Recent Latin American Drawings, 1969-1976 Barbara Duncan, Damián Bayón, Ana M. Casciero, International Exhibitions Foundation, 1977 **Defining Latin American Art** Dorothy Chaplik, 2005 This bilingual book describes the numerous elements that have shaped the twentieth and twenty first century art of Latin America Beginning with the pre Columbian cultures of Mexico Central America South America and the Caribbean Islands and following historical developments through today the values and symbols of these early civilizations have remained a constant in much of Latin American art The work gives a brief history of Latin American art defines the modernist movements and trends that surfaced in Paris in the early twentieth century and traces the way Latin American artists adapted the forms to express their own national culture The main section is a list of significant artworks each accompanied by biographical details from the artist s life an explanation of the work s subject matter and a discussion of the inspiration and meaning behind it The work boasts a wide selection of illustrations including three color inserts and concludes with a bibliography *Recent Developments in Latin American Drawing* Astrid Ruiz-Ramón, 1987 *Drawing the Line* Oriana Baddeley, Valerie Fraser, 1989 An exploration of the areas occupied by Latin American art and culture between the ongoing traditions of its indigenous inhabitants its colonial heritage and its contemporary relationship to the cultural politics of North America and Europe It looks at the way cultural identity has been constructed by artists from the 1940s to the present day and challenges the way art criticism has hitherto dealt with Latin American art *Leonard's Price Index of Latin American Art at Auction* Susan Theran, 1999-11-29 The new Leonard s Price Index of Latin American Art at Auction focuses on a category of art that covers a wide range of periods and styles It is unique in its coverage of 30 years of sale results and the inclusion of over 1 100 scholarly essays and biographies some never before published in the English language Entries covering the years 1969 to 1999 number over 30 000 lots The prices realized are from every auction house in North America and are listed in descending order by price within each auction season *Latin American Artists of the Twentieth Century* Museum of Modern Art (New York, N.Y.), 1993 Account of the rise of modernism in the art of Latin America published to accompany the exhibition Latin American Artists of the Twentieth Century at The Museum of Modern Art New York **Recent Developments in Latin American Drawing** Astrid Ruiz-Ramón, 1987 **Latin American Art Since 1900** Edward Lucie-Smith, 2020-04-14 An extraordinary synthesis of more than a century s worth of art across Central and South America Latin American Art Since 1900 covers everyone from popular figures such as Diego Rivera and Frida Kahlo to a wide range of other artists who are less well known outside Latin America In this classic survey now updated with full color images throughout Edward Lucie Smith introduces the art of Latin America from 1900 to the present day Lucie Smith examines major artists such as Diego Rivera and Frida Kahlo as well as dozens of less familiar Latin American artists and exiled artists from Europe and the United States who spent their lives in South America such as Leonora Carrington The author explains the political context for artistic development and sets the

works in national cultural and international frameworks Featured in this book are the artists who have searched for indigenous roots and local tradition explored abstraction expressionism and new media entered into dialogue with European and North American movements while insisting on reaching a wide popular audience for their work and created an energetic innovative and varied art scene across the South American continent With a new chapter that extends the discussion into the twenty first century a constant theme of Latin American Art Since 1960 is the embrace of the experimental and the new by artists across Latin America

Latin American Art at The Museum of Modern Art Miriam M. Basilio

Gaztambide,2025-06-13 This book sheds light on an as yet unstudied aspect of The Museum of Modern Art s MoMA preeminent role in establishing the definition of the problematic term Latin American art in the United States from the 1930s to the present through its collection displays In examining the shifting categorization of Latin American works according to stylistic and geographic taxonomies we gain a greater understanding of the organization of the Museum s collections as a whole during the 1940s and 1950s This book is the first to document these institutional precedents crucial for the understanding of the articulation of a Modernist canon and its contested legacy today The MoMA is widely recognized as the preeminent institution that defined 20th century art through its collection shaping our understandings of the history of art with its hierarchies and exclusions as they sediment over time MoMA s holdings of art from Latin America shed light on a key period when the stylistic categories that have since come to be accepted by many today as the Modernist canon developed MoMA s collection displays suggest ways in which artists from areas of the world formerly excluded can be incorporated within today s increasingly global museums MoMA s approach may be compared to initiatives adopted by several museums since the 2000s creating geographically defined curatorial positions as a way to redress gaps in collecting art from Latin America and other areas of the world In this book author Miriam M Basilio Gaztambide offers a closer study of the history of collection displays as a means to understand canon formation in modern art museums This work will be of interest to those researching Latin American American modern and contemporary art and curatorial and museum studies
