Elliott Arnold, 1973      **Proving Ground** Leone Lowden, 2012-10-01      **The Proving Ground** Michael Connelly, 2025-10-21

From 1 New York Times bestselling author Michael Connelly the Lincoln Lawyer is back with a case against an AI company whose product may have been responsible for the murder of a young girl Following his resurrection walk and need for a new direction Mickey Haller turns to public interest litigation filing a civil lawsuit against an artificial intelligence company whose chatbot told a sixteen year old boy that it was okay for him to kill his ex girlfriend for her disloyalty Representing the victim's family Mickey's case explores the mostly unregulated and exploding AI business and the lack of training guardrails Along the way he joins up with a journalist named Jack McEvoy who wants to be a fly on the wall during the trial in order to write a book about it But Mickey puts him to work going through the mountain of printed discovery materials in the case McEvoy's digging ultimately delivers the key witness a whistleblower who has been too afraid to speak up The case is fraught with danger because billions are at stake It is said that machines became smarter than humans on the day in 1997 that IBM's Deep Blue defeated chess master Garry Kasparov with a gambit called the knight's sacrifice Haller will take a similar gambit

in court to defeat the mega forces of the AI industry lined up against him and his clients *Proving Ground* Elliott Arnold,1973 **The Proving Ground 2. 0** Kevin Gerald,2018-08 *Sunrise Highway* Peter Blauner,2018-09-04 First rate suspense with a soupcon of horror in the Hannibal Lecter vein You won t be disappointed Stephen King From Peter Blauner the writer Dennis Lehane calls one of the most consistently bracing and interesting voices in American crime literature comes a new thriller about a lone young cop on the trail of a powerful killer determined not just to stop her but to make her pay In the summer of Star Wars and Son of Sam a Long Island schoolgirl is found gruesomely murdered A local prosecutor turns a troubled teenager known as JT from a suspect to a star witness in the case putting away a high school football star who claimed to be innocent Forty years later JT has risen to chief of police but there s a trail of a dozen dead women that reaches from Brooklyn across Long Island along the Sunrise Highway and it s possible that his actions actually enabled a killer That s when Lourdes Robles a relentless young Latina detective for the NYPD steps in to track the serial killer She discovers a deep and sinister web of connections between the victims and some of the most powerful political figures in the region including JT himself Now Lourdes not only has to catch a killer but maybe dismantle an entire system that s protected him possibly at the cost of her own life [Book Catalog of the Library and Information Services Division: Shelf List catalog](#) Environmental Science Information Center.
