Psalms A Devotional Commentary

Psalms A Devotional Commentary:

Psalms Herbert Lockyer,1993-01-01 Each of the 150 Psalms comes under intense scrutiny as Lockyer mines its treasures for today's reader *Encouragement from the Psalms* Dr. B,2022-07-28 As Genesis begins with the Divine blessing on Man Gen 1:26 so Psalm 1 opens with Blessed is the man All blessedness for man is shown to consist in subjection obedience and occupation with God's Law It is the Tree of Life to him and meditating on this he becomes like a well watered tree planted by God's ever flowing River of Life in the Paradise of God See Rev 22 Ezek 47:1-5 Ps 46:4-5 James Brandon a pastor and missionary shares encouragement from the Psalms in this devotional commentary He breaks down the structure of the Psalms and drills down into their lessons His focus in this first volume is the first book of the Psalms including Psalm 21 which he calls the central psalm It sets forth the eternal life and blessedness of God's king Jesus Christ This volume includes an examination of Psalm 16 which is the first of the Mictam Psalms These Psalms are prayers for help and deliverance The Psalms are a wonderland of devotion They will enrich your soul enlighten your mind and encourage your spirit Most importantly they provide principles for living your life as you walk with the Lord **Psalms** Herbert Lockyer,1993-01-01 Each of the 150 Psalms comes under intense scrutiny as Lockyer mines its treasures for today's reader *The Book of Psalms* Arno Clemens Gaebele,1949 *The Psalms* Carl Manthey Zorn,2005 This devotional commentary covers each of the 150 psalms Originally written in German under the title Psalmen this devotion book combines passionate writing and dedicated translating After the author Carl Manthey Zorn's first devotional Manna was translated from German and it grew in popularity over the years The translator John F Sullivan believed in giving Christians another opportunity to be touched by the author's simple direct deeply devotional Christ centered commentary The Psalms has been published to help readers gain a better understanding of the psalms and how to apply them in their daily lives Use Zorn's work for your personal or family devotions utilize it for personal study or incorporate it into your daily Bible reading For pastors and teachers this book serves as a great source of ideas for preaching and teaching God's Word **Psalms: a Devotional Commentary** Chris Tiegreen,2025-08-05 With accessible expository commentary paired with inspirational devotional thought The See Series speaks to both the heart and mind unlocking a deeper understanding of the Bible often reserved for scholars and theologians The Psalms provide an occasion for us to immerse ourselves in God's presence and the nature of his Kingdom We can read the Bible and listen to sermons all day long but the truth we read or hear just fades away after a few days unless we are cultivating the Kingdom within us The soil of our hearts needs to be right In many respects this is what King David and other psalmists wrote about in the Psalms They are case studies in truth taking root in the heart where God ultimately wants his Word and his Holy Spirit to dwell Written by beloved devotional writer and biblical scholar Chris Tiegreen each book of The See Series does more than encourage us simply to know and then do rather it casts a vision for us to see then be then live Like Jesus who incorporated visual language into all his teaching this series aims at refocusing our inner eye If we can see

what biblical writers saw and live according to that vision we can be transformed A valuable resource for any Christian each commentary includes an introduction to the biblical book to aid your study an introduction for each subsection of the book explaining its place and purpose in the text the historical context or background of that section and how it fits into the big picture vision of biblical truth a series of devotionals on the text that further explain purpose and meaning offer suggestions for practical application and inspire and challenge you to re envision to learn to see in new ways a discussion guide in the back to help you further reflect on the Scripture passages and or talk about them with others to expand your spiritual vision even more Psalms A Devotional Commentary will help this Old Testament book of poetry prayer praise and lament come alive for you bringing transformation for your mind and imagination *Awake O Harp* William C. Varner,2017-07-08 *Awake O Harp* is a rich and encouraging study of the Psalter focusing on its devotional impact It combines clear writing with a thorough knowledge of the message of the OT and NT a passion to recognize the Messiah in the OT and a great appreciation for the biblical psalms *Awake O Harp* offers us a great companion to reading the Psalter encouraging us to read pray sing and meditate on these powerful passages **Readings on the Psalms. A Devotional Commentary** Philip Henry LOYD (successively Bishop of Nasik and of St. Albans.),1953 *Readings on the Psalms* Philip Henry Loyd,1953

