Real Life Christianity:

Christianity and Real Life William E. Diehl, 1976 *Real Life Christianity* Alan Kelly, 2009-10 So many in Christianity are confused about their beliefs it is no wonder that those new to the faith have trouble knowing where to start In *Real Life Christianity* 7 Basic Principles for Successful Christian Living author Alan Kelly helps both kinds of readers see that with the right guide it is not hard to bring our faith into our daily lives Beginning with a solid foundation of who God is and who we are *Real Life Christianity* then demonstrates what went wrong in our relationship with God and what God has done to redeem us With these principles in place Alan moves on to show in simple terms how God has planned for us to live a successful life by changing the way we think This daily process of applying what we learn in the Bible to the routines and events of our real lives helps us to go from just surviving to flourishing from living a hectic and harried life to living the abundant and prosperous life God promised in his word *Real-Life Christianity* Andrew Knowles, 1995 Introduction to following Jesus

Our Real Life in Christ M. Alberto Zelaya Aragon, 2013-11-21 Its essential to uncover the current malady affecting the organized Christian Church today not its structuring and not necessarily its organizational approach but present to it His solution which has never been hidden or even veiled in His Word which is that we must return to the true roots of Christianity which is founded on the individual discipleship of each member of His body just as Jesus designed it and modeled it for us while He ministered on this earth It passed the acid test of resiliency when it was mercilessly persecuted as its disciples applied the principles as instituted and instructed by our Lord for all of us to display and to do I encourage anyone to do a Bible search for the word disciple and believer and see firsthand that these words are not interchangeable or used in the same context when referring to a specific person whos known to be committed to our Lord versus referring to a generalization in the third person to someone or a group whos aware about the existence of the real living God Gods remedy its still available today to anyone who truly desires to attain it and can decipher that its only through discipleship that a true believer is infected with the enthusiasm zeal and eagerness in the commitment to fulfill John 8 31 and Matthew 28 19 reaching to those around them who thirst and hunger for the things of God and in that process experience the life He promises we can live now Its time to abandon once and for all the current practices of mass producing supporters and inscribe it into our minds that the Great Commission was not to make believers but to make disciples The early church didn't churn out cheerleaders and advocates but bona fide disciples taught and equipped according to Ephesians 6 10 17 who then as members of the body of Christ led by example transforming them into a formidable most powerful and effective force the Roman Empire had ever seen Again I want to reiterate that I am not against the church as organized by the apostles but want to revolutionize it where discipleship is the top priority and purpose for its existence I am critical of the current organized version that has taken the place of the real church that nowadays is wasting vast resources and investing them in huge entertainment amphitheatres and often dilute distort and obscure the true message and method to attain this new life

established by our Lord Unless this change happens we cant truly reach and change a lost world Our Real Life in Christ seeks to help those who are experiencing that gnawing sensation that there is much more to Gods Word than what is being offered by those weekly sermons in churches today

Page 4 of cover Christianity's Source Harry L. Tabony, 2007-12 Christianity's Source is the result of a quest that started almost eighty years ago. After reading the Catholic recommended writers like Augustine and Aquinas, the author went through the Greeks and many other well-respected philosophers coupled with a great deal of painful thinking. As each topic is developed, questions are posed that ask the readers to make logical personal appraisals. It is proposed that any individual, given the facts and information on each topic, can use his/her own intellect to reach logical conclusions. The initial area of inquiry is where did Judeo-Christianity come from. This book is based on the works of highly respected Egyptologists, Anthropologists, Historians, and Biblical scholars. A few that were included are Cheikh Anta Diop (1923-1986), Godfrey Higgins (1771-1834), Gerald Massey (1828-1907), Alvin Boyd Kuhn (1880-1963), Elaine Pagels, Bart Ehrman, Karen L. King, Paul Johnson, and Tom Harpur. You will see a list of over fifty specific basic beliefs that were copied and are backed up with irrefutable proof going back to at least 3000 BC and perhaps to 10,000 BC. The proof is in the Egyptian Book of the Dead, the Pyramid Texts, the Amduat, and the Book of the Dead. *More Than a Sunday Faith* Chris Suitt, 2014-08-01 Today's Christianity is broken and ineffective as seen by the fact that generations of people don't want anything to do with the Jesus they see in Christians. The reality is that a Christian worldview simply doesn't work in the real, everyday world in which they live. Jesus, however, not only came to give people eternal life but also to radically change and give them life today. How this happens was the question posed by the author who had a personal challenge that was destroying his family and his career as a pastor. The Christian solutions were not working, forcing him to ask Jesus outside of a miracle: how do you change a life? The answer he discovered was the SET-FREE-NOWWW principles, the basis of a Biblical worldview. When believers in Jesus meet their needs in their own or society's way, follow unbiblical ways of processing daily life, or rely upon Christian clichés, they'll experience disappointment, disillusionment, and disaster. Processing daily life through a Biblical worldview will change their life from the inside out, bringing with it peace, love, significance, and security each day, not just on Sunday. *More Than a Sunday Faith* is not more whistles but the how-to's of living with a Biblical worldview. It is not a book just to be read but principles to be lived each day. The author gives a number of practical tools to have and practice real faith throughout the week. As this happens, not only will Christians experience the life Jesus offers but the generations who don't want anything to do with Him just might want the Jesus they see in them. Solitude and Compassion Gordon, Gus, 2014-04-10 Richard Rohr says about this book and its author that the only authors worth reading are those who have done their homework the homework of their own life and the study of other great minds and hearts Gus Gordon has done both Here you will reap and enjoy the rewards By showing the deep connections between solitude and solidarity he reveals the very heart of the Gospel Gus Gordon has learned from both Jesus and the Buddha how to use solitude to nurture compassion freeing up the divine energy within to live in solidarity with others experiencing the peace in life you share with others This is a very practical book about how to bring high ideals of both great religious founders to your heart Gordons book will speak and it will speak powerfully to the many of us who are struggling with the need to be nurtured by solitude and solidarity action and contemplation prophecy and mysticism wisdom and love Paul F Knitter Union Theological Seminary New York
