Cassandra Langer

Rebel Males Clift Brando And Dean:

Rebel Males Graham McCann,1991 James Dean Marlon Brando and Montgomery Clift were three of the most important male film stars of the 1950s This book examines their shared concerns and their potent legacy It explores their professional careers and appraises the images of sexuality individualism and masculinity they invoke Provided by publisher **America on Film** Sam B. Girgus,2002-10-17 In *America on Film* first published in 2002 Sam Girgus examines a selection of films made in the last quarter of the twentieth century in an effort to trace how the notion of American has changed drastically from that portrayed in American cinema up to the 1950s In works such as *Mississippi Masala* *Lone Star* *Malcolm X* *Raging Bull* *When We Were Kings* and *Bugsy* he finds a new and ethnically varied array of characters that embody American values ideals and conflicts and a transformation in the relationship of American identity and culture to race and ethnicity as well as to sexuality gender and the body *America on Film* charts these changes through analysis of cinematic tensions between fiction documentary and modernism An art form that combines fragments of reality with imagination film Girgus maintains connects the documentary realism of the photographic image to the abstraction and non representation of modernism

Filmography of American History Grant Tracey,2001-11-30 Containing over 200 films this resource is ideal for students teachers and other viewers who are interested in using films to enhance their knowledge of American historical events and periods Along with traditional historical categories such as the two World Wars the Civil War and the Great Depression the book emphasizes immigrant multicultural and women centered films to portray the fullness of the American experience It also analyzes representations of people and events across different films for a variety of viewpoints and considers how films reconfigure a past era through the issues of the day in which they were produced For ease of use the book is organized into time periods Each entry contains the setting director cast credits the year of production distributor Ratings are supplied to identify audience appropriateness The detailed narrative supplies a brief plot summary along with a thesis supported by strong examples from the film such as excerpts of dialogue and factual details from history The entries encourage readers to view the film through the lens of history and to consider it within the larger nexus of films listed in that particular chapter Frequently the historical focus considers both the time period depicted in the film and the time period in which it was made The running times provide readers with a quick access to key scenes for further study Each entry also concludes with sources for further reading and indexes identify those films with multicultural and women s themes

Elizabeth Taylor Susan Smith,2019-07-25 Elizabeth Taylor was one of the major film stars of the twentieth century embodying all the glamour and allure of Hollywood stardom Yet her achievements as an actress have often been overshadowed by her beauty and tumultuous life off screen To redress this imbalance Susan Smith offers an illuminating study of Elizabeth Taylor s work in film exploring her fascinating trajectory from child to adult star Smith reveals the influence that Taylor s early work exerted over her later career and the ways in which her on screen identity is profoundly

rooted in her association with animals and nature Smith carefully unpicks what made Taylor such a distinctive and dynamic on screen performer from the expressive use she made of her eyes to the dramatic significance of her voice and considers the importance of certain professional collaborations that Taylor forged during her career most notably her acting partnership with Montgomery Clift

Passionate Love and Popular Cinema Erica Todd, 2013-12-16 This book analyses the romantic drama and the way that passionate love is presented as the central storyline in popular cinema drawing upon genre studies and sociology Exploring the passionate love story as a cinematic form it also contributes through comparison to research on the romantic comedy

ReFocus: The Films of Budd Boetticher Gary D Rhodes, 2017-02-03 One of the most important yet overlooked of Hollywood auteurs Budd Boetticher was responsible for a number of classic films including his famous Ranown series of westerns starring Randolph Scott With influential figures like Martin Scorsese and Clint Eastwood acknowledging Boetticher s influence and with growing academic interest in his work Gary D Rhodes and Robert Singer present a vital collection of essays on the director s long career from a range of international scholars Looking at celebrated films like Buchanan Rides Alone 1958 and Comanche Station 1960 as well as at lesser known works like Escape in the Fog 1945 and Behind Locked Doors 1948 this book also addresses Boetticher s influential television work on the James Garner series Maverick and Boetticher s continuing aesthetic influence on contemporary TV classics like Breaking Bad

