Estes,2019-01-31 The New American Commentary is for those who have been seeking a commentary that honors the Scriptures represents the finest in contemporary evangelical scholarship and lends itself to the practical work of preaching and teaching This series serves a minister s friend and a student s guide The New American Commentary assumes the inerrancy of Scripture focuses on the intrinsic theological and exegetical concerns of each biblical book and engages the range of issues raised in contemporary biblical scholarship Drawing on the knowledge and skills of over forty scholars and encompassing forty volumes the NAC brings together scholarship and piety to produce a tool that enhances and supports the life of the church      *For the Love of God (Vol. 1, Trade Paperback)* D. A. Carson,2006-07-10 In a world that views absolute truth right and wrong and salvation as being subject to individual interpretation the Bible s unwavering proclamations and miraculous stories seem obsolete in modern times But it is not God s Word that has changed Indeed its relevancy and its power to transform lives are intact What has changed is the number of people who consult it Now more than ever the need to read the Bible to understand the big picture of its storyline and to grasp the relevance this has for your life is critical As with its companion volume For the Love of God Volume 2 this devotional contains a systematic 365 day plan based on the M Cheyne Bible reading schedule that will in the course of a year guide you through the New Testament and Psalms twice and the rest of the Old Testament once In an effort to help preserve biblical thinking and living D A Carson has also written thought provoking comments and reflections regarding each day s scriptural passages And most uniquely he offers you perspective that places each reading into the larger framework of history and God s eternal plan to deepen your understanding of his sovereignty and the unity and power of his Word      **A Testimony of Jesus Christ - Volume 2** Anthony Charles Garland,2007 A Commentary on the Book of Revelation Volume 2 The author presents a detailed study of the Book of Revelation emphasizing prophetic themes from the rest of the Bible which find their fulfillment in Revelation To understand this controversial book the author explores the many connections between the visions seen by the Apostle John and previous prophetic revelation given to Old Testament prophets such as Daniel Ezekiel and others It is the author s conviction that an understanding of related passages elsewhere in the Bible is the most important key to unlocking the bewildering variety of interpretations which often accompany the study of the last book of the Bible The commentary can be used in conjunction with a free companion internet course providing an additional 70 hours of audio instruction linked to almost 1 000 slides      *Communion with Christ and His People* Peter J. Morden,2014-01-31 Charles Haddon Spurgeon 1834 1892 was the most famous Baptist minister of his generation For such a significant figure he has received surprisingly little scholarly coverage This present work seeks to make a contribution to

Spurgeon studies by examining him through the lens of his spirituality A wealth of primary material much of it previously untapped is used to build up a picture of his spiritual life Whereas older and more recent interpretations of Spurgeon have a tendency to be one dimensional examination of his spirituality reveals him to be a complex figure one who was molded by a diverse range of factors Despite this complexity a unifying theme for Spurgeon s spirituality is traced and fresh light is shed on the foremost popular preacher of the Victorian age Wiersbe Bible Commentary 2 Vol Set Warren W.

Psalms over the years he came to realize that the Lord was talking to our souls through these ancient songs He was also struck by a book written in the 1800s by a man named Hawker who after reading one of the Psalms would exclaim Oh my soul what is this that thou hast found in the Holy Writ He would talk to his soul after reading the text The author began to read the Psalms and reflect on what each one said to his soul He has done that for fifty years In this book he focuses on the Psalms of Moses which encompass Psalms 90 to 106 They may have been collected by the men of Hezekiah during the reign of King Hezekiah and or by Ezra following the Babylonian Captivity It was titled The Numbers Book the Wilderness Sojourn and the Promised Land The Pulpit Commentary Vol 8 254 The Companion Bible Psalms 720 The Psalms are a wonderland of devotion They have enlightened the author s mind and encouraged his spirit They can do the same for you all while providing principles for living this life as you help others walk with the Lord *Imago Musicae* Tilman Seebass,1985-06-30 Each volume in this series for the study of pictorial documents on musical subjects contains articles a catalog published in installments devoted to the complete documentation of specific sources and an annual bibliography that bridges the gap
