The COURCHENE PAPERS

Thomas J. Courchene

Introduction by Marcel Côté

Rearrangements The Courchene Papers

Robert Young

Rearrangements The Courchene Papers:

Rearrangements Thomas J. Courchene, 1995 **Rearrangements** Thomas J. Courchene, 1992 Contents Introduction What Does Ontario Want The Coming of Age of John P Robarts Confederation of Tomorrow Conference Forever Amber The Community of the Canadas A First Nations Province Global Competitiveness and the Canadian Federation Grappling with Mobility The Role of the State as a Regulator of Financial Institutions Zero Means Almost Nothing Towards a Preferable Inflation and Macro Stance Canada 1992 Political Denouement or Economic Renaissance In Praise of Renewed Federalism

The Secession of Quebec and the Future of Canada Robert Andrew Young, 1998 Based on the premises that Quebecers vote for independence in a referendum and Canada accepts this result The Secession of Quebec and the Future of Canada is a timely examination of the implications of separation for Quebec and the rest of Canada **Secession of Quebec and the Future of Canada** Robert Young, 1995-01-23 Robert Young discusses the ways in which Canadians might reconstitute their country after Quebec separates and considers possible political and economic arrangements between Quebec and Canada the association aspect of sovereignty association including the breakdown of economic cooperation Arguing that the long term future of Canada and the shape of Canada Quebec relations will depend on how the transition to sovereignty takes place Young provides a clear and detailed analysis of how the transition is likely to occur His discussion addresses major issues to be negotiated during the secession citizenship national debt borders armed forces and public service commercial and economic relations currency First Nations minority rights mobility and immigration and environmental matters For comparison Young draws on the experiences of other countries where peaceful secession has occurred including Czechoslovakia The second edition includes a new preface and concluding chapter that discuss to what extent the situation has changed since the referendum of 1995 *Thinking Outside the Box* Keith G. Banting, Richard P. Chaykowski, Steven F. Lehrer, 2015-11-30 Building on the work presented in Styran and Taylor's This Great National Object which told the story of the first three Welland canals built in the nineteenth century This Colossal Project chronicles an impressive milestone in the history of Canadian technological achievement and nation building Unusual Suspects Gilles Paquet, 2022-08-10 Unusual Suspects Essays on Social Learning looks into the forces at work that have undermined critical thinking and sound intellectual inquiry in the world of public affairs in Canada have fostered reductive perspectives and destructive blockages to collaborative governance to emerge and have succeeded in blinding observers to the real sources of the present Canadian malaise blocking the road to imaginative repairs Part I deals frontally with the twilight of critical thinking that has led to a dramatic weakening of the critical examination of issues and the process of inquiry that has been significantly weakened by ever narrower perspectives Part II focuses on two mental prisons the obsessive and reductive insistence on a quantophrenic twist only that which can be quantified counts and the failure by crucial partners to live up to the requirements of their burden of office in circumstances when disloyalty considerably enfeebles the possibility of effective

collaborative governance and the chance for organizations to succeed Part III suggests that it is not impossible to get rid of the blinders preventing the adoption of more synoptic approaches and the exploration of more imaginative designs to repair our organizations and institutions Ways to deal with the challenges facing the Canadian socio economy are hinted at and the work of a successful social architect showcased The conclusion makes the case for an approach that is both synoptic and guided by reasonableness against the dogmas of disciplines and skimpy rationality

Seeking a New Canadian Partnership F. Leslie Seidle, Institute for Research on Public Policy, 1994 This document presents asymmetrical and confederal options regarding a new partnership Topics covered are brinkmanship and renewal of Canadian federalism toward a multinational federalism flexibility within the present constitutional framework and the challenge of diversity

Towards North American Monetary Union? Eric Helleiner, 2006 Many believe that Canada's deepening economic integration with the United States and the worldwide trend towards currency blocs will eventually lead to a North American monetary union In the first detailed analysis of Canadian exchange rate politics Eric Helleiner challenges this view Helleiner finds little support in the US for the concessions that would be necessary to make a North American monetary union palatable in Canada Comparing the US Federal Reserve and the European Monetary Union he argues that Canada would exercise far less influence within a North American monetary union than individual countries do within the European community He also analyses the seemingly paradoxical support of Quebec sovereignists for free trade and monetary union Towards North American Monetary Union explores Canada's unusually strong commitment throughout the twentieth century to a floating exchange rate for its national currency a commitment that Helleiner argues is likely to endure

Modern State Intervention in the Era of Globalisation Nikolaos Karagiannis, Zagros Madjd-Sadjadi, 2007-06-26 Modern State Intervention in the Era of Globalisation is a thoughtful and well researched assessment of the evolving role of the state in the contemporary world economy This work is provocative because it goes against the predominant arguments in favor of a minimal state as commonly asserted by neoclassical economics Instead Karagiannis and Madjd Sadjadi think outside of the box and produce both theoretical arguments and evidence from important cases such as the EU Singapore and Hong Kong to support the idea of a viable and continuing role for the Developmental State The scholarship underlying this very readable book which includes contemporary material as well as ancient economic thought is truly impressive Readers will be left with much to reconsider about the benefits of globalisation Patrick James University of Southern California US

