Psychiatric Consultations for Public Organizations Jules Homan Masserman,1990 *Consultation in Mental Health and Related Fields* Fortune Vincent Mannino,1969 *An Introduction to Consultee-Centered Consultation in the Schools* Jonathan H. Sandoval,2013-12-04 Drawing on historical writings about mental health consultation and on contemporary research and theory Jonathan Sandoval lucidly explains the consultee centered approach to consultation The book provides an expert foundation on which to build a training program for future school based consultants Written for graduate students in school psychology counseling psychology special education and social work this book is an invaluable resource for mental health professionals working in schools who wish to upgrade their professional skills and grow as reflective practitioners Individual chapters describe different stages in the consultation process outline the processes characterized in each stage detail useful consultant skills review pertinent research discuss the ethical principles underlying practice and suggest self monitoring questions for student consultants Featuring a step by step developmental model of the consultee centered consultation process this book encourages consultants to prioritize those characteristics that contribute to a consultee s work difficulty in addition to assessing the client more generally By detailing this unique approach this concise volume provides an applicable contextualized and strategic form of consultation and fosters a professional to professional relationship distinguishable from supervision counseling therapy coaching or other methods **Consultation and Community Organization in Community Mental Health Nursing** Grace L. Deloughery,Kristine M. Gebbie,Betty M. Neuman,1971 **Handbook of Mental Health Consultation** ,1986 **Community Mental Health Centers, Perspectives of the Seventies** ,1981 *Public Health Service Publication* ,1967 **Consultation In Community, School, And Organizational Practice** William P. Erchul,2019-01-15 Offering an historical perspective on the development of mental health consultation and community mental health this book s intent is twofold First it describes and evaluates Harvard psychiatrist Gerald Caplan s innovative approach to consultation and related activities with respect to the current and future practice of clinical community school and organizational psychology Second it pays tribute to Caplan whose ideas on prevention crisis theory support systems community mental health mental health consultation and collaboration and population orientated psychiatry have influenced the practice of professional psychology and allied fields The text is divided into three sections the first provides background information for the remainder of the volume the second documents Caplan s influence on the way psychology has been applied in various settings andthe last considers his contribution s present and past influence The text is aimed at consultant and practising psychologists community and school psychology graduates and professionals involved with community mental health services *Consultee-Centered Consultation* Nadine M. Lambert,Ingrid Hylander,Jonathan H. Sandoval,2004-05-20 This book describes the theory methods and contemporary applications of consultee centered consultation a non hierarchical non prescriptive helping relationship between a consultant

and a person or group consultee seeking professional help with a client The goal is to provide help in re conceptualizing the consultee s work problem thereby 1 improving their relationship with the client and 2 expanding the professional repertoire of both consultant and consultee Key features of this outstanding new book include the following Conceptual Change Focus The process of conceptual change in both the consultant and consultee is stressed throughout the book Historical Perspectives The first section describes the historical evolution of consultee centered consultation beginning with the work of Gerald Caplan and progressing to its broad contemporary version that accommodates various professions and multiple psychological orientations Numerous Examples The book provides a wealth of examples illustrating how consultee centered consultation can be applied within school child care social welfare hospital and corporate settings International Focus The chapter contributors represent a wide range of geographical and professional expertise Evaluation Methods The final section provides examples of evaluation methods This volume is appropriate for school counseling and clinical and child clinical psychologists human service professionals working with professionals from other disciplines and special education leaders
