theology people historical events institutions and movements related to Hinduism **Hinduism and the Man on the Cross** Norman Law, 2023-10-10 The reason for writing this book is because of God's irrefutable love for the people of India through His only Begotten son Jesus Christ This book explores the records of archeology history of migration language and religion of Hinduism and the findings are astonishing in that it is not what we normally expect The author described the character and attributes of the six major Hindu deities Brahma Vishnu Shiva Indra Krishna and Rama as written in the ancient sacred Vedic Hindu texts Rig Veda Samaveda Yajur Black and White Vedas Atharva Veda Upanishads Bhagavad Gita Ramayana Mahabharata and the Puranas and they are definitely not as common beliefs or rumors passed down from generation to generation A comparison is made with the character and attributes of God as described in the Christian Bible Similarly the author explores the origin of Hinduism's major doctrines Krishna's claims the Samsara cycle Trimurti avatars dharma self realizations renunciation of and freedom from attachments yogic meditation demonic possession and minor doctrines like worship idol worship sin death incarnation castes hell curses women astrology etc as found in the ancient sacred Vedic texts as mentioned above and compared them with the theology doctrines and practices as found in the Christian Bible Shreemad Bhagavad Gita Paramahansa Sri Swami Vishwananda, 2016-05-31 The Shreemad Bhagavad Gita is one of the most ancient scriptures in the world It contains the direct word of God spoken for all of mankind irrespective of religion or tradition Its philosophy and teachings are central to human life It teaches us to live our daily lives in Divinity as a service unto God and His creation It achieves this by gifting us true knowledge faith devotion surrender detachment and a release of expectations and ownership over one's own actions It comes as a stark contrast to the lives with which we have grown accustomed to leading Today's world is filled with constant desire for material wealth sense pleasures individualism and egoism The Gita acts as a lighthouse on the shores of Vaikunta guiding lost sailors at the sea of illusion to safety But like any teaching time and unqualified minds can distort it and misunderstand what is contained within It is for that purpose that the Lord continuously takes birth on earth in the form of the Guru to revive the true essence of the Gita to show the simplicity of the message of Bhagavan One such Master is Paramahansa Sri Swami Vishwananda and in this book which is his personal commentary we hold a treasure chest of spiritual insight
