Rebels With A Cause Independents In Australian Politics:

Rebels with a Cause Brian J. Costar, Jennifer Curtin, 2004 Looks at why independents are gaining support how they relate to the major parties and how they exercise power in state and federal parliaments cover **Australian Politics in the Twenty-First Century** Glenn Kefford, Hannah Murphy-Gregory, Ian Ward, Stewart Jackson, Lloyd Cox, Andrea Carson, 2018-09-20 Australian Politics in the Twenty First Century presents the many moving parts of Australia's political system from an institutional perspective It equips students with the requisite foundational knowledge and encourages them to critically examine the complex interplay between a centuries old system and a diverse modern Australian society *The Australian Study of Politics* R. Rhodes, 2009-11-11 The Australian Study of Politics provides the first comprehensive reference book on the history of the study of politics in Australia whether described as political studies or political science It focuses on Australia and on developments since WWII also exploring the historical roots of each major subfield *The Oxford Handbook of Australian Politics* Jenny M. Lewis, Anne Tiernan, 2021 This Handbook provides a comprehensive examination of Australia's distinctive politics both ancient and modern across multidisciplinary subjects It examines the factors that make Australian politics unique and interesting while firmly placing these in the context of the nation's Indigenous and imported heritage and global engagement **Australian Politics in a Digital Age** Peter John Chen, 2013-02-01 The first comprehensive volume on the impact of digital media on Australian politics this book examines the way these technologies shape political communication alter key public and private institutions and serve as the new arena in which discursive and expressive political life is performed Publisher's description *Parliamentary Government in Australia* Alan J. Ward, 2014-02-15 Alan J Ward combines constitutional history and political science to compare all nine of Australia's political systems federal state and territorial from colonial times to the present Guided by a model of parliamentary government drawn from comparative politics he considers the following key topics the selection of the government the prime minister and cabinet government control of the lower house the primacy of the lower house in bicameral systems the head of state the influence of Australian federalism on parliamentary government and the growth of executive democracy in Australia Ultimately Ward argues that as only one of Australia's nine constitutions accurately describes parliamentary government as practiced in the country it is a democratic imperative that the other eight be rewritten *Blackburns* Carolyn Rasmussen, 2019-03-05 When socialist barrister and aspiring member of parliament Maurice Blackburn met Doris Hordern ardent feminist and campaign secretary to Vida Goldstein neither had marriage in their imagined futures But they fell in love with each other as much as with their individual aspirations to change the world for the better Theirs would be an exacting partnership as they held one another to the highest ideals They worked as elected members of parliaments and community activists influencing conscription laws benefits for working men and women atomic bomb tests civil rights and Indigenous recognition Together they shook Australia **Contemporary Politics in Australia** Rodney Smith, Ariadne Vromen, Ian

Cook,2012-02-02 A diverse range of experts provide a comprehensive introduction to current theories debates and research in Australian political science Historical Dictionary of Australia Norman Abjorensen,James C. Docherty,2014-12-05

Australia s development from the most unpromising of beginnings as a British prison in 1788 to the prosperous liberal democracy of the present is as remarkable as is its success as a country of large scale immigration Since 1942 it has been a loyal ally of the United States and has demonstrated this loyalty by contributing troops to the war in Vietnam and by being part of the coalition of the willing in the U S invasion of Iraq in 2003 and in operations in Afghanistan In recent years it has also been more willing to promote peace and democracy in its Pacific and Asian neighbors This fourth edition of Historical Dictionary of Australia covers its history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 500 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Australia

Dreamers and Schemers Frank Bongiorno,2022-11-01 A landmark book the first full political history of Australia In this compelling and comprehensive work renowned historian Frank Bongiorno presents a social and cultural history of Australia s political life from pre settlement Indigenous systems to the present day Depicting a wonderful parade of dreamers and schemers Bongiorno surveys moments of political renewal and sheds fresh light on our democratic life From local pubs and meeting halls to the parliament and cabinet from pamphleteers and stump orators to party agents and operatives this enthralling account looks at the political insiders in the halls of power as well as the agitators and outsiders who sought to shape the nation from the margins A work of political history like no other Dreamers and Schemers will transform the way you look at Australian politics With acuity and grace Bongiorno divines the soul of the nation All told with a cheeky eye for detail and nose for skullduggery by a historian in full archival narrative and rhetorical flight A landmark work Clare Wright Bongiorno is one of our premier historians and this is his masterwork An original take on our politics and people written with an open mind and warm Australian heart George Megalogenis Penetrating and vividly written this a political history that broadens our understanding of politics one that offers genuinely fresh insights and resists tidy generalisations From First Nations politics to the democracy sausage Dreamers and Schemers never disappoints It will stand as one of the most essential works in Australian history for decades to come Mark McKenna Shortlisted for the Australian History Prize in the NSW Premier s History Awards Government Politics in Australia Alan Fenna,Jane Robbins,John Summers,2013-09-05 Government and Politics in Australia 10e is the comprehensive and scholarly political science text that provides thorough and accessible content written by authorities in the field Now in its 10th edition Government and Politics in Australia continues to provide students with a research based in depth contemporary introduction to the Australian political system A strengthened focus on government and politics ensures that this classic text remains the most comprehensive and authoritative guide to the structure and institutions of Australian government as well as political

parties representation interest groups and the role of the media in Australian politics The 10th edition has been thoroughly revised and updated by experts in the field led by a new editor team and includes a completely new chapter on Australia in the world

