Kenneth Burke and the Conversation after Philosophy Timothy W. Crusius,1999-03-30 Throughout much of his long life 1897 1993 Kenneth Burke was recognized as a leading American intellectual perhaps the most significant critic writing in English since Coleridge From about 1950 on rhetoricians in both English and speech began to see him as a major contributor to the New Rhetoric But despite Burke s own claims to be writing philosophy and some notice from reviewers and critics that his work was philosophically significant Timothy W Crusius is the first to access his work as philosophy Crusius traces Burke s commitment and contributions to philosophy prior to 1945 from Counter Statement 1931 through The Philosophy of Literary Form 1941 While Burke might have been a late modernist thinker Crusius shows that Burke actually starts from a position closely akin to such postmodern figures as Michel Foucault and Richard Rorty Crusius then examines Burke s work from A Grammar of Motives 1945 up to his last published essays drawing most heavily on A Rhetoric of Motives The Rhetoric of Religion and uncollected essays from the 1970s This part concerns Burke s contributions to human activities always closely associated with rhetoric hermeneutics dialectic and praxis Burke s highly developed notion of our species as the symbol using animal argues Crusius draws together the various strands of his later philosophy his concern with interpretation with dialectic and dialogue with a praxis devoted to awareness and control of the self deceiving and potentially self destructive motives inherent in language itself

Daughton,Rebecca Lavalley,2017-12-06 A comprehensive and up to date introduction to the analysis of public rhetoric Modern Rhetorical Criticism teaches readers how to examine and interpret rhetorical situations ideas arguments structure and style The text covers a wide range of critical techniques from

cultural and dramatistic analysis to feminist and Marxist approaches A wealth of original criticism demonstrates how to analyze such diverse forms as junk mail campaign speeches and popular entertainment as well as literature This long awaited revision offers specific guidance on crafting analytic essays and contains new coverage of legacy as well as new media identity criticism and post colonial and decolonial criticism The fourth edition also offers additional resources online for instructors and students

Kenneth Burke on Myth Lawrence Coupe,2013-10-18 Kenneth Burke rhetorician philosopher linguist sociologist literary and music critic crank was one of the foremost theorists of literary form He did not fit tidily into any philosophical school nor was he reducible to any simple set of principles or ideas He published widely and is probably best known for two of his classic works A Rhetoric of Motive and Philosophy of Literary Form His observations on myth however were never systematic and much of his writing on literary theory and other topics cannot be fully understood without fleshing out his thoughts on myth and mythmaking

Encyclopedia of Contemporary Literary Theory Irene Rima Makaryk,1993-01-01 The last half of the twentieth century has seen the emergence of literary theory as a new discipline As with any body of scholarship various schools of thought exist and sometimes conflict within it I R Makaryk has compiled a welcome guide to the field Accessible and jargon free the Encyclopedia of Contemporary Literary Theory provides lucid concise explanations of myriad approaches to literature that have arisen over the past forty years Some 170 scholars from around the world have contributed their expertise to this volume Their work is organized into three parts In Part I forty evaluative essays examine the historical and cultural context out of which new schools of and approaches to literature arose The essays also discuss the uses and limitations of the various schools and the key issues they address Part II focuses on individual theorists It provides a more detailed picture of the network of scholars not always easily pigeonholed into the categories of Part I This second section analyses the individual achievements as well as the influence of specific scholars and places them in a larger critical context Part III deals with the vocabulary of literary theory It identifies significant complex terms places them in context and explains their origins and use Accessibility is a key feature of the work By avoiding jargon providing mini bibliographies and cross referencing throughout Makaryk has provided an indispensable tool for literary theorists and historians and for all scholars and students of contemporary criticism and culture

The Handbook of Organizational Rhetoric and Communication Oyvind Ihlen,Robert L. Heath,2018-08-14 A one stop source for scholars and advanced students who want to get the latest and best overview and discussion of how organizations use rhetoric While the disciplinary study of rhetoric is alive and well there has been curiously little specific interest in the rhetoric of organizations This book seeks to remedy that omission It presents a research collection created by the insights of leading scholars on rhetoric and organizations while discussing state of the art insights from disciplines that have and will continue to use rhetoric Beginning with an introduction to the topic The Handbook of Organizational Rhetoric and Communication offers coverage of the foundations and macro contexts of rhetoric as well as its use in organizational communication public

relations marketing management and organization theory It then looks at intellectual and moral foundations without which rhetoric could not have occurred discussing key concepts in rhetorical theory The book then goes on to analyze the processes of rhetoric and the challenges and strategies involved A section is also devoted to discussing rhetorical areas or genres namely contextual application of rhetoric and the challenges that arise such as strategic issues for management and corporate social responsibility The final part seeks to answer questions about the book's contribution to the understanding of organizational rhetoric It also examines what perspectives are lacking and what the future might hold for the study of organizational rhetoric Examines the advantages and perils of organizations that seek to project their voices in order to shape society to their benefits Contains chapters working in the tradition of rhetorical criticism that ask whether organizations rhetorical strategies have fulfilled their organizational and societal value Discusses the importance of obvious traditional nuanced and critically valued strategies such as rhetorical interaction in ways that benefit discourse Explores the potential risks paradoxes and requirements of engagement Reflects the views of a team of scholars from across the globe Features contributions from organization centered fields such as organizational communication public relations marketing management and organization theory The Handbook of Organizational Rhetoric and Communication will be an ideal resource for advanced undergraduate students graduate students and scholars studying organizational communications public relations management and rhetoric