Canadian Politics, Sixth Edition James Bickerton, Alain-G. Gagnon, 2014-03-31 The sixth edition of Canadian Politics offers a comprehensive introduction to Canadian government and politics by a highly respected group of political scientists For this edition the editors have organized the book into six parts Part I examines Canadian citizenship and political identities while Parts II and III deal with Canadian political institutions including Aboriginal governments and contain new chapters on the public service and Quebec Parts IV and V shift the focus to the political process discussing issues pertaining to culture and

values parties and elections media groups movements gender and diversity The chapters on Parliament bureaucracy political culture political communications social movements and media are new to this edition Finally three chapters in the last section of the book analyze components of Canadian politics that have been gaining prominence during the last decade the effects of globalization the shifting ground of Canadian American relations and the place of Canada in the changing world order Of the 21 chapters in this edition 9 are new and the remainder have been thoroughly revised and updated Social Policy in a Global Society International Development Research Centre (Canada),1995 Social Policy in a Global Society Parallels and lessons from the Canada Latin America experience *In the Long Run We're All Dead* Timothy Lewis,2007-10-01 Canadian politics in the 1990s were characterized by an unwavering focus on the deficit At the beginning of the decade it seemed that fiscal deficits were intractable a fait accompli of Canadian politics yet by the end of the decade Ottawa had taken remarkable actions to eliminate its budgetary shortfalls and had successfully eradicated its deficits How such a radical change of political course came to pass is still not well understood In *The Long Run We're All Dead* The Canadian Turn to Fiscal Restraint offers the first comprehensive scholarly account of this vital public policy issue Lewis deftly analyzes the history of deficit finance from before Confederation through Canada's postwar Keynesianism to the retrenchment of the Mulroney and Chrétien years In doing so he illuminates how the political conditions for Ottawa's deficit elimination in the 1990s materialized after over 20 consecutive years in the red and how the decline of Canadian Keynesianism has made way for the emergence of politics organized around balanced budgets This important book provides scholars and students of Canadian politics with a new framework by which to understand the adoption of government policy the economic and fiscal legacy of the Mulroney administrations and the emergence of the new politics of the surplus It will be of great interest to those engaged with Canadian politics political economy and public policy as well as to participants in policy processes and the informed public **Macro Federalism and Local Finance** Anwar M. Shah,2008-06-20 The design of a federal system to deal with growth stabilization and regional and local development issues is the primary concern of this volume edited by Anwar Shah The book provides analytical tools to address issues arising from globalization localization and regional integration It discusses tax harmonization issues associated with subnational value added tax administration It provides a framework for fiscal discipline in a federal system Lessons from international experiences from policies to deal with lagging regions are drawn The book empirically examines the effect of fiscal decentralization on the overall size of the public sector Finally it draws lessons from industrial countries' experiences on local governance This important new series represents a response to several independent evaluations in recent years that have argued that development practitioners and policy makers dealing with public sector reforms in developing countries and indeed anyone with a concern for effective public governance could benefit from a synthesis of newer perspectives on public sector reforms This series distills current wisdom and presents tools of analysis for improving the efficiency equity and efficacy of the public sector Leading public

policy experts and practitioners have contributed to the series **Canadian Politics** James Bickerton,Alain Gagnon,2009-01-01 The new fifth edition of Canadian Politics continues the work of earlier editions in offering a comprehensive introduction to Canadian government and politics by a widely recognized and highly respected group of political scientists writing about subjects on which they are acknowledged experts For this edition the editors have organized the book into four sections Part I Citizenship Identities and Values Part II Institutions Part III Democracy and Representation and Part IV Canada in the World The fourth section develops a focus on the diverse and increasingly important influences of globalization on the Canadian polity the environment and the role of Canada in the world Of the eighteen chapters nine are completely new and six new authors appear including Martin Papillon on Aboriginal governments Peter J Stoett on Canadian international environmental policy and Andrew F Cooper on Afghanistan and Canadian foreign policy The remaining chapters have been thoroughly revised and updated **Capacity for Choice** George Hoberg,2002-01-01 Examines North American integration and its potential future impact on Canadian life in eight areas trade the labour market the brain drain macroeconomics federalism social welfare the environment and culture The Trickster Jean-François Lisée,1994-01-01 A much discussed bestseller in Quebec The Trickster tells the inside story of political events in that province during the tumultuous two years that followed the defeat of Meech Lake As support for Quebec sovereignty reached record proportions Premier Robert Bourassa had a clear opportunity to lead his province out of Confederation For months he led Quebecers to believe that he was moving in this direction while he privately assured prominent English Canadians that he was loyal to federalism Based on interviews with a wide range of political figures strategists pollsters and researchers The Trickster is an unparalleled examination of a crucial period in Quebec s history The Government and Politics of Ontario Graham White,1997-01-01 This textbook is the standard authority on the government and politics of Ontario Extensively revised and updated to reflect the early Harris era this edition also features a new section on change and continuity in the Ontario political system **Canada: the State of the Federation 1992** Douglas M. Brown,Robert A. Young,1992-10 **Canadian Books in Print. Author and Title Index** ,1975 **Dismantling Democracy** Andrew Jackson,Matthew Sanger,1998-01-01 Contents 1 The MAI and Its Implications for Canadians 2 Multilateral Deregulation of Investment 3 The MAI and Competitive Austerity 4 The MAI and Labour Standards 5 The MAI and Environmental Regulation 6 The MAI and National and International Development 7 The MAI and Canada Sectoral Impacts
