Psalem Pse Khelyme

David L. Bartlett, Barbara Brown Taylor

Psalem Pse Khelyme:

An Exposition of Psalm 119 Thomas Manton, 2013-02-08 Thomas Manton's collections of 158 sermons on Psalm 119 is one of the lasting works of the Puritan era. Here's what Spurgeon said on Manton's exposition of Psalm 119: Fully up to Manton's highest mark and he is well known to have been one of the chief of the Puritan brotherhood. The work is long but that results only from the abundance of matter. J. C. Ryle championed the republication of Manton's works in the 19th century. He wrote: Manton's chief excellence as a writer in my judgment consists in the ease, perspicuousness and clearness of his style. I find it easier to read fifty pages of Manton's than ten of some of his brethren's and after reading I feel that I carry more away. Let no one moreover suppose that because Manton's style is easy his writings show any lack of matter and thought. Nothing of the kind. The fertility of his mind seems to have been truly astonishing. Every page in his books contains many ideas and gives you plenty to think about. If Manton never soars so high as some writers he is at any rate never trifling, never shallow, never wearisome and never dull. On Manton's practical commentary on James Spurgeon notes: In Manton's best style. An exhaustive work as far as the information of the period admitted. Few such books are written now. The JPS Bible Commentary: Psalms 120-150 Adele Berlin, 2023-08 This volume of the Jewish Publication Society's highly acclaimed Bible Commentary series provides the Hebrew text of Psalms 120-150 along with the JPS English translation and a line by line commentary. **House documents**, 1893 *The Saving Heritage* Alfred Awortwe - Adams, 2015-02-12 This book will help married couples in their journey of marriage. There can also be found topics like understanding, fasting, salvation, prayer, baptism, the Lord's Supper, change, breaking the sin curses of the past and many more for both Christian believers and unbelievers. This book can also be used as an important study material for Bible classes, both matured believers and beginners. It gives a deeper understanding in Bible study on those topics found in the book. *God the Son* Randy Rheume, 2018-08-10 John's portrait of Jesus is breathtaking yet bewildering. In the first verse he's called God. At the climax of the book he's worshiped as Lord and God. 20-28. On the other hand he says he can't do a thing without the okay of his Father. 5-19-30. How are we to understand this profound yet puzzling figure? Uniquely equipped as both a New Testament scholar and engaging pastoral communicator, Randy Rheume shows how the contrasts in John's portrait of Jesus, especially his deity and his sonship, fit together and are meaningful and helpful for the Christian life. Is Jesus really God? If so, what difference does it make? How can he be God and yet in submission to God? Why didn't he ever say, 'I am God. Worship me'? How does the Son's role differ from the Father's? If God is more than one person, how do prayer and worship work? How can I know God better? What will make eternity with God so fun that we'll never get bored? Is the Trinity truly biblical? And where does the Holy Spirit come into the picture? Rheume's exploration probes John's Gospel and provides profound insight into these and related questions.