Power to Hurt William Frank Monroe, 1998 William Monroe addresses what William J Bennett ignores in The Book of Virtues How do readers use literature as equipment for living Tackling modernism and postmodernism Monroe outlines virtue criticism an alternative to current theory Focusing on works by T S Eliot Vladimir Nabokov and Donald Barthelme he demonstrates that these alienistic texts are not just filled with belligerence but are also endowed with virtues such as trust and the promise of solidarity with the reader By considering these vital texts as responses to personal situations and institutional practices Monroe brings literature back to the common reader and shows how it offers functional responses to the dysfunctional situations of modern life Readers interested in literary criticism American culture and the relationship between ethics and literature will be fascinated by virtue criticism and this fresh look at the virtues and vices of alienation Chosen as a Choice Magazine's Outstanding Academic Book for 1999

The Promise of Reason John T. Gage, 2011-11-11 No single work is more responsible for the heightened interest in argumentation and informal reasoning and their relation to ethics and jurisprudence in the late twentieth century than Cha m Perelman and Lucie Olbrechts Tyteca's monumental study of argumentation La Nouvelle Rh torique Trait de l Argumentation Published in 1958 and translated into English as The New Rhetoric in 1969 this influential volume returned the study of reason to classical concepts of rhetoric In The Promise of Reason Studies in The New Rhetoric leading scholars of rhetoric Barbara Warnick Jeanne Fahnestock Alan G Gross Ray D Dearin and James Crosswhite are joined by prominent and emerging European and American scholars from different disciplines to demonstrate the broad scope and continued relevance of The

The Legacy of Kenneth Burke Herbert W. Simons, Trevor Melia, 1989 Capturing the lively modernist milieu of Kenneth Burke's early career in Greenwich Village where Burke arrived in 1915 fresh from high school in Pittsburgh this book discovers him as an intellectual apprentice conversing with the moderns Burke found himself in the midst of an avant garde peopled by Malcolm Cowley Marianne Moore Jean Toomer Katherine Anne Porter William Carlos Williams Allen Tate Hart Crane Alfred Stieglitz and a host of other fascinating figures Burke himself who died in 1993 at the age of 96 has been hailed as America's most brilliant and suggestive critic and the most significant theorist of rhetoric since Cicero Many schools of thought have claimed him as their own but Burke has defied classification and indeed has often been considered a solitary eccentric genius immune to intellectual fashions But Burke's formative work of the 1920s when he first defined himself and his work in the context of the modernist conversation has gone relatively unexamined Here we see Burke living and working with the crowd of poets painters and dramatists affiliated with Others magazine Stieglitz's 291 gallery and Eugene O'Neill's Provincetown Players the leftists associated with the magazines The Masses and Seven Arts the Dadaists and the modernist writers working on literary journals like The Dial where Burke in his capacity as an associate editor saw T.S. Eliot's The Wasteland into print for the first time and provided other editorial services for Thomas Mann e.e. cummings Ezra Pound and many other writers of note Burke also met the iconoclasts of the older generation represented by Theodore Dreiser and H.L. Mencken the New Humanists and the literary nationalists who founded Contact and The New Republic Jack Selzer shows how Burke's own early poems fiction and essays emerged from and contributed to the modernist conversation in Greenwich Village He draws on a wonderfully rich array of letters between Burke and his modernist friends and on the memoirs of his associates to create a vibrant portrait of the young Burke's transformation from aesthete to social critic *Critical*

Responses About the Black Family in Toni Morrison's God Help the Child Rhone Fraser, Natalie King-Pedroso, 2019-12-17 Critical Responses About the Black Family in Toni Morrison's God Help the Child explores the integral role of what Kobi Kambon has called the conscious African family in developing commercial success stories such as those of Morrison's protagonist Bride Initially Bride's accomplishments are an extension of a superficial cult of celebrity which inhabits and undermines the development of meaningful interpersonal relationships until a significant literal and metaphorical journey helps her redefine success by facilitating the building of community and family **Management of Corporate**

Communication Robert L. Heath, 2020-07-24 Whereas many organizational communication texts address internal communication processes few consider the efforts that companies expend to communicate with external stakeholders Likewise many texts that concentrate on public relations or advertising consider external communication but fail to give attention to internal communication Combining both points of view this text explains how an entire organization operates through enactments of personnel and external stakeholders Central to this book is a concern for meaning and its influence on

the performance of jobs in response to expectations of co workers and external publics The concept of narrative is used to explain how individual and organization performance is the expression of personae that are best when enacted jointly in varying degrees of coordination to satisfy mutual performance expectations Narrative explains the power of organizational meaning interpersonal contacts group performance stakeholder negotiation and internal and external organizational zones of meaning assumptions that are shared by people who enact an organization through coordinated efforts