Decision and Deliberation David Clune, Gareth Griffith, 2006 This book is an authoritative history of the NSW Parliament from its establishment in 1856 to 2003 It gives comprehensive accounts of both the Legislative Assembly and the Legislative Council including analyses of their performance based on contrasting liberal and executive models of Parliament The history of the Parliament is contextualised by the changing political background in which it operated over 150 years It is enlivened by portraits of colourful Members such as WP Paddy Crick drunken brawler and master of Parliamentary procedure and accounts of incidents such as George Fuller's seven hour Government and the siege by trade unionists in 2003 On a broader level the book is a dissertation on the nature of State politics and Parliaments and on the theoretical study of parliamentary institutions A NSW Sesquicentenary of Responsible Government publication

Independents in Irish party democracy Liam Weeks, 2017-05-15 This book examines the phenomenon of the independent politician believed to be extinct in most political systems It is very much alive and well in Ireland and has experienced a considerable resurgence in recent years Independents won a record number of seats in 2016 and had three ministers appointed to cabinet This presence is very unusual from a comparative perspective and there are more independents in the Irish parliament than the combined total in all other industrial democracies The aim of this book is to explain this anomaly how and why independents can endure in a democracy that is one of the oldest surviving in Europe and has historically had one of the most stable party systems

Australia Marian Sawer, Norman Abjorensen, Philip Larkin, 2009 On many criteria Australia has been a pioneering democracy As one of the oldest continuing democracies however a health check has long been overdue Since 2002 the Democratic Audit of Australia a major democracy assessment project has been applying an internationally tested set of indicators to Australian political institutions and practices The indicators derive from four basic principles political equality popular control of government civil liberties and human rights and the quality of public deliberation Comparative data are taken from Australia's nine jurisdictions as well as from three comparator democracies Canada New Zealand and the United Kingdom to identify strengths weaknesses and opportunities for reform Some of the findings are disturbing For example Australia has fallen well behind in the regulation of private money in elections and in controlling the use of government or parliamentary resources for partisan benefit Transparency and accountability have suffered from relatively weak FOI regimes and from executive dominance of parliaments For those studying democracy or wanting to reform Australian politics The State of Democracy provides a wealth of evidence in a well illustrated and highly accessible format Internationally it is an important contribution to the democracy assessment literature and pushes into new areas such as the intergovernmental decision making of federalism

Minority Policy Brenton Prosser, Richard Denniss, 2015-03-02 Topical and up to the minute Minority Policy Rethinking governance when parliament matters explores the influence of marginal parliamentarians

both within the major parties and on the cross benches in the formations of contemporary public policy Despite Australia having minority government in some form for almost three decades in theoretical and popular terms it seems that this nation has not yet come to terms with minority as the new norm Further prominent policy cycle theory overlooks the subtle but significant influence of marginal parliamentarians on public policy This book argues that these influences not only have important implications for the outcomes of public policy but also the work of policy scholars departmental policy makers and policy advocates Drawing on the experiences of two former policy advisers who have worked at the coalface of policy making as well as on examples from the last two parliaments *Minority Policy* takes the discussion up to and beyond the introduction of the new Senate in July 2014 to take in the significant impact of this much more complex Upper House **Morrison's Miracle** Anika Gauja, Marian Sawer, Marian Simms, 2020-07-01 This book the 17th in the federal election series and the ninth sponsored by the Academy of the Social Sciences in Australia provides a comprehensive account of the 2019 Australian election which resulted in the surprise victory of the Coalition under Scott Morrison It brings together 36 contributors who analyse voter behaviour campaign strategies regional variations polling ideology media and the new importance of memes and digital campaigning Morrison's victory underlined the continuing trend toward the personalisation of politics and the loss of trust in political institutions both in Australia and across western democracies Morrison's *Miracle* is indispensable for understanding the May 2019 Coalition victory which surprised many observers and confounded pollsters and political pundits

