the stories behind it How did a kernel of an idea by Emmy winning writers Steve Levitan and Chris Lloyd morph into a television juggernaut Where did they find the cast How did they come up with story ideas and film favorite episodes What went on behind the scenes Up until now there have been individual stories and interviews about the show but nothing comprehensive that captures the complete story of the series Marc Freeman s *Modern Family The Untold Oral History of One of Television s Groundbreaking Sitcoms* is the only major book ever written that explores this show as told by those who created it More than seventy people including the entire cast crew and creators detail the full history of this iconic sitcom The cast recalls their memories of the trials and tribulations of casting They share their impressions from the first table read through the last light turning out Writers directors and performers walk readers through storylines production and favorite episodes Guest stars such as Elizabeth Banks Josh Gad Adam Devine Matthew Broderick and Nathan Lane recall their appearances on the show while others recount their experiences working with Kevin Hart Barbara Streisand Ed Norton and more Readers get to go behind the scenes and experience the show like never before including personal photos They ll also discover the never told fallout and divorce of the two showrunners making the show two separate series blended into one Even people unfamiliar with the show will gain deep insight into what it takes to put a series on television Typically oral histories come out as retrospectives based entirely on recall This one will have the benefit of having the ending occur in real time From script development to final season the 11th season will be the show s last readers will get a glimpse of the cast s relationships with each other and the emotions attached to saying goodbye to the best and longest running workplace many of them expect to ever experience Much like the series itself this book shares a story of family of conflict and collaboration that went into this timeless groundbreaking series

Elephants Cry Bruce Flood,2016-06-30 *Elephants Cry* is a dialogue of crime and passion It s a story of a young couple s love affair of a pair of fumbling detectives attempting to find self esteem of a little girl s love for animals and of an emotionally disturbed and grotesque looking woman all of whom become entangled in a cold case mystery Detective Jack Reinhardt searches for a single piece of evidence that will bring closure to a perplexing and unsolved crime University student and part time zoo employee Justin Lombardi takes over the duties of trainer for Buster the elephant Within the book there is a definite affinity between existence in the big city and life at the zoo

Ants Among Elephants Sujatha Gidla,2017-07-18 A Wall Street Journal Top 10 Nonfiction Book of 2017 A Publishers Weekly Best Book of 2017 A Shelf Awareness Best Book of 2017 *Ants Among Elephants* is an arresting affecting and ultimately enlightening memoir It is quite possibly the most striking work of non fiction set in India since *Behind the Beautiful Forevers* by Katherine Boo and heralds the arrival of a formidable new writer The Economist The stunning true story of an untouchable family who become teachers and one a poet and revolutionary Like one in six people in India Sujatha Gidla was born an untouchable While most untouchables are illiterate her family was educated by Canadian missionaries in the 1930s making it possible for Gidla to attend elite schools and move to America at the age of twenty six It was only then

that she saw how extraordinary and yet how typical her family history truly was Her mother Manjula and uncles Satyam and Carey were born in the last days of British colonial rule They grew up in a world marked by poverty and injustice but also full of possibility In the slums where they lived everyone had a political side and rallies agitations and arrests were commonplace The Independence movement promised freedom Yet for untouchables and other poor and working people little changed Satyam the eldest switched allegiance to the Communist Party Gidla recounts his incredible transformation from student and labor organizer to famous poet and founder of a left wing guerrilla movement And Gidla charts her mother s battles with caste and women s oppression Page by page Gidla takes us into a complicated close knit family as they desperately strive for a decent life and a more just society A moving portrait of love hardship and struggle *Ants Among Elephants* is also that rare thing a personal history of modern India told from the bottom up [Know No Boundaries](#) Lateral Collateral,2014-04 It is neither a thesis nor it is a novel Not it is a fantasy not even a fairy tale With an event of mass disobedience we start No shot is fired no one is physically hurt On a sunny day at every airport of the world People queue up for check in with no visa in hand One and all in all the classes economy first or business No one had a visa world citizenship each like to harness No international flight takes off From Wellington where the day starts From other airports of New Zealand too No other plane departs Nowhere in the world from any airport Took off any International flight Following day was no different And the following night All airlines give up No end of the tunnel no ushering light The main suspect behind these events was John John s identity is however very clear To all passengers he is very dear For questioning his role in mass disobedience Arrested was John and served punishing sentence He was punished to undergo forensic probes For extracting his memoir and his hopes To get the events that led him to his roles To his visions to cross boundary ropes **The Windsor Magazine** ,1920

Do Elephants Jump? David Feldman,2004-11-02 Every day we are confronted with innumerable small mysteries that puzzle and confound Why do pianos have 88 keys Why is peanut butter sticky And do elephants jump Now David Feldman returns with his tenth *Imponderables* book to answer these and 100 other perplexing questions about food popular culture the human body science and more Like the other books in the *Imponderables* series *Do Elephants Jump* answers questions sent in by Dave s vast and inquisitive readership For the painstakingly researched answers Dave turns to his national network of experts in everything from fishing to astronomy to plastics not to mention his millions and millions of readers who are eager to supply him with tidbits about even the most obscure phenomena And since it s presented with Dave s trademark humor you will be learning and laughing in equal measure This tenth book in the series is complete with an indispensable master index to all ten of the *Imponderables* books and charming illustrations by longtime collaborator Kassie Schwan With well over two million copies of *Imponderables* in print *Do Elephants Jump* is sure to be the biggest hit yet Join Dave Feldman as he strikes another blow against Imponderability *Family Life* Elisabeth Luard,2014-04-29 An extraordinary and moving memoir of an unconventional unforgettable family **Elephants on Acid** Alex Boese,2011-03-21 Discover a world of

outrageous experiments with the Sunday Times top ten bestseller *Elephants on Acid* Guided by Alex Boese's engaging storytelling unearth answers to questions that have tickled your curious mind from the unusual to the hilariously absurd Excellent accounts of some of the most important and interesting experiments in biology and psychology Simon Singh author of *The Code Book* A riveting look at historical experiments that challenge conventional thinking If left to their own devices would babies instinctively choose a well balanced diet Discover the secret of how to sleep on planes Which really tastes better in a blind tasting Coke or Pepsi Would your dog run to fetch help if you fell down a disused mineshaft What would happen if you gave an elephant the largest ever single dose of LSD *Elephants on Acid* humorously delves into these and more delivering a unique blend of popular psychology and historical science a fascinating insight into the bizarre world of scientific experiments