Encouragement from the Psalms Dr B,2023-06-12 As James Brandon read and studied the Psalms over the years he came to realize that the Lord was talking to our souls through these ancient songs He was also struck by a book written in the 1800s by a man named Hawker who after reading one of the Psalms would exclaim Oh my soul what is this that thou hast found in the Holy Writ He would talk to his soul after reading the text The author began to read the Psalms and reflect on what each one said to his soul He has done that for fifty years In this book he focuses on the Psalms of Moses which encompass Psalms 90 to 106 They may have been collected by the men of Hezekiah during the reign of King Hezekiah and or by Ezra following the Babylonian Captivity It was titled The Numbers Book the Wilderness Sojourn and the Promised Land The Pulpit Commentary Vol 8 254 The Companion Bible Psalms 720 The Psalms are a wonderland of devotion They have enlightened the author s mind and encouraged his spirit They can do the same for you all while providing principles for living this life as you help others walk with the Lord **Awake O Harp** William Clayton Varner,Professor of Bible and Greek William Varner,2012-03 *Awake O Harp* is a rich and encouraging study of the Psalter focusing on its devotional impact It combines clear writing with a thorough knowledge of the message of the OT and NT a passion to recognize the Messiah in the OT and a great appreciation for the biblical psalms *Awake O Harp* offers us a great companion to our reading of the Psalter encouraging us to read pray sing and meditate on these powerful passages **The Treasury of David** Charles Haddon Spurgeon,1882 *Selections from the Psalms* Father Andrew,1955 *Selections from the Psalms. A Devotional Commentary* Father ANDREW (S. D. C., Henry Ernest Hardy),1955 **The Treasury of David** Charles Haddon Spurgeon,1881 This book is the fifth part of an original exposition of the book of Psalms with a range of illustrative extracts

and notes to help pastors prepare sermons It covers Psalms 111 through 119 **THE TREASURY OF DAVID** Charles Haddon Spurgeon,1869 **The Treasury of David** Charles Haddon Spurgeon,1976 **The Songs of Christ** J. J. Lim,2019-06-11 The apostle Paul says Let the word of Christ dwell in you richly in all wisdom teaching and admonishing one another in psalms and hymns and spiritual songs singing with grace in your hearts to the Lord Col 3 16 It is obvious then that the psalms were divinely appointed for singing But how should we sing them With what attitude should we sing them Should we sing them dispassionately as third parties recounting the feelings and experiences of those who lived almost three millennium ago Should we try to step into the shoes of the psalmist and attempt to stir up in our heart the emotions he felt Or should we try to ignore the historical context of the songs and try to link what we are singing with our present experience and situation in life But what if we have never gone through and are not going through the experience of the psalmist whether it has to do with persecution sicknesses controversy against enemies or wretchedness due to grievous sins Do we still sing it but mindlessly like the way children may sing the tragic love ballad Oh My Darling Clementine Surely not For the psalms are designed for singing in worship and we are to worship not only with our lips but with our heart The solution according to this author is found in the words of Paul with which we began this blurb The words of the psalms differ from that of all other songs for they are the word of Christ in a distinct way from all other passages of Scripture This is the way that the apostles have used the psalms even where the psalm suggests a specific historical context in the experience of the psalmist and gives no hint that it has anything to do with Christ Believers then must sing the psalm in union with Christ to speak of His work and experiences on our behalf and of His desires and hopes for us When we sing the psalm we are as it were joining our Savior to sing His words to praise the Father to encourage and admonish one another to grieve in the right way and to imprecate in a godly manner This simple devotional commentary is an attempt to show how the psalms may be appreciated and used with this understanding in mind *Psalms 73-150* Derek Kidner,1975 **A Commentary on the Book of Psalms; Critical, Devotional, and Prophetical. With the Text of the Authorized Version, Metrically Arranged, According to the Original Hebrew. By William De Burgh ,1860**
