Recess For Teachers:

No More Taking Away Recess and Other Problematic Discipline Practices Gianna Cassetta, Brook Sawyer, 2013 Frustrated by ongoing difficult student behavior You re not alone classroom management issues are a leading cause of teacher burnout But there is a solution *No More Taking Away Recess and Other Problematic Discipline Practices* shows how to promote good behavior address interruptions and keep everyone moving forward Management and control are not the same write teacher and school leader Gianna Cassetta and noted researcher Brook Sawyer If trying harder to exert control is sapping your energy watch as they show how to transition away from the roles of disciplinarian or goody dispenser and toward an integrated professionally satisfying model for classroom management You ll find everything you need to get going including the rationale for abandoning rewards and consequence tactics research on more developmentally appropriate and efficient management a plan that integrates instruction and management to decrease interruptions specific strategies for addressing misbehavior and refocusing on learning goals ways to analyze problematic behaviors and help students connect and stay motivated Ease your frustration with classroom management and return dozens of hours lost each year to addressing problematic behaviors Take a page from *No More Taking Away Recess and Other Problematic Discipline Practices* and turn your classroom into a community that helps students become their best selves and helps you rediscover the joy of teaching About the Not This But That Series *No More Taking Away Recess and Other Problematic Discipline Practices* is part of the Not This But That series edited by Nell K Duke and Ellin Oliver Keene It helps teachers examine common ineffective classroom practices and replace them with practices supported by research and professional wisdom In each book a practicing educator and an education researcher identify an ineffective practice summarize what the research suggests about why and detail research based proven practices to replace it and improve student learning Read a sample chapter from *No More Taking Away Recess and Other Problematic Discipline Practices* *Recess for Teachers* Vicki Caruana, 2005-01 The author shares with her fellow teachers her belief that true rest can be found in God s comforting embrace and ends each chapter with Rest Stops Rest Reminders and Journal Prompts for the mind body and soul Original **Teacher Perception of Recess and the Effect of Recess on Time on Task in a First Grade Classroom** Renee Evans, 2019 In striving to keep up with the ever increasing academic and instructional demands placed upon education systems in the United States we are adding instructional minutes to our students school days Adding these minutes comes at a cost recess Where students used to enjoy and average 60 minutes of unstructured play per day in the early 2000s they are now only receiving an average of 28 American Academy of Pediatrics 2012 Previous research has shown that reducing children s time to grow through play is detrimental to children s development This study aims to add to that research and show a positive correlation between the number of recess minutes in a day and on task behavior in first graders This study also collects data on teacher perception of recess in hopes to further support including adequate recess minutes in the school day In this mixed methods study eighty

teachers were polled using a Likert scale survey and a classroom of nineteen first graders were observed over two days collecting data on four behaviors talking fidgeting out of seat and teacher redirection The results of this study did show that unwanted behaviors were less frequent when extra recess minutes were given In addition the survey data showed that teachers were also overwhelmingly in favor of recess and against eliminating or shortening recess to fit in more academic instruction This study s finding support including at least 60 minutes of unstructured play or recess in school s master calendars as the benefits of recess help students classroom learning more meaningful

Recess Anthony D. Pellegrini,2006-04-21 Writing a book about recess could be a very questionable endeavor for a serious academic psychologist At first blush it seems to be a pretty trivial topic It s the time during the school day where there s a break from what s typically considered the most serious work of the day reading writing and arithmetic Reflecting this trivial tenor it s also that time of the school day that kids perhaps only half jokingly say is their favorite part of school This perception has lead many schools to question the role of recess in the school day This book is an attempt to broach two views of recess the perceived value of recess and the movement to eliminate or reduce the school recess period from the primary school day Due to tightened school budgets and the emphasis on testing many elementary schools eliminate recess gym classes and play periods to the developmental detriment of the very children the schools are supposed to serve Author Anthony Pellegrini has conducted a number of careful studies regarding student attentiveness and performance within programs that have recess periods and those that don t The data show that students need recess in order to blow off energy and interact with each other in the unstructured recess environment in order to grow socially The goal of *Recess* is to help readers realize the importance of recess and counter the trend to eliminate it from schools This book appeals to academics teachers administrators and parents

Help! It's an Indoor Recess Day Dori E. Novak,2000-04-15 Indoor recesses are dreaded by teachers They are usually a surprise and the teacher has a classroom full of kids who are used to letting off steam mid way through the morning or afternoon learning activities Teachers who are not on recess duty also look forward to that break to recover and take care of necessities This is the first book to give a comprehensive collection of innovative ideas and creative management strategies for surviving indoor recess The fun ideas and game strategies can be used separately from indoor recess as well The approach will be practical hands on and humorous The illustrations will be reproducible pages for activities The author s goals for the book are to Provide teachers with a straightforward easy to implement strategy for the effective management of indoor recess Offer the information in a fun to read entertaining styles that reassures teachers they are not alone with this challenge Leave the reader not only excited and determined to try the ideas right away but also anxious to share the book with as many colleagues as possible

Recess is Over! Sherry L. Meinberg,2009-11 From one of America s leading educators comes wisdom guidance and an often hilarious jolt of reality for student teachers and new teachers expecting to preside over calm and mannerly classrooms

