Book jacket *How Majestic Is Your Name* Walter Leslie McConnell, 2021-12-07 Christians give a broad spectrum of answers to the question What is worship These include ascribing worth to God performing certain activities during worship services singing a particular style of song responding to God with our whole being and more That Christians have such a splintered understanding of something as important as worship is far from satisfactory

How Majestic Is Your Name aims to broaden our understanding of worship by engaging the subject biblically and theologically as developed in both Testaments of Scripture As we learn more of God's design our daily weekly and seasonal practices of private and public worship will be renewed Foundations are laid by identifying the Old and New Testament words for worship and demonstrating their importance The object of worship is brought into focus as we encounter the God who is experienced as Father Son and Holy Spirit The object identified we consider the people who worship within space and time by engaging in a variety of activities Not content with simply recounting biblical evidence about the worship of Israel and the early church the book challenges modern worshipers to allow this biblical theological study to guide their thinking and shape their practice
