Ps Poems Stories 3:

Psalm and Story James Washington Watts, 1992-01-01 This book addresses the literary historical and methodological issues which have been raised by the appearance of psalms in narrative contexts of the Hebrew Bible The narrative role of each psalm is explored to determine the reasons for its present position The study of each psalm s narrative role leads to a re evaluation of the evidence for its secondary status in the prose context The results of each separate analysis are compared to see what larger literary historical and methodological patterns emerge *Connections: Year B, Volume 3* Joel B. Green, Thomas G. Long, Luke A. Powery, Cynthia L. Rigby, Carolyn J. Sharp, 2021-04-20 Designed to empower preachers as they lead their congregations to connect their lives to Scripture *Connections* features a broad set of interpretive tools that provide commentary and worship aids on the Revised Common Lectionary This nine volume series offers creative commentary on each reading through the lens of its connections to the rest of Scripture and then seeing the reading through the lenses of culture film fiction ethics and other aspects of contemporary life Commentaries on the Psalms make connections to other readings and to the congregation s experience of worship *Connections* is published in partnership with Austin Presbyterian Theological Seminary **Latent Religious Resources in Public School Education** Conrad Augustine Hauser, 1924 **Lai de L'Oiselet: an Old French Poem of the Thirteenth Century** Lenora Wolfgang, 2007-12 Provides a complete II Manuscripts III Editions of the Story IV Sources The *Disciplina clericalis* The *Chastoiment* *Trois Savoirs* Thematic Sources The *locus amoenus* Generic V The Present Edition The Choice of the Base Manuscript Conclusions Editorial Principles Bibliography Text of the Story Rejected Readings of Ms B Diplomatic Texts Glossary Illus *Biblical Wisdom, Then and Now* Frances Flannery, Nicolae Roddy, 2021-07-29 This volume examines biblical wisdom literature both in its historical context and as it relates to a host of contemporary themes including overcoming social divisions reading from a place of inclusion healing from trauma and challenging religious attitudes toward climate change and animals This volume delivers fresh insights on biblical wisdom texts exploring ways in which wisdom literature speaks perennially to the human condition despite the differences in societies then and now Employing both biblical studies and theological approaches the diverse group of authors in this collection examine biblical wisdom literature from a variety of perspectives and methodologies to illuminate the relevance of wisdom for ancient audiences such as exiles scribes and leaders as well as for contemporary audiences concerned with challenges such as climate change social division and healing from trauma Its eleven chapters utilize an accessible style that brings erudite scholarship on biblical wisdom to a broader audience *Biblical Wisdom Then and Now* will be an invaluable resource for undergraduates graduates and specialists in biblical studies as well as the more general reader with an interest in biblical literature and its reception *Teachers Monographs*, 1925 Dictionary of the Old Testament: Wisdom, Poetry & Writings Tremper Longman III, Peter Enns, 2010-05-11 Tremper Longman III and Peter E Enns edit this collection of 148 articles by over 90 contributors on Job Psalms Proverbs Ecclesiastes

McKenzie, 2023-01-01 An innovative translation and commentary on the book of Jonah by a trio of award winning scholars The book of Jonah which tells the outlandish story of a disobedient prophet swallowed by a great fish is one of the Bible's best known narratives This tale has fascinated readers for millennia and has inspired countless interpretations This commentary features a new translation of Jonah as well as an introduction outlining the major interpretive issues in the text The introduction traces the composition history of the book paying special attention to the psalm in the second chapter and the authors explore new theories surrounding the time and place where Jonah delivers his message to Nineveh as well as the city's act of repentance In addition to these features this volume draws on a variety of critical approaches to biblical literature including affect theory animal studies performance criticism postcolonial criticism psychological criticism spatial theory and trauma theory to reveal the book's many interpretive possibilities An updated treatment of Jonah's reception history includes analyses of the story in religious traditions art and literature and popular culture The Function of Story in the Hebrew Psalter Rebecca W. Poe Hays, 2021-06-29 Providing balance to the general scholarly trend to focus on the non narrative aspect of Hebrew poetry this book argues that the Hebrew Psalter does contain stories and their inclusion in ancient Israel's worship texts contributes to the rhetorical power of the psalms in ways distinct from other poetic devices Rebecca W Poe Hays builds on literary theory and biblical studies of narrative to establish a clear definition of story and to identify where story appears in the book of Psalms The majority of the book explores how these story portions of the Psalter divided into the three broad categories of retellings of history testimonies and paradigms function within their larger contexts Each chapter includes a discussion of a particular category's general characteristics a close reading of representative texts and an assessment of distinctive ways each type of story functions in the psalms in which they appear These poetic psalmic stories have the rhetorical power to draw readers uniquely into narrative worlds and inspire empathy to guide readers into particular understandings of history and teach inductively and to concretize the abstract and so shape the beliefs and behaviors of the communities who regard them as sacred texts **On Biblical Poetry** F.
