Rebel Rules Daring To Be Yourself In Business:

The Rebel Rules Chip Conley, 2001-01-03 When he was 26 Chip Conley broke the two cardinal rules of starting a business he invested in an industry about which he knew nothing and he ignored the mantra location location location He bought a notorious pay by the hour motel in a seedy San Francisco neighborhood A dozen years later Chip is the boy wonder of the American travel industry famous for his entrepreneurial genius creativity and sense of fun In **The Rebel Rules** Conley shares his success secrets He focuses on the primary traits vision passion instinct and agility that characterize today's fast company leaders His guidebook doubles as a toolbox for anyone whether a virgin entrepreneur or a corporate manager who wants to walk in step with today's business innovators **The Rebel Rules** will show you how to Tap into your natural talents and focus on what you can control Build a fanatical customer base and create great buzz Engage employees and encourage them to break the rules Kick butt in business and still have a life With exercises and activities that will develop these and other business skills **The Rebel Rules** will transform the way you approach your career **The Rebel Rules**, 2010

Summary: The Rebel Rules BusinessNews Publishing, 2014-09-29 The must read summary of Chip Conley's book **The Rebel Rules Daring to Be Yourself in Business** This complete summary of the ideas from Chip Conley's book **The Rebel Rules** shows how today's rebel entrepreneurs are those who start new companies that break the established rules In his book the author explains that you do not necessarily have to conform and do what everyone else has done in the past to succeed Chip Conley analyzes four personality traits that those who succeed against conventional wisdom have in common This summary will help you gain the confidence you need to become a business rebel and start succeeding on your own terms Added value of this summary Save time Understand key concepts Expand your business knowledge To learn more read **The Rebel Rules** and find out how you can develop the qualities that will make you more competitive on the market **Edgewalkers** Judi Neal, 2006-10-30 In ancient cultures each village had a shaman or medicine man who would visit the invisible world to obtain vital information guidance and healing for members of the tribe These edgewalkers have contemporary counterparts in today's organizations those individuals who don't fit squarely into any one box in their metaphorical travels they interpret trends from the marketplace translate messages across departments and envision the future impact of today's decisions and actions Edgewalking doesn't come without its own risks and challenges these unconventional people often clash with more traditional rule bound colleagues and they are often frustrated by organizational systems that emphasize quantitative results over creative impulses And yet in today's fast changing diverse and globalized business environment organizations must recruit and support these people in order to stay competitive Featuring colorful interviews and practical tools to gauge and manage your own edgewalking skills **Edgewalkers** explores the opportunities that are created by defying formal boundaries and fostering creativity at every level of the organization They're the first people to volunteer to head up a new business unit lead a cross company initiative or take on an overseas assignment They're the glass half full folks who are constantly thinking

out of the box forging alliances with colleagues in other departments seeking out new solutions to old problems and anticipating challenges on the horizon And in today s increasingly diverse workplaces they are often people who have pursued unusual educational and career paths traveled widely and speak more than one language Judi Neal has a term for these people Edgewalkers Literally an edgewalker is someone who walks between two worlds In ancient cultures each village had a shaman or medicine man who would visit the invisible world to obtain vital information guidance and healing for members of the tribe Today s corporate edgewalkers serve a similar function interpreting trends from the marketplace translating messages across departments and envisioning the future impact of today s decisions and actions Edgewalking doesn t come without its own risks and challenges these unconventional people often clash with more traditional rule bound colleagues and they are often frustrated by organizational systems that emphasize quantitative results over creative impulses And yet in today s fast changing globalized business environment organizations must recruit and support these people in order to stay competitive Featuring colorful interviews with edgewalkers from a variety of fields and practical tools to gauge and manage your own edgewalking skills Edgewalkers explores the opportunities that are created by defying formal boundaries and fostering creativity at every level of the organization

Emotional Equations Chip Conley, 2012-01-10 An invaluable operating manual says Tony Hsieh Zappos CEO and author of Delivering Happiness Using brilliantly simple logic that illuminates the universal truths in common emotional challenges popular motivational speaker and bestselling author Chip Conley has written a fresh original guide to an authentic and fulfilling life With a foreword by Tony Hsieh CEO of Zappos and author of Delivering Happiness When Chip Conley

dynamic author of the bestselling *Peak* suffered a series of devastating personal and professional setbacks he began using what he came to call Emotional Equations such as Joy Love Fear to help him focus on the variables in life that he could handle rather than dwelling on the parts he couldn't such as the bad economy death and taxes Using brilliantly simple logic that illuminates the universal truths in common emotional challenges Emotional Equations offers a way to identify the elements in our lives that we can change those we can't and how to better understand our emotions so they can help us rather than hurt us Equations like Despair Suffering Meaning and Happiness Wanting What You Have Having What You Want have been reviewed for mathematical and psychological accuracy by experts Now Conley tells his own comeback story and those of other resilient people and inspiring role models who have worked through emotional equations in their own lives Emotional Equations arms you with practical strategies for turbulent times

Authenticity James H. Gilmore, B. Joseph Pine II, 2007-10-18 Contrived Disingenuous Phony Inauthentic Do your customers use any of these words to describe what you sell or how you sell it If so welcome to the club Inundated by fakes and sophisticated counterfeits people increasingly see the world in terms of real or fake They would rather buy something real from someone genuine rather than something fake from some phony When deciding to buy consumers judge an offering's and a company's authenticity as much as if not more than price quality and availability In *Authenticity* James H Gilmore and B Joseph Pine II argue that to trounce rivals companies must grasp manage and excel at rendering authenticity Through examples from a wide array of industries as well as government nonprofit education and religious sectors the authors show how to manage customers perception of authenticity by recognizing how businesses fake it appealing to the five different genres of authenticity charting how to be true to self and what you say you are and crafting and implementing business strategies for rendering authenticity The first to explore what authenticity really means for businesses and how companies can approach it both thoughtfully and thoroughly this book is a must read for any organization seeking to fulfill consumers intensifying demand for the real deal
