with trouble and wicked people seemingly prosper in spite of their godless lifestyles Gangs running rampant sexual predators on the loose corporate scandals but the rich get richer and the poor get poorer How can God allow this to happen Why do the wicked prosper It s really very simple If you perceive prospering as fortune fame and money the natural conclusion is the wicked prosper When you see things the way God does it s a much different picture It s all about your perspective Do you have a biblical perspective or a worldly perspective As the book is written by a layperson and not a biblical scholar the themes are meant to resonate with any reader If you ve ever struggled with reading the book of Psalms this devotional is for you The simple themes and easy to understand language will touch your heart and help guide you through Psalms **A**