American Masculinities: A Historical Encyclopedia Bret Carroll, 2003-10-14 This is a highly recommended purchase for undergraduate medium sized and large public libraries wishing to provide a substantial introduction to the field of men s studies Reference User Services Quarterly Pleasing layout and good cross references make Carroll s compendium a welcome addition to collections serving readers of all ages Highly recommended CHOICE An excellent index well chosen photographs and illustrations and an extensive bibliography add further value American Masculinities is well worth what would otherwise be too hefty a price for many libraries because no other encyclopedia comes close to covering this growing field so well American Reference Books Annual American Masculinities A Historical Encyclopedia is a first of its kind reference detailing developments in the growing field of men s studies This up to date analytical review serves as a marker of how the field has evolved over the last decade especially since the 1993 publication of Anthony Rotundo s American Manhood This seminal book opened new vistas for exploration and research into American History society and culture Weaving the fabric of American history American Masculinities illustrates how American political leaders have often used the rhetoric of manliness to underscore the presumed moral righteousness and ostensibly protective purposes of their policies Seeing U S history in terms of gender archetypes readers will gain a richer and deeper understanding of America s democratic political system domestic and foreign policies and capitalist economic system as well as the private sphere of the home and domestic life The contributors to American Masculinities

share the assumption that men's lives have been grounded fundamentally in gender that is in their awareness of themselves as males. Their approach goes beyond scholarship which traditionally looks at men and women in terms of what they do and how they have influenced a given field or era. Rather, this important work delves into the psychological core of manhood which is shaped not only by biology but also by history, society, and culture. Encapsulating the current state of scholarly interpretation within the field of Men's Studies, *American Masculinities: A Historical Encyclopedia* is designed to help students and scholars advance their studies, develop new questions for research, and stimulate new ways of exploring the history of American life. Key Features: Reader's Guide facilitates browsing by topic and easy access to information. Extensive name, place, and concept index gives users an additional means of locating topics of interest. More than 250 entries, each with suggestions for further reading. Cross references direct users to related information. Comprehensive bibliography includes a list of sources organized by categories in the field. Topics Covered: Arts, Literature, and Popular Culture; Body, Health, and Sexuality; Class; Ethnic, Racial, and Religious Identities; Concepts and Theories; Family and Fatherhood; General History; Icons and Symbols; Leisure and Work; Movements and Organizations; People; Political and Social Issues. About the Editor: Bret E. Carroll is Associate Professor of History at California State University, Stanislaus. He received his Ph.D. from Cornell University in 1991. He is author of *The Routledge Historical Atlas of Religion in America* (1997), *Spiritualism in Antebellum America* (1997), and several articles on nineteenth-century masculinity.

[Sustaining New Orleans](#) Barbara Eckstein, 2005-10-27. This is an expansive interpretation of New Orleans, America's most unique city. Eckstein pursues meanings of the phrase "sustaining New Orleans" from the images that remain through media activities to the competing demands of social justice.

Bombay Cinema Ranjani Mazumdar, 2007. **Spectacular Passions** Brett Farmer, 2000-10-30. An examination of how cinematic spectatorship is articulated, practiced, and experienced in the contexts of gay male subjectivities.

Star Actors in the Hollywood Renaissance D. Smith-Rowsey, 2016-04-30. In the late 1960s and early 1970s, a new generation took over the leading roles in Hollywood films. These untraditional-looking young men were promoted and understood as alienated and ironic everymen and exerted a powerful and until now unexplored influence over a movement often considered the richest in Hollywood's history.

Hollywood: Formal-aesthetic dimensions: authorship, genre and stardom Thomas Schatz, 2004. Hollywood as a concept applies variously to a particular film style, a factory-based mode of film production, a cartel of powerful media institutions, and a national and increasingly global way of seeing. It is a complex social, cultural, and industrial phenomenon and is arguably the single most important site of cultural production over the past century. This collection brings together journal articles, published essays, book chapters, and excerpts which explore Hollywood as a social, economic, industrial, aesthetic, and political force and as a complex historical entity.

East Asian Film Stars L. Wing-Fai, A. Willis, 2014-05-21. Many stars from China, Japan, and Korea are the most popular and instantly recognizable in the world. *East Asian Film Stars* brings together some of the world's leading cinema scholars to offer their
