

Praise the LORD! Give thanks  
to the LORD, for he is good!  
His faithful love endures forever.

Who can list the glorious  
miracles of the LORD? Who  
can ever praise him enough?  
There is joy for those who deal  
justly with others and always do  
what is right.

considered as the first truly great scholar of the Reformation Indeed he has even been seen by some to be one of history s greatest Christian biblical scholars He had an incredible command of the Bible and his interpretations were not based on just one or two passages He combined pastoral insight with solid exegesis to form a strong interpretation of the scriptures However some of his views on the prophetic interpretation such as in the book of Daniel are controversial He put forth a purist view and believed that the prophecies in the book of Daniel applied solely to the history between the time of the prophet Daniel 530 BC and Jesus first coming 30 AD Nevertheless John Calvin was a force to be reckoned with and is considered to have a unique insight which enabled him to find the true meaning of the Bible Dutch theologian Jacobus Arminius after whom the anti Calvinistic movement Arminianism was named states that Next to the study of the Scriptures which I earnestly inculcate I exhort my pupils to peruse Calvin s Commentaries which I extol in loftier terms than Helmholtz himself a Dutch divine 1551 1608 for I affirm that he excels beyond comparison in the interpretation of Scripture and that his commentaries ought to be more highly valued than all that is handed down to us by the library of the fathers so that I acknowledge him to have possessed above most others or rather above all other men what may be called an eminent spirit of prophecy His Institutes ought to be studied after the Heidelberg Catechism as containing a fuller explanation but with discrimination like the writings of all men During his life Calvin produced commentaries on 48 books of the Bible a total of 45 published volumes He intended to put out a complete commentary of the Bible but his death prevented this The books of Judges Ruth 1 2 Samuel 1 2 Kings 1 2 Chronicles Ezra Nehemiah Esther Job Proverbs Ecclesiastes Song of Solomon 2 3 John and Revelation were unfortunately not completed He did however write a two volume commentary of the Harmony of the Gospels Matthew Mark and Luke as well as a separate commentary for the gospel of John Likewise he also wrote a two volume series on the Harmony of the Law Exodus Leviticus Numbers and Deuteronomy Calvin s own exegesis of the original text allowed him to bring out a unique and pleasing interpretation He begins each section of scripture with his own translation of the text and then further expounds upon it point by point making it an excellent resource for ministers and teachers alike After more than 400 years Calvin s commentaries are still a relevant and essential tool for Christians Did you not know? Have you not heard? Otinel C, Iancu, 2018-01-31 The book contains more than 6 100 questions Its value is not in the answers but rather in the way the questions are formulated and in the information they contain Because the questions are arranged chronologically the book can be used as a study guide Although there are questions that require to memorize certain details most of them contain enough clues within themselves which give the reader the opportunity to find the correct answer by using comparisons and logic Since the book was conceived with the purpose of using it in Bible contests most of the questions require one word answers The material contained in this book is useful in bringing out things that many readers omit when they read the Bible It is also useful for getting ideas for sermon subjects for Bible contests for obtaining information etc There are a variety of types of questions 1 Simple and straightforward questions 2 Multiple choice questions
