Proud Outcast W. Michael Farmer, 2024-07-22 Defying betrayal and hardship Chato fights to save his family and his people's rightful place in the West As the Apache Wars roar toward their conclusion in the summer of 1886 renowned Apache army scout and leader Chato joins a delegation of scouts to Washington D C to meet President Grover Cleveland Their mission To plead their case for the Chiricahua scouts to remain at Fort Apache and cultivate their lands in peace For his unwavering loyalty and service Chato is awarded a silver medal from Cleveland along with the implied promise that the scouts can stay where they are However after Geronimo's surrender Chato and his fellow scouts are instead transported to the harsh confines of Fort Marion Florida as prisoners of war They and the Chiricahua people as a whole will be deprived of their freedom and their way of life for the next three decades Finally freed in the wake of Geronimo's death the tribe returns to New Mexico to start over But Geronimo's longstanding assertion that Chato is a liar and traitor casts a long shadow Shunned by the very people he has spent his life fighting for Chato nevertheless remains defiant his resilient spirit never wavering despite the heavy toll of his life's trials Will Rogers Medallion winning author W Michael Farmer masterfully concludes Chato's epic tale illuminating the resilience of a leader determined to preserve his people's heritage against overwhelming odds Proud Outcast is a tale of honor survival and the relentless pursuit of a place to call home

Seven Keys to Spiritual Renewal Stephen Arterburn, David Stoop, 1998 The authors of The Life Recovery Bible now describe seven keys or tools everyone can use in life in order to experience renewal and transformation Something To Be Proud Of Michael Hansbury, *Proud Wolf's Woman* Karen Kay, 2020-12-20 Proud Wolf's Woman He rescued her from slavery now he is captive to desire Lakota Warriors Book 2 Stolen from a cruel husband by the savage Kiowa Julia Wilson's life has gone from bad to worse Just when she has reached the end of her endurance salvation rides into camp Neeheeewee a proud Cheyenne brave who once filled her young heart with romantic dreams has come to save her from everything except the flames of desire that still burn Bitter and intent on vengeance against the man who killed his wife and unborn child

Neeheeowee has no room in his heart for love His captured ponies and treasured robes were supposed to be traded for Kiowa weapons Instead to his annoyance he must trade everything for his old friend s life Hard as he tries to hang on to his anger at being set off his mission he cannot deny that he yearns for the woman whose gentle healing presence reminds him that happiness might exist beyond revenge Her lips tease him with passion he dare not risk for those who are long dead still haunt him To take the love she offers risks his honor perhaps his very life This book has been previously published Warning Sensuous romance might cause one to go West to find one s own true love *Scattering the Proud* Sean

O'Conaill,2012-07-12 In this radically original and optimistic reflection on the future of Christianity in the Western world Sean O'Conaill starts from the conviction that the life ministry and death of Jesus of Nazareth were a deliberate reversal of the human heroic journey to adulation and influence which has caused violence tyranny and injustice in all epochs He did not identify with or seek to emulate the powerful and the influential he sought out the outcasts and taught that every person was of equal worth in the eyes of God In the end he exalted the person who was most despised the victim by accepting an ignominious death O'Conaill argues that even since the earliest times Jesus's followers have been tempted to rejoin the upward journey toward power and influence a journey which inevitably creates pyramids of esteem or hierarchies of respect which glorify individuals and elites at the expense of majorities The development of the relationship between Christianity and the political establishment in the fourth century soon associated Christ himself with coercion and led in the end to the schisms between East and West Protestant and Catholic and between Christianity and liberal secularism It is also at the root of the silent schism within the Catholic church today The future of Christianity then lies in its willingness to abandon this upward journey and to return to the essence of the gospel message not only institutionally but personally in the lives of all Christians This return to a countercultural stance will aim to raise the disadvantaged and to secure the future of the global family and its environment **Presence After Trauma** Sonia Connolly,2016-12-27 Presence after trauma is an ongoing exploration of willingness to accept what is and willingness to allow it to change With this book gather gentle effective healing tools including the many facets of acceptance Discover your body s structure so you can move more fluidly and take up space confidently Even in the face of abusive and everyday gaslighting rebuild self trust Manage ongoing trauma effects more skillfully and know that hard times will still come and go Leave behind the isolation of trauma to rejoin the challenges and rewards of relating You deserve to exist exactly the way you are right now
