Repr. of the 1st ed., to which are added Mr. Boswell's corrections [&c.] Ed., with new notes, by P. Fitzgerald James Boswell,1888 Owen Barfield Michael V. Di Fuccia,2016-10-27 In this book Michael Di Fuccia examines the theological import of Owen Barfield s poetic philosophy He argues that philosophies of immanence fail to account for creativity as is evident in the false shuttling between modernity s active construal and postmodernity s passive construal of subjectivity In both extremes subjectivity actually dissolves divesting one of any creative integrity Di Fuccia shows how in Barfield s scheme the creative subject appears instead to inhabit a middle or medial realm which upholds one s creative integrity It is in this way that Barfield s poetic philosophy gestures toward a theological vision of poesis proper wherein creativity is envisaged as neither purely passive nor purely active but middle Creativity thus is not immanent but mediated a participation in God s primordial poesis
