

The book cover features a photograph of three teenagers at a prom. A young man in a white tuxedo jacket and black bow tie is the central figure, looking directly at the camera with a slightly concerned expression. He is holding a small bouquet of flowers. To his right, another young man in a black tuxedo jacket and white bow tie stands with his arms crossed, looking off to the side. In the bottom left corner, a young woman with long brown hair is sitting at a table with a white tablecloth, resting her chin on her hand and looking towards the camera. A blue plastic cup is on the table in front of her. In the top left corner, a portion of a disco ball is visible. The background is dark and out of focus.

Criminal adventures. An unlikely romance.
A prom night you'll never forget.

of Queer Young Adult Literature shows how YA cultural productions are akin to the broader queer imagination in their ability to move and affect audiences and how these texts encapsulate a significant and enduring change in terms of how queerness is or can be read structured represented and felt The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license