The A to Z of Australia James C. Docherty, 2010-04 The *A to Z of Australia* relates the history of this unique and beautiful land which is home to an amazing range of flora and fauna a climate that ranges from tropical forests to arid deserts and the largest single collection of coral reefs and islands in the world Through Gillard Governments Chris Aulich, 2014-02-03 The years 2010 to 2013 saw a remarkable period in Australian political history Julia Gillard became Australia's first female prime minister after she successfully staged a leadership challenge to Prime Minister Kevin Rudd A few months later she led her party to the 2010 federal election and subsequently steered through seventeen days of negotiation with three independent members to successfully form her second but minority government Yet three years and three days later she was overthrown by the very man she had originally dethroned In this book expert contributors consider the turbulence of that period and reflect on the Gillard governments policy setting institutional and political legacies In particular they consider the issue of Gillard's leadership of a minority government and the arrangements needed to work with the Greens and independents to achieve Labor policies in the parliament A recurring theme raised by many of the authors relates to the many distractions that prevented Gillard and Labor from gaining popular traction during the period The book gives particular attention to Gillard as a female leader and the relentless campaign of denigration that pursued her drawing conclusions about the fate of many women who assume positions of significant power in the Australian community The *Gillard Governments* has been produced by the ANZSOG Institute for Governance at the University of Canberra It is the eleventh in a series of books on

successive Commonwealth administrations Each volume has provided a chronicle and commentary of major events policies and issues that have dominated successive administrations since 1983 *Double Disillusion* Anika Gauja, Peter Chen, Jennifer Curtin, Juliet Pietsch, 2018-04-11 This book provides a comprehensive analysis of the 2016 Australian federal election Won by the Liberal National Coalition by the slimmest of margins the result created a climate of political uncertainty that threatened the government's lower house majority While the campaign might have lacked the theatre of previous elections it provides significant insights into the contemporary political and policy challenges facing Australian democracy and society today In this the 16th edited collection of Australian election studies 41 contributors from a range of disciplines bring an unprecedented depth of expertise to the 2016 contest The book covers the context key battles and issues in the campaign and reports and analyses the results in detail It provides an evaluation of the role of political actors such as the parties independents the media interest groups and GetUp and examines election debate in the online space Experts from a range of policy fields provide an analysis of election issues ranging from the economy and industrial relations to social policy the environment and gender and sexuality Each of the chapters is written on the basis of in depth and original research providing new insights into this important political event *Abbott's Gambit* Carol Johnson, John Wanna, Hsu-Ann Lee, 2015-01-21 This book provides a truly comprehensive analysis of the 2013 federal election in Australia which brought the conservative Abbott government to power consigned the fractious Labor Party to the Opposition benches and ended the hung parliament experiment of 2010-13 in which the Greens and three independents lent their support to form a minority Labor government It charts the dynamics of this significant election and the twists and turns of the campaign itself against a backdrop of a very tumultuous period in Australian politics Like the earlier federal election of 2010 the election of 2013 was an exercise in bipolar adversarial politics and was bitterly fought by the main protagonists It was also characterised again by leadership changes on Labor's side as well as the entry of new political parties anxious to deny the major parties a clear mandate Moreover the 2013 election continued the trend whereby an increasing proportion of the electorate has chosen not to vote for one of the main two political parties While the 2013 election delivered a clear victory to the Coalition in the Lower House it simultaneously produced a much more mixed outcome in the Senate where the Greens managed to record their largest ever representation and a new party the Palmer United Party initially secured three Senate positions at its first attempt together with the election of Clive Palmer to a Queensland seat in the House of Representatives With minor and micro parties also winning Senate seats amounting to a total of 18 Senators on the cross benches the Abbott government's ability to govern and pass legislation was placed in some doubt The 2013 election result suggested that far from ending the preceding tumultuous period of Australian politics it merely served to prolong this era indefinitely The 2013 campaign was one of the longest on record arguably commencing when the besieged Prime Minister Julia Gillard announced the date for the election in late January 2013 then over seven months away This unconventional tactic overshadowed the election from

that date onwards providing a definite timeline for Labor infighting influencing the largely negative tactics of the Opposition and encouraging new parties to proliferate to contest the election This volume traces these formative influences on the campaign dynamics and explains the electoral outcome that occurred including the 2014 re election for the Western Australian Senate seats ordered by the High Court Abbott s Gambit includes insightful contributions from academic experts campaign directors and electoral watchers political advisers and professional psephologists Contributors utilise a wide range of sources and approaches including the Australian Election Survey to provide a detailed analysis of this important federal election

Thank you very much for reading **Rebels With A Cause Independents In Australian Politics**. As you may know, people have search numerous times for their favorite books like this Rebels With A Cause Independents In Australian Politics, but end up in harmful downloads.

Rather than enjoying a good book with a cup of coffee in the afternoon, instead they cope with some infectious virus inside their laptop.

Rebels With A Cause Independents In Australian Politics Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Rebels With A Cause Independents In Australian Politics PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific

information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Rebels With A Cause Independents In Australian Politics PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Rebels With A Cause Independents In Australian Politics free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Rebels With A Cause Independents In Australian Politics Books

1. Where can I buy Rebels With A Cause Independents In Australian Politics books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
