R. Bingham Rev. Richard BINGHAM (the Younger.),1871     *Spiritual Moments with the Great Hymns* Evelyn Bence,1997 The great hymns keep on giving strength bolstering faith They endure because they build on the human heart As do these meditations based on seventy favorite hymns and gospel songs Sometimes they beckon softly and tenderly sometimes they pierce like a trumpet call Like the hymns the readings in this books may herald tidings of comfort and joy Rephrase an old old story Remind us that Jesus loves us and bids us to shine Testify to God s amazing grace Prompt us to fall on our knees to lift up every voice Some of them tie a song s origin to its message Many weave in moments of epiphany How and when did a particular hymn touch someone s spirit All of them lead you to consider God s Word as you face daily victories and challenges There s something extraordinary about these devotional readings by Evelyn Bence Put yourself in the hands of a masterful storyteller who knows how to draw you in and draw you near     **Hymnologia Christiana Latina: or, A century of psalms and hymns and spiritual songs, tr. into Lat. verse by R. Music,1999 Explores the properties of Christian hymns discussing how they developed and providing a survey

of hymns over the years Includes musical scores for a variety of hymns      Being Committed in a Difficult Place Vernadette R. Augustusel,2020-06-12 When faced with life s challenges we need to learn how to stand and remain committed during hard and complicated times instead of taking flight when things become difficult or problematic I guess one could say that is practicing the art of being optimistic But God has put something more on the inside of each of us than just being optimistic something that helps us stand when life becomes challenging From time to time all of us have been faced with complex issues in life Unfortunately it is in those times the testing times that some people will give up on life But for those who know who God is who they are and what their purposes are in life have learned to stand and be committed in difficult times In the book of Joshua 1 9 AMP God first asks Joshua a question and then tells him Have I not commanded you Be strong and courageous Do not be terrified or dismayed intimidated for the Lord your God is with you wherever you go We have that same powerful presence of God available to us today Once we have accepted Jesus Christ as our personal Lord and Savior we come to know and realize that God is with us It s also important to understand that we have available to us his grace love faithfulness and mercy With all of that available to us we should feel empowered to being committed during hard and difficult times This is why it is important for us not to become settled in our hardships or difficulties or to take on a defeated attitude towards life But we should continue trusting and believing God as we go through our difficulties knowing that God always has a way out First Corinthians 10 13 14 states No temptation has overtaken you except what is common to mankind And God is faithful he will not let you be tempted beyond what you can bear But when you are tempted he will also provide a way out so that you can endure it The Word continues to encourage us in Ecclesiastes 9 4 anyone who is among the living has hope even a live dog is better off than a dead lion It is my belief that God has put in each of us an inner strength and peace that we must learn how to tap into obtain and walk in This inner strength is available to each of us if we believe respect and receive it so that we can be committed in difficult and uncertain times      **The Lord Reigns** James Luther Mays,1994-01-01 James Mays convincingly argues that the declaration The Lord reigns is not only a statement of faith but a statement of a particular worldview that is there is a God and all of reality can be understood only in terms of God and God s sovereignty By addressing the importance of the language associated with the reign of God as expressed in the Psalms The Lord Reigns offers a way to better understand the relationship between God and creation      **Liturgy and Music** Robin A. Leaver,Joyce Ann Zimmerman,1998 Liturgy and Music Lifetime Learning is not only for pastoral music majors but also for professional pastoral musicians pastors and liturgical practitioners This volume should help those involved with liturgy especially its music gain a basic knowledge of liturgy worship and an introduction to the scope and role of liturgical music and musicians in various Christian denominations      British Methodist Hymnody Martin V. Clarke,2017-07-06 Hymnody is widely recognised as a central tenet of Methodism s theological doctrinal spiritual and liturgical identity Theologically and doctrinally the content of the hymns has traditionally been a primary vehicle for expressing Methodism s emphasis on

salvation for all social holiness and personal commitment while particular hymns and the communal act of participating in hymn singing have been key elements in the spiritual lives of Methodists An important contribution to the history of Methodism British Methodist Hymnody argues that the significance of hymnody in British Methodism is best understood as a combination of its official status spiritual expression popular appeal and practical application Seeking to consider what when how and why Methodists sing British Methodist Hymnody examines the history perception and practice of hymnody from Methodism s small scale eighteenth century origins to its place as a worldwide denomination today