A Case Study of Teachers' Recess Practices Related to Students with

Exceptional Learning Needs Andrea E. Campbell,2012 **The Illinois Teacher** ,1867 **Teachers' Perspectives, Practices, and Knowledge of Recess at the Middle School Level** Suzanne L. Servidio,2020 Prior studies about school recess focuses primarily on the effects and benefits of recess in the context of elementary education This study focuses on middle school teachers perspectives practices and knowledge of recess which were collected using both quantitative and qualitative methods In this case study 61 middle school teachers participated in an online survey seven other middle school teachers provided additional insight through a focus group discussion Data analysis revealed that middle school teachers perceive recess as beneficial overall but there are also some concerns Views about recess at the middle school level were not associated with age gender level of education grade level taught and child dependent responsibilities While middle school teachers noted benefits of recess more than half of the participants indicated that recess was not a topic in their professional preparation However more than half of the participants indicated that recess deprivation was a topic of discussion with supervisors Although the practice of recess deprivation for behavioral or academic reasons has been declining middle school teachers indicated that it does still occur The middle school teachers in the sample had very limited knowledge of the current trends in educational policies or scholarship about recess Findings in this mixed method explanatory case study indicate that recess should be a topic of conversation among teachers at the middle school level This study indicated that middle school teachers do not generally receive professional development about the importance of recess With the increased burden of standardized testing and ever growing academic demands teachers understand that students need self directed time to make their own choices even as they still employ recess deprivation for behavioral or academic reasons The importance recess at the middle school level must be realized by aligning teachers perspectives practices and knowledge of recess with evidence based educational research **Recess Is Over** Nakesha Speed,2007-04 It is the modern day Pandoras Boxopening the doors to the public school system and stepping over the threshold into a world of mystery chaos and savage disparity But down the corridor in the midst of turmoil is hope While many have heard the cries of teachers as they describe the faltering institution of public education the first hand experience is more poignant Recess Is Over aims to enliven children with a desire to learn by allowing them a reflective look at themselves The importance of parental involvement is also described This unification must begin early **Oregon Teachers Monthly** ,1910 **Moonlighting Among Public School Teachers** Sharon A. Bobbitt,1989 **Recess** Elspeth Campbell Murphy,1988-09 This is a delightful book of prayers written by an elementary teacher but having nothing of the elementary in them They focus directly on the day to day experience and relationships which teachers have recognizing and celebrating the potential which each child possesses **Teachers Need a Recess Too!** Jeryl Christmas,2021-05-19 After a long school year children look forward to a fun summer break but they forget that their teachers do too The little boy in this book has a dream where he sees his teacher climbing a tree flying an airplane water skiing and doing other exciting things When he awakes he realizes that TEACHERS NEED A RECESS TOO **When**

is Recess Aj Squad Tees,2019-03-25 Our When is Recess Journal is perfect for teachers and educators **An Examination of Recess Through the Eyes of Elementary School Teachers** Emily Carol Malone,2009 Proceedings of ... Annual Meeting National Council of Education,1885 *A Course of Study for Teachers in the Public Schools of North Carolina* North Carolina. State Board of Examiners,1898 **The Impact of Teacher Leaders** Kimberly T. Strike,Janis C. Fitzsimmons,Debra K. Meyer,2019-08-13 The Impact of Teacher Leaders Case Studies from the Field is designed to celebrate spotlight teach inspire and encourage First and foremost the authors wish to celebrate the accomplishments and dedication of teacher leaders Research clearly shows that teachers have the greatest impact on student achievement It is also evident that teacher leaders are the bridge between their colleagues in the classrooms and administrators and parents Initiatives can be driven impaired or abandoned based on the support and involvement from teacher leaders Teacher leadership is critical in all schools For this reason the authors spotlighted cases from coast to coast in the United States along with some international examples In an era when teacher preparation programs have decreased in numbers statistics are showing that those who successfully complete those programs are not remaining in the field and veteran teachers are leaving in record numbers it is important to spotlight the success of teachers through their leadership roles in very different school contexts Case studies are an important tool in qualitative research as they provide examples of implementation examples of relationships between theory and practice allow close examination of people and contextual situations allow data collection and analysis and allows for further study of people groups events reasons and questions Case studies utilize a variety of sources and use different methods For the purposes of this companion publication purposeful selection spotlighted 24 case studies where the authors interviewed teachers to collect and write narratives about their teacher leadership roles often focusing on a specific leadership experience All participating teachers were under a teacher contract at the time of the teacher leadership case study experience and were leading at the building or district level School Education ,1884

The book delves into Recess For Teachers. Recess For Teachers is a vital topic that needs to be grasped by everyone, from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into Recess For Teachers, encompassing both the fundamentals and more intricate discussions.

1. This book is structured into several chapters, namely:

- Chapter 1: Introduction to Recess For Teachers
- Chapter 2: Essential Elements of Recess For Teachers
- Chapter 3: Recess For Teachers in Everyday Life
- Chapter 4: Recess For Teachers in Specific Contexts
- Chapter 5: Conclusion

2. In chapter 1, this book will provide an overview of Recess For Teachers. This chapter will explore what Recess For Teachers is, why Recess For Teachers is vital, and how to effectively learn about Recess For Teachers.
3. In chapter 2, the author will delve into the foundational concepts of Recess For Teachers. This chapter will elucidate the essential principles that must be understood to grasp Recess For Teachers in its entirety.
4. In chapter 3, the author will examine the practical applications of Recess For Teachers in daily life. This chapter will showcase real-world examples of how Recess For Teachers can be effectively utilized in everyday scenarios.
5. In chapter 4, the author will scrutinize the relevance of Recess For Teachers in specific contexts. The fourth chapter will explore how Recess For Teachers is applied in specialized fields, such as education, business, and technology.
6. In chapter 5, the author will draw a conclusion about Recess For Teachers. The final chapter will summarize the key points that have been discussed throughout the book.

This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of Recess For Teachers.
