Evidence-Based Adjunctive Treatments William O'Donohue, Nicholas A. Cummings, 2011-04-28

Adjunctive treatments in which patients are provided additional modalities that can assist in their behavior change or the maintenance of their behavior change i.e. telehealth psychoeducation consumer driven treatment planning have a useful role in addressing problems that can't be solved by face to face meetings The adjunctive therapies covered in this book are all based on improving patient's self management of their problems or the factors that exacerbate their problems The book is broadly organized into two sections The first gives a broad overview of the major adjunctive modalities and the second concentrates on a systematic description of their role in the treatment of a number of special populations while providing practical suggestions for the timing and coordination for the use of the adjunctive therapies discussed in the book

Psychiatric Care of the Medical Patient Barry S. Fogel, Donna B. Greenberg, 2015-05-28 The third edition of *Psychiatric Care of the Medical Patient* brings a classic reference text into the twenty first century It combines critical scholarship with the voice of expert clinicians who work at the interface of psychiatry with medical specialties It is meant to be read for pleasure as well as consulted as a reference The editors have worked with the authors to bring a consistent perspective to the book one that sees the medical psychiatrist as an agent for bringing a more comprehensive perspective to medical care Even seasoned and knowledgeable practitioners will find much that is new to them in this book The volume covers topics in depth that other books in the field may not cover at all such as the use of herbal and nutritional therapies for medical psychiatric symptoms and syndromes and the choice of questionnaires to supplement history taking It looks at old topics in a new way The chapter on the physical examination applies psychometric considerations to the Babinski sign describes the method and application of quantitative bedside olfactory testing and discusses smartphone apps to improve the sensitivity of the examination *Psychiatric Care of the Medical Patient* 3rd Edition provides concepts and information to facilitate the dialogue between psychiatrists and general medical specialists minimizing psychiatric jargon and speaking in the common language of caring and curious physicians

Policy and Program Planning for Older Adults and People with Disabilities, Second Edition Elaine

Jurkowski, 2019-01-14 The second edition of this landmark textbook is distinguished by its pioneering approach to encompassing disability and aging policies under one umbrella in response to the newly developed Administration on Aging and Disability. It addresses policy changes impacting health and disability services resulting from the Affordable Care Act (ACA) and other new legislation and offers a pioneering approach to transforming policy into practice applications. New to the second edition is current census data and new legislative mandates from the ACA and other policy organizations impacting aging adults and/or disabled populations. Also included is new coverage on Social Media, Motivational Interviewing, Health Literacy, Underrepresented Groups, LGBT, and Rural Communities. Podcasts available as downloads present the messages of advocates, lobbyists, policy experts, and consumers who address various aspects of relevant policies and policy development. Unlike other texts, the book focuses on triangulating skills, policies, and programs for graduate students in social work, public health, gerontology, and rehabilitation. It aims thus to enhance understanding of policy development through a critical analysis and review of policy framework and promotes development of skills in shaping programs and implementing policy. The text lays out tools that facilitate policy and program development to include the media coalition building, the use of an evidence base, and how each mandated policy addresses these programs and services. Chapters include learning objectives, case studies, review, discussion questions, and resources for additional information. An Instructors Manual, Test Bank, and PowerPoint slides facilitate the teaching process. New to the Second Edition: Addresses both disability and aging policies. Includes updated census data. Presents new legislation and mandates for the ACA, Veterans and the Military Caregivers Caregiver Support Act, Alzheimer Support, Health Lifestyles, Aging and Disability Resource Centers, Elder Justice Act, and Substance Use and Misuse. Provides new coverage on Social Media, Motivational Interviewing, Health Literacy, Minorities, Incarcerated Individuals, Immigrants, Refugees, LGBT, and Rural Communities. Offers podcasts of interviews with key consumers and policy experts. Key Features: Lays out tools that facilitate policy and program development. Examines major service areas for older adults. Addresses philosophical, historical, and demographic challenges. Enhances understanding of policy development through critical analysis. Includes learning objectives, case studies, review questions, and instructor package.

Geriatric Psychiatry in South Asia Nilamadhab Kar,Sujita Kumar Kar,S. M. Yasir Arafat,2025-07-28 This book is about the current status and ways ahead of geriatric psychiatry in South Asia South Asia is home to a large proportion of the world s elderly With improved longevity the geriatric population is increasing fast in recent years in South Asian countries Along with this the mental health burden of the older adults is increasing However mental health care of older adults in South Asia is a neglected area Little is known about the burden of mental disorders and available mental health services specific for the

older adults population in South Asia and other low and middle income countries It is well known that resources are fewer in this region and most of the older adults in these areas are not recognized or treated There is a urgent need to explore the services available their appropriateness and effectiveness and to reflect on the region specific economically viable solutions that can be adapted soon The book discusses how these services can be seamlessly integrated to the existing support systems Besides the interventional aspects the book also explores the facilitating and impeding factors of implementing evidence based preventive efforts in these countries
