Wegner, Catherine Wegner, Kimberlee Herman, 2009 The book of Proverbs taken as a whole encourages parents to use multiple levels of discipline for effectiveness Parenting with Proverbs Luke Gilkerson, Trisha Gilkerson, 2015-08-26 My son give me your heart and let your eyes observe my ways Proverbs 23 26 God has given parents a whole book of pithy powerful statements to correct children in the moment by moment situations of life The book of Proverbs is ideal for parenting because 1 Proverbs are short When you need to steer a child s behavior in the moment a short statement is best A proverb quickly anchors your thoughts on what needs to be corrected 2 Proverbs are memorable and quotable The Proverbs were written to be memorized and quoted aloud 3 Proverbs state the why not just the what Proverbs don t just say Stop it or Do this They say This is wise because 4 Proverbs are based on real life experiences Proverbs are rules of thumb general truths based on human experiences They are convincing because they summarize the collective experiences of many people from the past 5 Biblical proverbs are God s own words When you use Proverbs to teach and guide your children rather than pointing merely to your own authority you are pointing to God s authority Parenting with Proverbs offers parents a simple method to use biblical proverbs to teach and correct their children The book contains A detailed explanation of the Proverbs Method of teaching A catalogue of some of the most helpful proverbs categorized by topic A list of conversation questions that help parents engage their children with proverbial wisdom **Parenting with**

**Proverbs** Richard S. Hockett, 2013-06-17 This Proverbs workbook will help parents teach their children the practical wisdom of God. The issues discussed—money, friends, diligence, response to aggression, pride, discipline, etc.—are relevant to our daily lives and will arise in your family sooner or later. These lessons can help lay a foundation of godly values and guidelines for your children. Our family used the workbook when our children were 8 and 10 years old. Older children and adults will find no problem in being challenged by the material because these issues are in the heart, not the mind. The workbook has been used in several churches in many families and also by a high school senior class in practical living. Recently updated for publication, the Proverbs workbook would be a great addition to home school curriculum and could also be used by adult small groups to explore God's wisdom in the book of Proverbs. Dick Hockett and his wife Betty live in San Jose, CA, where they attend a local church. They have two married children and six grandchildren. Dick is retired from high tech industry in Silicon Valley and has taught Bible studies for many years in California and in the Midwest. [Proverbs for Parenting](#) Barbara

Decker, 1989-08-01 **Parenting from the Scriptures and Scriptures for the Parents** Mark Lovis, 2017-01-26 Teach children how they should live and they will remember it all their life. Proverbs 22:6 NLT: "Most children will grow up and leave home with very little knowledge of where to find the answers to their questions. As a result, the family is likely to experience many years of struggle and frustration. This book will equip parents, pastors, counselors, teachers, Christian groups, church groups, and most of all, children with the information they need to learn Bible principles. The Topical Guide will enable them to use the Bible as a tool to find Scriptures that will help them with guidance for specific problems and questions children may have. Part 1 is a Topical Guide divided into 101 categories listed from A-Z. Below are a few topics covered in this section: Afraid, Angry, Attitude, Being Yourself, Bullying, Cheating, Complaining, Disrespect, Do Unto Others, Friends, Gossip, Greedy, Hate, Jealousy, Lazy, Learning, Lying, Meanness, Pay Back, Prayer, Rewards, Self Control, Sorry, Stealing, Stubborn, Talks Too Much, Temptation, Wisdom and Understanding, Worry. There are also eight bonus sections in Part 2. God's wisdom is in the Bible, and this book shows you specifically where to find it for each of the 109 categories. This book gives parents the information they need to learn God's wisdom so they can teach their family how to be the individuals God wants them to be. If a family is to experience a good life with minimal struggles, they must first acquire the right attitude, second, they must learn how to learn, and third, they must learn God's wisdom and understanding to guide them in making the right choices. All Scripture is given by God, and all Scripture is useful for teaching and showing people what is wrong in their lives. It is useful for correcting faults and teaching the right way to live.
