*Hutu Rebels* Anna Hedlund, 2019-11-01 In 1994 almost one million ethnic Tutsis were killed in the genocide in Rwanda In the aftermath of the genocide some of the top echelon Hutu officers who had organized it fled Rwanda to the eastern Congo DRC and set up a new base for military operation with the goal of retaking power in Kigali Rwanda More than twenty years later these rebel forces comprise a diverse group of refugees rebel fighters and civilian dependents who operate from mountain areas in the Congo forests and have a long and complex history of war and violence While media and human rights reports typically portray this rebel group as one of the most brutal rebel factions operating in the eastern Congo region *Hutu Rebels* paints a more complex picture Having conducted ethnographic fieldwork in a rebel camp located deep in the Congo forest Anna Hedlund explores the micropolitics and practices of everyday life among a community of Hutu rebel fighters and their families living under the harshest of conditions She describes the Hutu fighters not only as a military unit with a vision of return to Rwanda but also as a community engaged in the present Congo conflicts Hedlund focuses on how fighters and their families perceive their own life conditions how they remember and articulate the events of the genocide and why they continue to fight in what appears to be an endless conflict *Hutu Rebels* argues that we need to move beyond compiling catalogs of atrocities and start examining the ordinary life of combatants if we want to understand the ways in which violence is expressed in the context of a most brutal conflict

**Alien Rebel's Fake Bride** Miranda Martin, 2021-06-30 Crystal Truth be told I've always been a little jumpy but being kidnapped by aliens shoved my anxiety into high gear They buy and sell us Earth girls like chattel Stealing us from our dying planet and keeping us on lockdown until they're ready to trade us away When my fellow humans and I are rescued by the savage Draconian Warriors things get better but we're not free So the other women leverage me into mating one of the Draconians in a grand scheme to take over the ship I'm nothing if not a team player but why did it have to be the huge scarred one who's as socially awkward

as I am Deceiving these brutal warriors seems like a really bad idea the kind that could cause a small human like me to wind up dead or worse desperately in love with a massive winged and tailed alien Drake I live for nothing more than starting a revolution among my Draconian brethren I will set us free at long last from the misery of our Draconian Queens who have been driven insane by a parasite I don't have time or desire to rescue the human Queens but my brother insists When one of them lays claim to me I'm suspicious She panicked at the mere sight of me during the rescue and only hours later she selected me for her mate I'm no fool She's a wily one talking and squirming her way past my defenses She's soft beautiful and scents like a goddess but I can't let her ruin my people's only chance at freedom Somehow I have to make her my Queen and set my people free
