Reality And Mysticism:

Religion and Reality James Henry Tuckwell,1977 **Religion and Reality** James Henry Tuckwell,2019 **Reality and Mystical Experience** F. Samuel Brainard,2008-03-05 Responding to our modern disillusionment with any claims to absolute truth regarding morality or reality this book offers a conceptual approach for discussing absolutes without denying either the relevance of divergent religious and philosophical teachings or the evidence supporting postmodern and poststructuralist critiques Case studies of mysticism within Advaita Ved _nta Hinduism M _dhyamika Buddhism and Nicene Christianity demonstrate the value of this approach and offer many fresh insights into the metaphysical presuppositions of these religions as well as into the nature and value of mystical experience Like Douglas Hofstadter s G _del Escher Bach this book finds ultimate reality to be rationally graspable only as an eternal fugue of pattern and paradox Yet it does not so much counter other philosophical views as provide a conceptual tool for understanding and classifying incommensurable views
